SKIP A DAY OF SCHOOL??

SKIP A DAY OF SCHOOL ??? A college encouraging school skipping? Of course! Your high school will be pleased to cooperate with you if you take a day off to visit our campus. After all, there is no better way to find out what a college is like than to visit the campus. You may want to come alone . . . or better yet with your family or friends . . . by the busload if you prefer. Most like to include chapel (Monday-Friday at 10:00 a.m.) in their visit, often followed by a campus tour and lunch in the cafeteria. Someone would probably even let you do some of their homework if you are the overly ambitious type! If you live a long distance from the college or if you live close and just want to experience an important part of college life, you are most welcome to stay overnight in one of the dorms. Just let us know when. We would like to meet you and have you as our guest.
