Degrees Trends Report
Emergency Med Technology (EME)
1992-93 through 2001-02**

The Degree Trends Report is developed by the Office of Institutional Research based on data compiled from official college records which are submitted to the State of Michigan for IPEDS (Integrated Post-Secondary Education System) Annual Degrees Conferred Report. The Degrees Trends Report examines trends of OCC degrees, based on specific programs. The standard format offers information on certificates and associate's degrees awarded. In the event that a given program offers only a certificate or an associate's degree, information describing the other type of award will not be provided.

Trends over a specified period of time are illustrated by the following graphs for Emergency Med Technology (EME)

- Ten year trend showing the annual awards conferred in Emergency Med Technology
- Rate of change in annual awards conferred in Emergency Med Technology
- The three year Moving Mean for annual awards conferred in Emergency Med Technology
- Ten year trend in awards conferred collegewide.

Credit Hour Trends Report
Emergency Med Tech
1992-93 through 2001-02**

Each year the Office of Institutional Research prepares the Credit Hour Trends report, based on data submitted to the State of Michigan in the annual ACS-6 (Activities Classification Structure) process. This report is based on each course section's official count date (1/10th Day). The Credit Hour Trends report examines annual (July 1 - June 30) enrollment trends of OCC disciplines, based on course prefix codes.

Trends over a specified period of time are illustrated by the following graphs for Emergency Med Tech.

- Graph depicting ten year trend in student credit hours generated by Emergency Med Tech
- Graphs depicting 3-year moving mean and rate of change in student credit hours for Emergency Med Tech.
- Ten year trend in annual credit hours generated Collegewide.

Questions regarding this report can be addressed to the Office of Institutional Research at (248) 341-2123.
