Subject:	[mile-board] Next Steps

We had a good planning session with the SirsiDynix folks last Thursday
about our migration process to URSA 4.0. TLN is going to do all that
we can to make the process as easy as possible. Anne Neville will be
sending each consortia rep (Tammy Turgeon and Stephen Bowers) profile
forms that need to be filled out by each catalog represented on the
system. Once we have these returned we will be working with
SirsiDynix to input them into the new system. The next planning
meetings are:

Weds. Nov 9th, 10am   Security and Portal Consultation

Monday Nov 14 10am   Borrowing and Lending Policies

After the 14th we will assess what needs to be finished before
training can begin.

Please let me know if you can participate on Wednesday. We will be
using WebEx again so you can do so from your desktop. Thank you

-eileen
