

BAD AXE HISTORY

The congregation in Bad Axe was started in August of 1962, meeting in the Bruce home. We began with twelve members. Two of these have moved to Florida, two are now meeting in Cass City, one is in college, and seventeen others have moved in and out since then. There have been eight baptisms, one restoration, and six have placed membership. At present, there are twenty members, plus one away at college.

In July of 1963 a building was purchased and remodeled into our present meeting place. There is a 26 X 40 auditorium, three class rooms, an office-class rom combination, Two rest rooms, and a baptistry. Our highway frontage is 200 feet. There is adequate land on which to build a preacher's home and still have plenty of parking space.
