

SOAC REPORT

College Academic Senate

February 21, 2013

- SOAC moved to enhance and clarify the Global Understanding and Responsibility Outcome statement.
- Gretchen Arthur and I will gather best practice information for current assessment and common course outcome activities in multiple disciplines for presentation at the next meeting.
- Marty Orłowski began a discussion relating the numbers of outcomes for course to the corresponding credits students earn for the course. The required number of common course outcomes related to the General Education Outcome Rubric was also considered.
- The 2013 Faculty Assessment Day will be on March 22 at the Orchard Ridge campus. Requests for discipline should be submitted by Tuesday March 8.
