STUDENT APPLICATIONS FOR SEPTEMBER UP 52% OVER LAST YEAR -- MCC IN EXPANSION PROJECTS

The MCC Admissions Office reports that student applications for admission in September are up 52% over the number of applications which had been received by that office at this time last year.

This increase is making additions to present facilities necessary to accommodate the additional dormitory students.

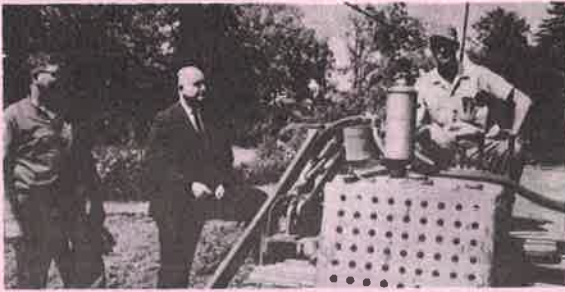

President Palmer (right) points to the Master Plan of the campus showing the spot on which a new classroom and student center building is being erected. It will be situated in the extreme southwest corner of

the campus, just in front of but not obscuring, the Administration Building.

Since the Academic offices have moved into the Ad Building, the new classroom structure will allow that area and the present classrooms to be converted into additional dormitory space for women.

At left, President Palmer (c.) discusses the proposed building layout with Douglas Cattanach, MCC Maintenance Superintendent, and Albert Eslinger, of Birmingham, Michigan, who is preparing the ground for foundations.

In answering questions with reference to the new Student Union Building which is to be built on Lake Norcentra (and for which excavations have been made), President Palmer said, "It is better to face the financial facts and be wise than to ignore these facts and begin a three-story building for which we do not have all the necessary funds. The modern, one-story building now under construction will take care of our needs in this area for next year and will be a useful building in many ways for years to come. We will build the three-story Student Union Building when the necessary funds are raised or pledged."

President Palmer said further, "We are glad and enthusiastic over the increase in student enrollment for next year. It is anticipated that the Student Union Building and the proposed Alma Gatewood Memorial Dormitory for Women will be a real need within the next few months. However, the immediate need for these major buildings has been somewhat met by the construction of the one-story Classroom and Student Center Building."

BALDERSON APPOINTED DEAN OF STUDENTS

MCC has taken another step forward in the appointment of Clyde Balderson, as Dean of Students. He is one of the "Pioneer" faculty members, having served the college since its beginning in 1959.

He is loved and respected as a teacher, a Christian gentleman and a friend by students, faculty and administration alike. Students have consistently sought his counsel and advice.

President Palmer said, "I make this announcement with great happiness. I am convinced, after working with Clyde Balderson these last six years, that he is ready for this responsibility."

Professor Balderson received the B.A. Degree from David Lipscomb College and the M.A. Degree from Wayne State University.

CONSTRUCTION BEGUN ON NEW ATHLETIC FIELD

Earth movers, bull dozers, superintendents (side-walk and otherwise) moved into the recently-purchased 54-acre land area adjacent to the present campus on Tuesday, July 20.

Dirt began to move from one portion of that field to another. In a few days, the corn field that was once part of the Gierok farm, will have been transformed into the new MCC Athletic Field.

Proposed construction will include a football and baseball field, regulation size track, and tennis courts.

Again, it is the pleasure of MCC to express appreciation to the Ladies Associates, that amazing and wonderful group of women which has done so much for the college. The funds for the Athletic Field and landscaping pertaining to it come from the efforts of this organization.

Needless to say, Coach Shinsky has a Polish grin on his face from ear to ear!

ALUMNI ELECT CROSS AND NICKS

In a recent election among the MCC Alumni, Paul Cross ('62) of Royal Oak, Michigan, and Clifford Nicks ('63) of Belleville, Michigan became the first President and Vice President, respectively, of the recently organized Michigan Christian College Alumni Association.

Paul Cross, (right) while a student at MCC, served as President of the Dramatic Club and was on the staff of the Totem Pole (school yearbook) for two years. Paul now serves as an officer on the Royal Oak Police Force.

Clifford Nicks (left) is now a senior at Abilene Christian College majoring in music. While at MCC Clifford served as President of the A Cappella Chorus and as Student Director of the Chorus. He was a member of the Men's Quartet and Vice President of the Student Council in his Sophomore year.

ALUMNUS APPOINTED TO MCC POST

Pictured, right, as a student at MCC in 1962, is Wayne Baker, present Minister of the East Main Street Church of Christ in Kalamazoo, Michigan.

Brother Baker will begin full time work with the college on September 1 as Admissions Counsellor. His work will relate to student recruitment and the Office of Admissions.

Wayne was an outstanding student at MCC, serving as President of his freshman class, a member of the Student Council and the North Star (student newspaper) Staff. He sang in the Men's Quartet and was President of the A Cappella Chorus Club. He also played on the basketball team two years. He preached for the Mt. Clemens Church of Christ during his school work at MCC.

After leaving MCC, he entered David Lipscomb College and graduated with the B.A. Degree in the spring of 1964. He has more recently served as Evangelist for the East Main Street Church of Christ in Kalamazoo, Michigan until he assumes his new responsibilities with the college.

He married Darlene Pobur, of Taylor, Mich. on July 28, 1962. They have two children, a boy and a girl, will soon move to Rochester to live.

**YOUTH RALLY SLATED
FOR BATTLE CREEK
AUGUST 28**

CAMPUS APERS

Wheeler Utley (l.) Chairman of the MCC Board of Directors, chats with Bob Miller, new MCC Field Representative, in regard to the new dimension in the work of the college with youth.

Under the direction of Mr. Miller, a Youth Rally is slated for Battle Creek, Michigan on Saturday, August 28. The theme of the Rally is "A Day In God's Army."

Battle Creek was the scene of the successful Tri-State Youth Rally last November with over 700 young people in attendance. A similar rally is planned for November nearer the MCC campus when upwards of 1500 to 2000 young people are expected.

The August Rally in Battle Creek will be held at the Harper Creek High School beginning at 12:30 p.m. and concluding at 9:30 p.m. The 20th Street Church of Christ will serve as host for the occasion. Activities for the day are designed to be "different, dynamic, and exciting." "A program," said Miller, "which no young person in the area should miss."

Those attending will participate in "Basic Training," "Maneuvers" (spiritual war games), youth chorus, group singing, and other activities. A drama has been planned for the evening program after a supper featuring an unending supply of Italian Spagetti. The day's activities will conclude with inspirational campfire devotions and a parting challenge to youth to give their lives in service to Christ.

FIRST ANNUAL "SENIOR DAY" SET FOR NOVEMBER 6

Fred J. Alexander, (l.) Director of Admissions at MCC, has announced a special day on the campus for High School Seniors. November 6, 1965 has been set for the first of what is believed to be many succeeding "Senior Days."

This announcement comes early in order to distinguish it from the Annual High School Day held each spring. On November 6, the day will be given exclusively to high school seniors.

Registration on this Saturday will be from 9 until 10 a.m. A fine program is planned especially for seniors throughout the day. A nice noon meal will be served in banquet style and all seniors will be the guests of MCC.

Seniors are urged to watch for further announcements concerning their day at MCC on November 6.

IT IS NOW LITTLE MORE THAN A MONTH UNTIL CLASSES BEGIN AT MCC. THERE IS STILL TIME TO ENROLL. BUT HURRY. FILL OUT THE FORM BELOW AND MAIL TO DIRECTOR OF ADMISSIONS, Michigan Christian College, Rochester, Michigan.

CHRISTIAN MEMORIAL ESTATES SCHOLARSHIP FOUNDED

Mr. Bernard LePage, President of Christian Memorial Estates Cemetery Association of Rochester, Michigan, has established a scholarship fund at Michigan Christian College.

At the last meeting of the MCC Men's Club, through which contact with Mr. LePage was made, it was decided that this scholarship would be called the Christian Memorial Estates Scholarship Fund. This fund was established by Mr. LePage's gift of \$250. It has since increased to \$450. This scholarship will be awarded to a student of good character and above average academic ability who needs financial assistance.

MEN'S CLUB PUSH UNIQUE PROJECT

Khrushchev made the boast that he would bury us! However, the average American wants to make arrangements about that himself.

With the cooperation of the Christian Memorial Estates Cemetery Association, the Men's Club of MCC have arranged for a private Burial Garden of 1800 2-site burial plots designated at the Michigan Christian College Memorial Garden.

The marker for this garden is shown left, and is named "The Rock of Ages" garden. If all of the 1800 sites are sold, MCC will receive a total of \$72,000. The college receives from the Cemetery and from the burial plot salesman a total of \$40 for each plot bought.

Mr. LePage, the Cemetery President, has already delivered several checks to the college through this project. However, he said sales people were needed badly to make the contacts. Men or women can do this work and, even working part time, can make for themselves a sizeable commission. Mr. LePage will train any person interested. Contact Mr. Milton Fletcher, Vice President of MCC, for further information.

Entrance to the Christian Memorial Estates Cemetery is shown above, located at 521 E. Hamlin Road, Rochester, Michigan.

The BULLETIN will be published monthly to inform the friends and supporters of Michigan Christian College of the progress being made at this institution. Other names will be added to the mailing list upon request to the Editor.
