ACCOUNTING
in the field of commercial art, graphic design, and printing.

To speak of the bread of commerce, the commerce of commodities,

George Washington, the man who rode to the battle of Yorktown, has recently been appointed

commander of the United States Army. His recent appointment has caused much rejoicing among

the people of this country. The appointment is a great honor for Mr. Washington, and a

great credit to the United States Government. It is hoped that his appointment will

lead to a more efficient and effective management of the affairs of the country.

John Milton, one of the greatest poets of the English language, has

just been appointed the poet laureate of the nation. His appointment is

a great honor for Mr. Milton, and a great credit to the nation. It is

hoped that his appointment will lead to a more efficient and effective

management of the affairs of the nation.

In the event of a national emergency, the poet laureate is appointed

to serve as the poet laureate of the nation. His appointment is

a great honor for Mr. Milton, and a great credit to the nation. It is

hoped that his appointment will lead to a more efficient and effective

management of the affairs of the nation.

A celebration was held in the nation's capital to commemorate

the appointment of Mr. Milton as poet laureate. The celebration

was attended by many prominent figures, including the President,

the Vice President, and the Speaker of the House. It was a

great honor for Mr. Milton, and a great credit to the nation. It is

hoped that his appointment will lead to a more efficient and effective

management of the affairs of the nation.
