In addition to his teaching responsibilities, Mr. Balderson preaches for the Rochester Church of Christ.

ECOLOGY

Monday, September 28, at 7:30 P.M., Dr. Joseph F. Jones will speak on "Ecological Problems". Dr. Jones is well qualified to speak on this important subject. He earned his B.A. degree from Pepperdine College in 1947 and a M.A. the following year. He received a second Master's Degree from the University of Michigan and completed his Doctorate at Oklahoma State University. He presently serves as Dean of Michigan Christian College.

Mr. Bishop has lectured extensively on this critical and timely subject and is probably as well informed as any man in the metropolitan area on this problem and its solution. (We regret we were unable to secure a picture.)

DRUGS

Wednesday, September 30, at 7:30 P.M., a young man will speak on one of the most vital of today's problems, "Drugs". CRIME

Thursday, October 1, at 7:30 P.M., the series will come to a close with a discussion of "Crime". For this important subject, we present one of the best informed men to be found anywhere. Mr. Hubert Locke, who holds the A.B., D.B., A.M., and D.D. Degrees, is presently Director of the Office of Religious Affairs for Wayne State University. During the years 1963-1966, while on leave of Absence from Wayne State, he served as Executive Director of the Citizens Committee for Equal Opportunity, and in 1966 and 1967 he was Administrative Assistant to the Detroit Commissioner of Police.
