# Introduction to Rochester College

The Mission of Rochester College is to engage students in a vigorous Liberal Arts education within a Christian community for a life of study and service.

## WE AFFIRM:

- A quality education stresses excellence and trains students to perform scholarly research, to write and speak with elegant simplicity, and to think critically and creatively.
- An educated person reveres God and is committed to truth and justice.
- An educated person is able to coherently connect the spiritual truths of God with the wisdom of humanity embodied in the arts and the sciences.
- A Christian education demonstrates that a vibrant faith compels a life of private virtue and of social responsibility.
- An educated person possesses a lifelong desire to grow intellectually and spiritually.
- An educated person views a vocation as an opportunity for service and stewardship, rather than a passport to privilege.
- This community and its professors nurture and incarnate a Christian worldview.

## HERITAGE

---

In 1954, members of the Church of Christ formed a Board of Trustees to establish a college in the north central United States. The new Board purchased land near rural Rochester, Michigan and the first students arrived at North Central Christian College in 1959. Several years later, NCCC became Michigan Christian College. In 1997, the Board adopted the name Rochester College. That year, the Board reaffirmed the founders' dedication to the task of leading students toward high academic achievement . . . and the development of Christian ideals.

Over the years, the campus of Rochester College has grown, and the college leaders have continued to develop and modify programs that meet the changing needs of our students. In 2004, the college adopted a new strategic plan, Target 2K, designed to direct our resources and efforts toward achieving our goals in our Academic Vision.

In a typical year, students arrive from more than a dozen states and about ten different nations. Alumni are scattered in many places around the nation and the world.

Since its inception, Rochester College has emphasized the importance of combining academic excellence with Christian ideals. While the College admits students of all races and religions and carefully explains varying worldviews in relevant courses, it employs only those professors and instructors who understand, practice, and teach the Christian faith. Regardless of their discipline, faculty members routinely relate their subject matter to relevant principles and concepts of Christianity.

## THE CAMPUS

---

Rochester College is located on 81 acres of suburban woodlands dotted with lakes and woodlands and bordered by the Clinton River. It is part of Rochester Hills, an area that has developed into one of the most popular residential communities of southeastern Michigan. The area's unique mixture of country charm and modern development has caused the city's population to pass 70,000.

Upscale shopping centers, theaters, and popular restaurants offer many options for recreation. There are numerous job and internship opportunities since over 50% of Fortune 500 corporations have operations in the area. The greater Detroit area also features museums and professional sports teams. Canada is accessible by bridge or tunnel, less than an hour away.

## ADMINISTRATIVE AND ACADEMIC FACILITIES

### **Associates Campus Center**

Campus Center is home to several state-of-the-art classrooms, a 16-terminal computer lab with Internet access, Student Services, faculty offices, Information Technology offices, and the Center for Extended Learning.

### **Gallaher Center**

Gallaher Center houses the business, financial aid and the admissions offices as well as the Alumni Music Center, which is located on the upper and lower levels of west Gallaher Center.

### **Gatehouse**

The upper level houses the Counseling Center, while the lower level hosts a small music ensemble rehearsal room.

### **Ennis and Nancy Ham Library**

In 2003 the library was named in honor of Ennis and Nancy Ham. The library offers electronic, print and audio-visual materials to traditional students, CEL students, faculty and guests. Users have remote and on-campus access to indexing and full-text articles in over 60 electronic periodical databases. The library's holdings can be found through the online catalog at [www.rc.edu/lib](http://www.rc.edu/lib). The library home page contains information on electronic resources, Internet resources, contact information and library news.

The librarians, support staff, and student library assistants work cooperatively to select, acquire, process, and organize the library's materials. Librarians are available to help individual students in research in the library as well as assist faculty in classroom instruction. The library is open and staffed by librarians 75 hours per week.

Computers, study carrels, study rooms and lounge furniture create a comfortable and friendly environment in which students study, collaborate, and research. Interlibrary loan through a large library network allows students and faculty opportunities to borrow from other state and national libraries.

The Ham Library has membership in (ALA) American Library Association, (CCL) Christian College Librarians, (DALNET) Detroit Area Library Network, and (MLC) Michigan Library Consortium.

### **Muirhead Center**

Home to the Library since 1965, the Muirhead Center now accommodates faculty offices, the Academic Services offices, and the department of Marketing and Design.

**Richardson Academic Center**

This is the newest addition to the campus. This building features the Utley-McCauley student center, classrooms, a theatre, state-of-the-art science laboratories, and administrative offices.

**Development Building**

Once home to Rochester College's science labs, this building now houses classrooms, an athletic training room, administrative offices, and the Office of Development.

**White House**

Originally a farmhouse, the White House has traditionally served as a residence for the college president. These quarters were renovated in 2001, and presently accommodates the Office of Planned Giving.

## RESIDENCE HALLS

---

**Barbier Hall**

This men's residence hall features carpeted rooms with beds, wardrobes, dressers, desks with hutches, chairs, and community baths. Each room comes with Internet, cable, and phone hookups. The building also has a laundry room and kitchenette.

**Ferndale Hall**

Constructed in 1997, this women's residence hall offers suite-style living with private baths and Internet access in each room. All rooms are furnished with tile flooring, wardrobes, dressers, beds, desks, and chairs. Phone hookups and cable are also available. Residents may use Ferndale's central kitchen and Dearborn Commons for laundry.

**Gatewood Hall**

This student residence hall offers suite style living with private baths and Internet access in each room. All rooms are furnished with beds, wardrobes or closets, dressers, desks with hutches or shelves, and chairs. Phone hookups and cable are also available. Both men and women each have access to a laundry room and kitchenette.

**Hoggatt Hall**

Constructed in 1997, this men's residence hall offers suite style living with private baths and Internet access in each room. All rooms are furnished with tile flooring, beds, wardrobes, dressers, desks, and chairs. Phone hookups and cable are also available. Residents who live in Hoggatt Hall are also permitted to use Hoggatt's central kitchen and Dearborn Commons for laundry.

**Palmer Hall**

Available to married students, each room features carpeting, a private bath, walk-in closet, outside entrance, and hookups for phone, cable and Internet. Some rooms also include a kitchenette. Palmer Hall is also the headquarters for the Campus Grounds and Security Department.

**OTHER COLLEGE FACILITIES**

---

**Dearborn Commons**

Proximity to men's and women's residence halls makes this a popular campus gathering place. The Commons features a TV lounge, computer terminals, and coed laundry facilities.

**Fletcher Center**

The campus cafeteria, the Fletcher Center, overlooks the campus lake and is equipped with wireless Internet. Food service for the college is provided by Chartwells.

**Gymnasium**

Regulation college basketball court is the site of physical education classes and intramural athletics competition.

**Isom Atrium**

Home of the Solid Rock Cafe, the Atrium is a place where students and faculty can grab a cup of coffee or a bite to eat, sit and chat, connect to wireless Internet, or meet with friends.

**Rochester College Preschool**

The preschool, housed in the neighboring facilities of the Rochester Church of Christ, provides opportunities for education students who want to work with children.

**Utley Center**

The Utley center is home to the Rochester College Bookstore. Located adjacent to Isom Atrium, Westside-Central Auditorium, and the Fletcher Center (cafeteria), the Utley Center is an ideal location for students and off-campus customers to shop for books and Rochester College merchandise.

**Utley-McCauley Student Center**

The newly constructed Utley-McCauley Student Center is a place where students, whether residential or commuters, can meet. The student center houses three different sections. One section has tables and chairs for students to study, read, and relax. The middle section has a large screen TV with DVD/VCR capability, while the last section is a game area with a pool table, foosball table, air hockey, and a dart board.

**Westside Central Auditorium**

Westside Central Auditorium is the place where Rochester College students meet for daily Assembly. The auditorium also hosts lectures, classes, theatre, music performances, and other special programs.

**Theatre**

The Theatre in the Richardson Academic Center is used for choral practices, drama productions, Celebration in Song, our annual musical variety show, and many special events such as college and community sponsored seminars/conferences.

**Computer Labs**

Computer Labs are available in both the Associates Campus Center and the first floor of the Ham Library buildings. These labs are open for use when classes in these rooms are not in session.

# Student Life

Rochester College offers a wealth of extracurricular activities that appeal to a variety of interests. The intimate size of the student body makes it easy for anyone to participate in leadership or social activities.

## SOCIAL LIFE

---

### EVENTS

#### **Banquets**

Each year, Rochester College sponsors several events to celebrate special occasions for students, faculty, and staff. Campus organizations also host their own special events.

#### **Homecoming**

Hosted by the Student Government and the Alumni Association each fall, the day is led with activities for students and alumni, including an Alumni men's basketball game, intercollegiate basketball game and the crowning of the Homecoming King and Queen.

#### **Celebration**

A centerpiece event on campus each spring, Celebration is led by a Director and presented as a student collaboration and features our campus social clubs. The show is a kaleidoscope of music, singing, acting, and choreography.

#### **Group Outings**

The Student Services Office and other campus organizations sponsor group trips to area attractions such as major concerts, plays, and sporting events.

## STUDENT GROUPS

#### **Student Government**

Each year the student body selects a president, vice president of student activities, vice president of community life, vice president of public relations, and vice president of finance and fundraising. These officers work

to develop the quality of student body life by planning activities and responding to student concerns. Each officer receives a scholarship.

### **Residence Life**

A student staff of 12-16 members is selected each year to lead their peers in the residence halls. These students are responsible for building community by planning social, spiritual and education activities and governing the halls. Each student gets a scholarship and/or weekly pay.

### **Music Ensembles**

Each spring students may audition for one or more of the vocal, instrumental, or theatrical groups featured by Rochester College. Students who have an interest in singing may join the A Cappella Chorus, which performs at local, regional, and national events, or the Rochester Community Chorus, which performs frequently with the Rochester Symphony Orchestra. Autumn and Ekklesia perform contemporary Christian music for youth events. Students with instrumental skills may audition for the Concert Band or String Ensemble.

### **Theatre**

Students may audition for frequent on-campus theatre productions, Company, a theatre troupe that performs for teen audiences, or Pied Pipers, an improvisational children's theatre troupe.

### **Student Publications**

Students may join the staff of The Shield, the campus newspaper that reports on the pulse of Rochester College student life, or the yearbook, Areios, published by students who write, edit, design, and contribute photographs. Another student publication, Blackberry Winter, is a collection of student works composed of written and visual art.

### **Ex Libris**

This writers' group meets once per week to share ideas and to support their common interest.

### **Social Clubs**

Students may pledge one of four campus social clubs that engage in social activities, compete in intramural athletics, and perform community service projects. Social clubs also perform original dance/music numbers at the annual Celebration.

### **Departmental Organizations and Honor Societies**

Qualified students may be invited to join Alpha Chi, a national honor society, Psi Chi, a national honor society for psychology students, or Alpha Psi Omega, a national honorary theatre fraternity.

## ATHLETIC ACTIVITIES

### Intercollegiate

Rochester College competes in the United States Collegiate Athletic Association. Men's sports include JV and varsity basketball, baseball, and soccer. Women's varsity sports include basketball, volleyball, softball, and soccer. Rochester College boasts a tradition of athletic excellence, winning national titles in men's basketball (1989, 1997, 2004, 2005), men's cross country (1989, 1990), men's soccer (1996), and women's volleyball (1998, 1999).

### Intramural

Intramural teams compete in volleyball, basketball, flag football, wiffle ball, dodge ball, coed soccer, disc golf and pickle ball.

## CAMPUS MINISTRY

### Daily Assembly

Daily Assembly provides a time for students and employees of the college to participate in programs that reinforce the spiritual, academic, and community values of the college. The programs, led by faculty/staff, off-campus guests and students, are designed to develop the whole person. Full-time students are required to attend.

### The Offering

Students help lead this weekly contemporary Christian worship service. Attendance is voluntary.

### Devotionals

Student-initiated informal worship gatherings occur on campus each week. Attendance is voluntary.

### IMAGE

Students interested in missions and evangelism may wish to join IMAGE (International Missions Apprenticeship for God's Evangelists). Each year, IMAGE members lead and/or participate in domestic and international mission campaigns. IMAGE also sponsors local community service projects.

## SOCIAL REGULATIONS

---

Rochester College is committed to building a campus culture that harmonizes with Christian values. Students are personally responsible for campus and community conduct. Rochester College encourages good character; therefore, immodest or inappropriate attire, dishonesty, profanity, sexual promiscuity, gambling, property abuse, use or possession of alcoholic beverages, illegal drugs, or tobacco are not permitted on

campus. Mandatory campus curfew (except for upperclassmen who meet criteria and select to live in upperclassmen residence halls) provides ample time for students to enjoy the recreational and part-time job opportunities of the city. The Student Handbook, distributed at student orientation or from the Student Services Office, describes additional policies. Violation of college regulations or civil law may lead to dismissal. Enrollment at Rochester College serves as the student's agreement to abide by the college's standards of conduct. Students may not agree with all college standards but are nonetheless expected to demonstrate responsibility as well as character through honorable adherence to the policies. All students are expected to observe common courtesy and cooperation with one another.

## RESIDENCE HALLS

---

Rochester College provides room and board for single students 25 years of age or younger taking at least nine hours. Residential policies promote a close-knit campus culture that features social and spiritual aspects to be enjoyed by campus residents. Married housing is available on a semester-by-semester basis and is not guaranteed. Single boarding students must obtain cafeteria meal services. Each resident is financially responsible for room damages. Off-campus housing is allowed for students who are at least 21 years old and of junior status, or for married students, or for students who live with relatives over the age of 25. Institutional Aid may not be available to students who live off-campus. Exceptions may be considered at the end of the academic year in which the student turns 23 years old or when residence halls are at capacity.

## CAMPUS PSYCHOLOGY & COUNSELING CLINIC

---

The role of the Psychology Clinic at Rochester College is to help meet the psychological and developmental needs of young adults who face major life transitions and adjustments. Psychological services can provide coping mechanisms to help students succeed both academically and personally.

Professional psychological counseling services provided to Rochester College students at the clinic include individual psychotherapy, marriage and family psychotherapy, and psychological and neuropsychological assessments to identify learning challenges. The current professional staff includes two Fully Licensed Psychologists with the highest levels of professional training. All psychotherapists and counselors in the Rochester College Clinic hold the highest licensure in the state of Michigan in their respective professions.

The Psychology and Counseling Clinic is located in the Gatehouse on the far west end of campus. The Rochester College Psychology Department oversees the clinic. Appointments can be made by calling Dr. Gordon MacKinnon, Director of the Psychology and Counseling Clinic at 248.218.2112.

## HEALTH INSURANCE AND SERVICES

---

All resident students and full-time commuter students are required to provide proof of health insurance coverage and sign an exemption form declining the school's policy because of such coverage. Students with no coverage or failure to provide proof of coverage in a timely manner must purchase a non-refundable policy (\$405.00 annual cost). Brochures outlining coverage details are available in the Business Office. Specific coverage questions should be addressed to the insurance provider directly at 800-338-1938. See the Student Accounts Manager for more details.

The nearby Henry Ford and Mercy Care Medical Centers prescribe medication and offer treatment for minor ailments (a more complete list of health services is available in the Student Handbook). Students may choose a local physician at their own discretion. Emergency care is available at Crittenton Hospital (two miles from campus). Students are obligated to pay for services and medication.

## CAREER SERVICES

---

The Mission of Career Services at Rochester College is to assist all current students, accepted prospective students, and RC alumni in developing, evaluating, and initiating an effective career plan through self-assessment and exploration of occupational and educational opportunities.

Career Services will assist students in relating personal interest, skills, and values to academic pursuits and career goals. Career Services will provide a presentation to all incoming freshmen as part of the Freshman Year Experience program at the beginning of each fall semester. Students will be given the tools to begin a career planning process that will take them through graduation and either job placement or graduate school.

Career Services, housed in AG basement, maintains a career and job search library, provides computerized career assessments and assistance. Students can also have individual career counseling and a variety of other workshops and programs to assist the students in their career planning and job search. Information on internships, full and part time job opportunities as well as graduate school assistance are also offered.

# Enrollment

Prospective students should evaluate the unique programs and environment of Rochester College to determine if they will meet their personal academic, spiritual, and career goals. Students whose life pursuits reflect the mission and vision of Rochester College are those most likely to thrive.

## ENROLLMENT PROCEDURE

Complete each of the following steps to apply for the traditional program at Rochester College. For those who seek financial aid, it is important to complete these steps as early as possible. See the Center for Extended Learning section for enrollment procedures for CEL programs (page 167).

1. Complete and submit an Application for Admission to the Enrollment Services Office along with a nonrefundable application fee of \$35 (US only). Application forms are available from the Enrollment Services Office upon request. Applications may also be submitted online at [www.rc.edu](http://www.rc.edu).
2. Send a high school transcript to the Enrollment Services Office. Students who have completed college work should also submit a college transcript. Incomplete transcripts may be used for preliminary admissions decisions, but final transcripts are required for class registration. GED graduates must submit an official copy of their GED scores to the Enrollment Services Office.
3. Submit an official ACT (American College Test) or SAT (Scholastic Aptitude Test) score report. Contact the ACT (Rochester College code 2072) or SAT (Rochester College code 1516) testing services to request this information. Official score reports are required for class registration. Students who have not taken the ACT may take a residual exam on campus. Contact the Enrollment Services Office to arrange a test date. Prospective students who are at least 23 years old and are transferring fewer than 14 semester hours may take the ASSET test in place of the ACT or SAT. The ASSET must be administered prior to enrollment by arrangement with the Enrollment Services Office.
4. Submit a room reservation form and fee of \$180 (US). Upon enrollment, \$25 will apply to the nonrefundable reservation fee, \$150 will apply to the security deposit and \$5 will apply to the mailbox key de-

posit. Deposits, less any outstanding charges, will be returned at the end of the academic year. The deposits are required for on-campus housing and are fully refundable if requested in writing, to the Enrollment Office, prior to May 1. Only the \$155 deposit is refundable, if requested 30 days prior to the last day of Fall registration. Housing assignments are made on a first-come, first-served basis once application and room reservation fees and deposits are paid.

## ADMISSION DECISIONS

Rochester College seeks students who desire to excel academically, spiritually, and socially, and who are likely to contribute to the campus culture. Acceptance is partly determined by high school or college grade point average (GPA) and college entrance examination scores. Equally important, however, are moral character, integrity, and involvement in school, church, and community activities. Approval is granted on a rolling basis once all required credentials are received and deposits are paid.

## RESIDENCE REQUIREMENT

Campus residence is required of all students (unless married) who are not 21 and not junior status, or who are not living with a parent or relative over the age of 25.

## FIRST TIME IN COLLEGE

High school graduates with less than 17 semester hours of college credit are required to meet the following criteria for unconditional admission to Rochester College: A minimum 2.25 high school GPA, and a minimum ACT composite score of 18 or a minimum SAT total of 880. Students who did not graduate from high school may be admitted unconditionally if they earned a minimum GED score of 550 and meet the minimum ACT or SAT score described above. Prospective students who are not eligible for unconditional admission to Rochester College, but whose academic and personal initiative indicate potential for success, may be admitted on academic alert. These students will be limited to 12-15 credit hours in their first semester (including freshman seminar) and may be required to take courses in Basic English, reading and writing and mathematical skills development. Supplemental classes for specific courses may also be required.

## TRANSFER STUDENT

Transfer students from other colleges or universities must provide an official transcript from each institution and complete the steps listed on

page 17. ACT or SAT scores are not required of students who transfer 17 or more college semester hours that apply to the general education core and if their college GPA is above 2.00. Students who transfer a GPA below 2.00 must supply ACT or SAT scores and may be placed on Academic Alert (see page 41 for information concerning Alert status). All transfer students are required to take ENG 1123 at Rochester College, or to take the English Qualifying Exam.

Rochester College grants credit for courses completed with a grade of "C-" (1.7 on a four-point scale) or higher at regionally accredited colleges, schools accredited by The Association of Biblical Higher Education, or a select list of voluntarily unaccredited institutions (standards within individual majors may be higher). Up to 30 hours of lower division credit might also be transferred from other programs; these are subject to validation by the relevant academic department(s) at Rochester College and by a probationary semester of full-time, "C" (2.0 on a four-point scale) or higher coursework.

Students whose prior academic experience includes coursework completed outside the United States or Canada must provide an evaluation from the World Education Services ([midwest@wes.org](mailto:midwest@wes.org)). Credit received on a basis other than the semester unit will be converted to semester hours. Transfer credit counts as upper-level credit only if the course has junior-senior status at the institution where it was taken. All work transferred from a junior college is considered lower-level credit except for 300-level courses taken in the third year of an approved third-year program.

Transfer credit may apply toward a traditional degree, but is limited to: no more than 34 semester hours toward the Associate's degree and 98 hours toward the Bachelor's degree. At least 50% of a student's major core requirements must be earned at Rochester College. See page 170 for Center for Extended Learning limits. Transfer credit is not applied to Rochester College GPA.

Under the MACRAO Articulation Agreement, transferees from participating Michigan colleges or universities usually meet all general education requirements for the Bachelor's degree at Rochester College, except the Christian Values Requirement and general education courses or prerequisites required for a major. However, if the transfer credits do not include a literature course or math course equal to MAT 1103 or higher, the student must complete these courses before a degree will be awarded. Transcripts must specifically confirm that all MACRAO requirements are met. For more information, contact the Enrollment Services Office.

Transferees who hold the Bachelor's degree from another accredited college or university are exempt from all general education requirements, except the Christian Values Requirement (page 43) and any specific general education courses or prerequisites required for a major.

## EARLY ADMISSION

High school students are eligible for early admission as full-time students at Rochester College based on the following criteria: Completion of junior year of high school, high school GPA of 3.00 or higher, and ACT score of 21 or more. Early admission students may make arrangements with their home school district to earn their high school diploma, or earn a satisfactory score on the General Equivalency Diploma (GED).

## RE-ENROLLMENT

To return to Rochester College after an absence of one or more semesters, students must notify the Admissions Office. Students suspended or dismissed for academic reasons must appeal to the Academic Life Committee. Students dismissed or suspended for social reasons must request re-enrollment through the Student Services Office. Students who re-enroll following Academic Suspension or dismissal may be required to receive tutoring and related learning resources through the Academic Center for Excellence. Students who re-enroll after an absence of 12 months or more may only be re-admitted under the latest degree plan offered for the degree and major being pursued.

## INTERNATIONAL STUDENT

Students who receive their education outside of the United States must demonstrate their ability to perform college level work in the US by submitting official academic credentials from the country where they received their education. Students, whose native language is not English, must score at least 109 in an ELS Language Center or take the Test of English as a Foreign Language (TOEFL). The Rochester College code is 1516. A native language is that language acquired naturally during childhood and is spoken in the home. Scores must be sent directly from the testing organization. Photocopies are not acceptable. The minimum scores are: 520 (paper-based test), or 190 (computer-based), or 68 (internet-based test). A list of cities and specific details for the TOEFL is available on the TOEFL website at [www.ets.org/toefl](http://www.ets.org/toefl).

All students educated outside the United States or Canada will enter Rochester College on academic alert (see page 41 for information concerning "alert" status). Issuance of an I-20, as a citizen of another country, requires a notarized bank certification that funds are available to pay for at least the first year of college. A deposit equal to half the annual tuition, room and board (less any institutional aid) must be submitted to the college by June 1 for fall enrollment and November 1 for spring enrollment, to ensure adequate processing time related to issuance of a student visa. The deposit, credited to the student's account, may be refunded only if the student is denied a visa.

Additionally, ALL required documentation should be submitted by the deposit deadlines stated above, including the scholarship application, \$100 (USD) application fee, two reference letters, and a notarized letter from the sponsor, assuring all payments will be submitted to Rochester College.

*\*Additional documentation may be required after the first year of study.*

## SPECIAL STUDENT

Students who are not in a degree seeking program or who are taking no more than six hours per semester do not have to apply for admission. This applies to classes taken for audit and classes taken for regular credit. Students in a degree program or enrolled in more than six hours per semester must apply for admission.

## GUEST STUDENT

Students from other colleges or universities may attend Rochester College to receive credit for specific courses. Guest students must pay normal tuition and fees and request that grades and credits be sent to their college or university. To apply, submit a Michigan Uniform Undergraduate Guest Application to the Rochester College Registrar.

## COMPUTERS

Rochester College encourages every student to purchase a laptop computer to complete academic coursework, including word processing, Internet research, intranet discussion, and software applications. Space in campus computer labs is frequently limited. All students should make every attempt to purchase or lease a personal computer or laptop computer. All residence hall rooms are wired for network access. The Solid Rock Café offers wireless network access, as do most areas on campus including classrooms. Rochester College recommends the following minimum specifications:

- 1 GHz processor or higher
- 20GB hard drive
- Sound card with speakers
- 3 1/2 inch floppy drive
- Antivirus software
- Microsoft Windows 2000 Professional or later
- 256 MB RAM
- 10/100 network card
- CD-ROM drive
- Microsoft Office 2000
- 17-inch monitor

# Financial Information

Rochester College strives to limit its costs and to provide generous financial aid for each eligible student. Tuition only covers about 70% of the overall educational services provided at the College; the balance is provided by other sources of income.

## BASIC EXPENSES

The following charges are for traditional students enrolled in the College of Arts and Sciences or the College of Business and Professional Studies.

**GENERAL PAYMENT INFORMATION**

Rochester College's continued success in its mission and growth depends on the timeliness of the student's payment. Rochester College expects accounts to be paid on time, according to one of the payment options listed below. All fees are assessed and payable in US Dollars.

**Cash, Check, or Money Order**

Checks and money orders should be made payable to Rochester College and brought or mailed to the Business Office.

**Credit Card**

Credit card payments may be made in person or called in directly to the cashier at 248.218.2051. An automatic charge may be established for the semester payment plan; for this, a form must be completed and given to the Business Office.

<sup>1</sup> See note 1 on page 22.

## PAYMENT OPTIONS

### Payment at Registration

Prior to the close of registration, students may pay all remaining charges after financial aid awards to avoid service charges and late fees.

	Fall Semester	Spring Semester
Initial Payment	August 18	January 4
Installment 2	September 20	February 15
Installment 3	October 20	March 15
Installment 4	November 20	April 15

### Semester Payment Plan

Students unable to pay the full amount at the time of registration may use the semester payment plan. They pay one-third of the total semester cost (minus financial aid credits) at registration, and the remaining two-thirds are paid in three equal monthly payments due on or before the dates listed above. There is a \$40 fee per semester for use of the payment plan. Students may be charged a \$25 late fee if payments arrive after the due date. The payment plan may be unavailable to students with a history of late payments or a previous Rochester College account passed to a collection agency.

## DELINQUENT ACCOUNTS

### Past Due Accounts

The College will not release transcripts if there is a Business Office hold on the student's account. Students with past-due accounts will not receive diplomas or letters of recommendation. Students with delinquent accounts (past due 20 days or more) may not be allowed to register for subsequent semesters. A finance charge of 1.5% (18 APR) is applied monthly to delinquent accounts. Nonpayment of delinquent accounts may result in suspension or placement of the account with a collection agency.

### Collection Agency Placements

Accounts placed with a collection agency will be charged collection costs, and possible legal fees. The student becomes responsible to the collection agency for all contact and payment arrangements. Readmission to the College will not be permitted until the amount in collections is paid in full. A list of collection agencies used by the College may be found on the Rochester College website.

## REFUNDS AND CREDITS

### Withdrawal from College

In case of voluntary withdrawal, refunds for tuition, room, board, and certain fees are calculated on a prorated basis according to Federal refund policy. Refunds will not be granted if a student withdraws after 60 percent of the semester is completed. Students who withdraw early may be responsible for remaining charges on their account. Consult the Financial Aid Office and the Business Office for more information about the consequences of withdrawal.

Refund Schedule 2006-2007		
Fall Semester	Spring Semester	
August 21	January 5	100%
August 22 - August 29	January 8 - January 16	90%
August 30 - September 5	January 17 - January 22	75%
September 6 - September 19	January 23 - February 5	50%
September 20 - October 3	February 6 - February 19	25%
October 4 to end of semester	February 20 to end of semester	0%

### Course Refunds

Traditional enrollees who drop a course but remain enrolled in one or more courses will receive a refund for the dropped course(s) based on the chart above. Refund policies for the Center for Extended Learning are described on page 178. Students will not receive a refund if a dropped class does not result in a change in the tuition block (12 to 18 hours). Any drop or add that does not result in a net change in course load also will not be subject to a refund. Changes in course load may adversely affect a student's financial aid awards. Students should consult the Financial Aid Office and the Business Office prior to dropping a course.

### General Refund Policies

Tuition refunds for Maymester are based on the number of class periods. Students who choose to commute after the semester begins receive a refund of room and board charges calculated on a prorated basis. No refunds are granted for missed meals. Special fees may not be refunded. Room security deposits are refunded only when checkout procedures are completed within seven days of the date that residence halls close and keys have been returned.

The date withdrawal forms are submitted is the date used to calculate refunds (see above). In the case a request to withdraw is made by phone

and the completed forms arrive at the College within one week of the request, the date of withdrawal is the date the forms are requested. Rochester College has no obligation to refund any charges if withdrawals or dismissals are due to misbehavior. Students involved in disciplinary situations may be required to repay college-funded awards.

Refunds may require up to 30 days for processing. Financial aid funds refunded to issuing programs are allocated in the following order: Stafford Loan, PLUS Loan, Perkins Loan, Pell Grant, Supplemental Educational Opportunity Grant, and institutional aid.

Military reservists called to active duty while a semester is in progress are encouraged to complete any partial semester work. If completion is not possible or takes longer than two calendar years after the time of activation, reservists will receive withdrawal grades for incomplete course work and tuition vouchers for the number of incomplete credit hours previously paid by the student and government-funded aid. The tuition voucher may be used at Rochester College for the same number of credit hours in any subsequent semester even if tuition rates are higher. Room and board charges are refunded on a prorated basis. Students with circumstances that warrant exceptions to refund policies should address a written appeal to the Controller.

## WITHDRAWAL FROM COLLEGE

To withdraw from the College, obtain a withdrawal form from the Student Services Office and follow the steps below. Remote students may call the Student Services Office to obtain necessary forms. Withdrawals are considered official on the date of a phone call only if all forms are completed and returned within one week. Failure to complete this process may result in a grade of "F" in all classes and no refunds on accounts.

1. Visit the Dean of Student Services. Turn in mailbox key and ID card, and leave a forwarding address for mail.
2. Return all outstanding materials to the library. Have librarian post any charges to the withdrawal form.
3. Visit the Academic Services office to be withdrawn from your course.
4. Have a personal exit interview with the Financial Aid Director to assess whether additional financial aid may be available to cover current obligations, and to discuss loan repayment obligations.
5. Have a personal exit interview with the Student Accounts Manager in the Business Office. Refunds (room deposit, telephone deposit, etc.) will be calculated after 30 days when all charges and adjustments have cleared the Business Office.

# Financial Aid

Many sources of financial assistance are available to students and their families. Government aid, institutional scholarships, loans, and work study opportunities are all available. In some instances, aid is awarded on the basis of academic merit; in other cases, the primary criterion is the student's campus involvement and financial needs.

## HOW TO APPLY FOR MAXIMUM AID

---

Eligibility is determined by submitting a Free Application for Federal Student Aid (FAFSA). Institutional scholarships and awards are only available to students attending the traditional colleges. More information about aid sources can be accessed from [www.finaid.org](http://www.finaid.org), [www.fast-web.com](http://www.fast-web.com), or [www.collegequest.com](http://www.collegequest.com).

Rochester College awards some institutional aid to qualified applicants regardless of family income. Institutional aid may be adjusted according to the amount of Federal or State aid a student receives. Recipients of the Trustee Scholarship or Presidential Scholarship are not eligible receive additional institutional aid. Failure to comply with minimum grade requirements or College regulations may result in a loss of institutional awards.

Rochester College helps students locate aid sources required to meet financial need. Institutional aid sources are described on the following pages. The Financial Aid Office provides detailed descriptions of programs, qualifications, and minimum renewal requirements. The Financial Aid Office also designs aid packages which combine scholarships, grants, loans, and part-time employment to meet students' financial needs. Most financial aid is applied directly to individual student accounts. Some institutional aid may not be available to students who live off-campus. See page 13 for residency requirements that affect financial aid. Exceptions may be considered at the end of the academic year in which the student turns 23 years old or when the residence halls are at capacity.

1. Complete a Rochester College Financial Aid Scholarship Application and return it as soon as possible during senior year of high school.
2. Complete the Free Application for Federal Student Aid (FAFSA) as soon as possible after January 1 of high school senior year. The priority deadline is April 15. The FAFSA should be submitted on-line at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). It may also be mailed directly to the government where it will be processed (applicants must include Rochester College's Federal school code of 002288 in Step Six of the FAFSA).
3. Once the FAFSA is processed, a Student Aid Report (SAR) is sent to the Financial Aid Office. Each applicant is also sent a report. Please read it carefully. Make all necessary corrections to the FAFSA form online and keep the SAR for your personal records.
4. The Financial Aid Office will send an award package once the SAR is received. The award will list all scholarships, state grants (if applicable), and Federal aid (grants, loans, and work study) along with information about the loans. A verification work-sheet may need to be filled out and returned to the Financial Aid Office.
5. Carefully review the information in the award letter, initial each award where indicated, and return one copy to the Financial Aid Office by the deadline.
6. Please note that award letters are only valid for the current school year. A renewal FAFSA must be completed each year.
7. Questions may be directed to the Rochester College Financial Aid Office. Call 248.218.2034 or toll free 800.521.6010 x2.

## ACADEMIC PROGRESS REQUIREMENT

Federal regulations require students to maintain a 2.00 cumulative GPA to remain eligible for financial aid. All Students whether full-time or part-time must complete 75 percent of the hours attempted during the academic year to maintain aid eligibility.

Students who fail to meet the requirement during the fall or spring semesters may include Maymester courses in the total hour requirement for the academic year.

Rochester College students who do not meet the term requirements (qualitative or quantitative), will be placed on financial aid probation (aid continuance requires a 2.00 minimum cumulative GPA, and completion of at least 75 percent of the hours attempted).

Financial aid eligibility ends when total hours attempted (including transfer hours) equals 150 percent of the hours needed to complete a degree plan (for a degree requiring 128 hours, aid would be terminated

at 192 hours attempted). The number of hours attempted is defined by the number of hours enrolled at the end of each late registration. All hours attempted are included, regardless of whether or not financial aid was received for the hours.

Financial aid probation or loss of aid results when a student fails to meet academic progress requirements. Attainment of minimum requirements must be met at student expense before financial aid is reinstated. Written appeal based on mitigating circumstances that affect eligibility may be submitted to the Director of Financial Aid.

Any recipient of institutional aid (scholarships and discounts) placed on academic alert or probation may be required to participate in special tutoring and learning seminars with the Academic Center for Excellence (ACE). Students suspended for academic or financial aid reasons will be required to utilize the ACE upon re-enrollment.

## NON-SCHOLARSHIP METHODS OF FUNDING

### SPECIAL DISCOUNTS

#### **Early Application Discount**

Applications received before January 1 earn a \$500.00 nonrenewable discount on first-year tuition charges.

#### **Family Plan Discount**

Two or more dependent children of the same immediate family concurrently enrolled full-time in a traditional program at Rochester College are each eligible for a fifteen percent tuition discount on the block rate. Must be full-time boarding student unless living with parent.

### LOANS

#### **Federal Perkins Loan**

US citizens in financial need may borrow up to \$4,000 per year (limited to \$20,000 total) at five percent interest. Repayment and interest begins nine months after graduation or withdrawal from college, or when the student drops below half-time status. Payments may be extended over a ten-year period. Application is made directly to Rochester College by submitting the FAFSA form.

#### **Federal Direct Stafford Loan**

Federal loan programs allow freshmen to borrow as much as \$2,625; sophomores may borrow up to \$3,500, and juniors and seniors may borrow up to \$5,500. Variable interest is capped at 8.25 percent. There is an origination fee of three percent; however, at the time of catalog

publication, the program offers a 1.5 percent rebate on the origination fee. The Federal government pays the interest on subsidized loans as long as the student maintains at least half-time status. Students who do not meet the criteria for need-based Federal loans, who need additional funds beyond need-based eligibility, or who are considered an independent student by Rochester College may obtain an unsubsidized version of the Stafford Loan. The student pays interest or adds it to the principle balance while he/she is in college. Ten-year repayment on Federal Stafford Loans begins six months after graduation, withdrawal from college, or when the student drops below halftime status. A \$50 minimum monthly repayment is required. Application is made to Rochester College by submitting the FAFSA form. Students who do not hold loans from similar programs administered by lending institutions, are required to obtain Stafford Loans through the Direct Loan Program. Stafford Loans may only be applied to an account at or after registration.

### **Federal Direct PLUS Loan**

Parents may borrow up to the cost of an academic year less any other financial aid for the year. Financial need is not required to obtain this loan. Variable interest is capped at nine percent. There is an origination fee of four percent; however, at the time of catalog publication, the program offers a 1.5 percent rebate on the origination fee. Parents must begin repayment within 60 days unless they obtain a temporary deferment (in which interest is accrued). Repayment may be scheduled for up to ten years. Application is made by completing the FAFSA and an additional application, and is subject to credit approval. Students who do not hold loans from similar programs administered by lending institutions, must obtain PLUS Loans through the Direct Loan Program. PLUS Loans may only be applied to an account at or after registration.

## **SPECIAL SOURCES OF AID**

### **Private Funds**

Churches, civic clubs, employers, and unions offer financial awards which are included in the total financial aid package when determining eligibility for government and some private assistance.

### **Veteran's Benefits**

Military veterans or immediate family of veterans deceased or permanently disabled as the result of service, may qualify for assistance. For information, contact a Veterans Administration Office. Students may receive credit for training in the armed services or previous course work by sending an official transcript from each institution to the Academic Services Office. Academic Services must receive transcripts by the end of the first semester of enrollment. Some general education require-

ments may be waived based upon age, number of hours completed, and appropriate work experience. Records of academic work completed at Rochester College may be released to other institutions and agencies only upon written request. Students who are certified for Veterans Administration benefits but who fail to obtain the minimum cumulative GPA within one semester after being placed on academic alert may not be recertified until their cumulative GPA meets the minimum standards identified in the Academic Alert and Academic Progress Statements. Rochester College informs the Veterans Administration when students are not recertified due to lack of academic progress. While this policy does not affect the College's policies regarding academic probation and suspension, those policies do affect certification for veterans' benefits. The standards of progress and alert policies are found on page 41. Students within one semester (12 hours) of graduation may continue to be certified for veterans' benefits only with a cumulative GPA of 2.00 or higher, which meets requirements for both the Bachelor and Associate degrees. The above policies regarding certification for veterans' benefits supersede any and all previous statements of these policies.

### **Vocational Rehabilitation**

Students with physical disabilities may be eligible to receive additional aid through the Vocational Rehabilitation Service. For more information, contact the Office of Financial Aid.

## **EMPLOYMENT**

### **College Work Study**

This Federal aid program provides campus work for students with financial need. A similar program exists for Michigan residents. Students are encouraged to sign a form to apply all earnings directly to their student account. Student Payroll Deduction forms are located in the Business Office.

### **Off-Campus Employment**

Area businesses often seek Rochester College students for part-time jobs. Fulltime students are encouraged to work no more than 20 hours per week. Students on academic probation or academic alert are restricted to a maximum of 12 hours per week.

# INSTITUTIONAL DISCOUNTS AND SCHOLARSHIPS

Students must be enrolled full-time to receive institutional discounts and scholarships. All discounts and scholarships are for a maximum of 10 traditional semesters (excluding Maymester) and a maximum of 18 hours per semester, unless otherwise indicated.

## Academic Achievement Scholarship

# Academics

Rochester College is dedicated entirely to the encouragement, support, and patronage of learning through academic research, excellent teaching, and definitive scholarship in the liberal arts. The College seeks to provide a climate where intellectual pursuit is exercised in the most favorable circumstances, where academic freedom is fully respected, and where inquiry, dialog, and discernment are foundational. All professors are deeply committed to Christian faith and practice, and to the central educational task of expanding and enabling the life of the mind.

## ACADEMIC ACCREDITATION

Rochester College is accredited by the Higher Learning Commission and is a member of the North Central Association (30 North LaSalle, Suite 2400, Chicago, Illinois, 60602. Phone 312.263.0456). The College is also a signatory of the MACRAO Articulation Agreement and the Universal Transfer Agreement, which facilitates the transferability of credits between the college and other Michigan institutions.

## ACADEMIC CENTER FOR EXCELLENCE

The Academic Center for Excellence (ACE) has been instituted to facilitate a successful college experience for each student. The ACE staff is responsible for tracking students' attendance, troubled course grades, and a wide variety of special needs. The ACE lab, staffed by trained tutors and assistants, is located in the new Richardson Academic Center. Students under academic alert, probation, or suspension will be required to seek assistance from the lab; this facility, however, is also available on a voluntary basis for students of normal academic standing. Students who experience difficulty in their course work should express these concerns to their instructor, but the ACE lab exists to help them. The college also provides Supplemental Instruction for select courses, including optional study sessions led by students with a high degree of success in each course. Contact the ACE Lab for more information.

## ACADEMIC STATUS

---

### **Academic Alert**

Students whose cumulative GPA drops below 2.0 are put on academic alert. Students on alert must spend a minimum of six hours per week in the ACE lab. They will also reduce their load to no more than 15 credit hours, their employment to a maximum of 12 hours per week, and all participation in extra-curricular activities (scholarshipped or not) will be suspended until the student is off academic actions. Exceptions may be made, at the discretion of the academic deans, for extra-curricular activities that are complemented with established forms of academic support. Note that if a student is employed by Rochester College, he or she may not work until cleared of Academic Actions. To clear alert status, students must earn a cumulative GPA higher than the levels indicated above during the first semester after being placed on alert.

### **Academic Probation**

Students who do not meet the above minimum standards the semester after being placed on academic alert are placed on academic probation. They must log a minimum of six hours per week with the ACE lab. They may not take more than 12 credit hours. Employment should be reduced to no more than 9 hours, and all participation in extra-curricular activities (scholarshipped or not) will be suspended until the student is off academic actions. They must work closely with their instructors and advisors, and their Academic Dean may mandate a structured system of progress reporting.

### **Academic Suspension**

Students who do not meet the above minimum standards the semester after being placed on academic probation are placed on academic suspension. Students who do not pass any hours in a given semester are automatically suspended.

Students who are academically suspended may enroll for up to six hours of credit during the suspension semester, but are not eligible for financial aid from government or college sources. Upon successful completion of such course work, suspended students must follow the appeals process to recover full-time status.

Academic suspension is one semester in length, which does not include Maymester. Written appeals to return at the end of the suspension must follow a specific format. The Academic Life Committee makes the final decision to accept or reject the appeal. Further details can be obtained from the Office of Academic Services or on [warrior.net.rc.edu](http://warrior.net.rc.edu). Written appeals must be submitted to the Registrar.

### **Academic Renewal**

Previous Rochester College attendees with a GPA below 2.00 may request academic renewal. The student's last enrollment must be at least

three years prior to renewal request. Up to 30 semester hours of Rochester College course work (grades D or F) may be disregarded in computing the GPA needed to earn a degree. Students must apply for academic renewal before enrolling in courses. Academic renewal is granted only once.

### **Major Transfer**

Transferees from a major in one field of study to another may petition to have the calculation of their graduation GPA based only on the program of current enrollment. Credit hours not counted toward GPA will not count toward degree requirements.

### **Appeals**

Disputes regarding course grades, class policies, or other issues should be discussed with the appropriate instructor. If the instructor does not resolve the matter, complaints should be directed to the Department Chair and the Faculty Affairs Committee (in that order). A written appeal, detailing the complaint, must be sent to the Faculty Affairs Committee within one semester of the incident or grade report. Two copies of the complaint must be submitted in person to the Dean of the appropriate college. The Faculty Affairs Committee issues a final decision.

## **COURSE INFORMATION**

---

### **ATTENDANCE POLICY**

Rochester College expects regular and punctual attendance, which is checked by each instructor and pertains to final course grades. Students are responsible for reading the attendance policy explained in each class syllabus. Students accumulating more than three weeks of absences will be administratively withdrawn from the course; there will be no refunds.

One week of institution-approved absences per course may be added for College-sponsored activities that require frequent travel. Students are normally not allowed to accumulate more than the equivalent of three weeks of class absences. Students may request an incomplete grade from the Registrar if absences result from unavoidable reasons such as extended illness that is documented by a doctor. Minor illnesses and other personal needs, however, are to be covered by the number of personal absences allowed by the instructor. To drop a class, students must submit a drop form (available in Academic Services) to the Registrar prior to the deadline. Each drop form incurs a \$20 fee.

Instructors do not have to allow makeup of daily in-class work regardless of excuse. Major assignments and examinations may be made up for doctor-documented illnesses and institutionally-approved absences granted by the Office of Academic Services. Students must request a makeup within one week of the absence, or the instructor is not obligated to allow

the makeup work. For institutionally approved absences, students must make arrangements with the instructor prior to the absence.

## AUDIT

For a reduced fee, students may take a specific course without being responsible for class assignments and tests. Faculty, however, may choose not to grade assignments completed on an audit basis. Traditional and nontraditional students may take advantage of the audit option.

## CHRISTIAN VALUES REQUIREMENT

The Christian Values Requirement of the general education core (see page 51) consists of 16 semester hours for students pursuing the Bachelor's degree and 12 hours for those pursuing the Associate's degree. Transfer students in the Bachelor's degree program must complete the following Christian Values Requirement. The "Credits Transferred" must be applicable to the chosen degree program.

Credits Transferred	Religion Requirement
1-15	16
16-31	14
32-47	12
48-63	10
64+	8

Associate-level students must complete BIB 1013 and 1023. Bachelor-level transfer students must complete BIB 1013, 1023, and an ethics course. Specific core requirements are explained in each degree plan.

## CLASSIFICATION

Classification is based on total credit hours completed by the end of the semester. Transfer students are unclassified until prior credits are posted to their Rochester College transcript. Thirty hours are required for sophomore status, sixty hours for junior status, and ninety hours for senior status.

## CONCURRENT ENROLLMENT

Certain courses offered by other local colleges and universities are available to Rochester College students who make use of the guest enrollment option. Students are responsible for tuition and fees at other institutions. See the Office of Academic Services for details and an application. Students receiving financial aid should also confer with the Office of Financial Aid, since guest enrollment may affect financial aid eligibility. Students who wish to take courses from both the Center for Extended Learning and one of the traditional colleges should refer to the policies outlined on page 172.

## COURSE CHANGES

Students may add or drop courses until the end of the first week of classes each semester, after which full-term courses may not be added and withdrawals are noted as “W” on transcripts. Withdrawals are not allowed after the date published on the college calendar. The Office of Academic Services provides drop dates for classes that meet less than the full term.

## COURSE LOAD

A full-time load is considered to be 12 or more credit hours per semester, and an average load is 16 hours. Heavy loads of 19 or more hours must be approved by the dean of the appropriate college. 9 to 11 hours constitute a three-quarters-time load, and 6 to 8 hours constitute a half-time load.

## DISABILITY ACCOMMODATIONS

It is the policy of Rochester College to comply with Section 504 of the Rehabilitation Act of 1973 and with the Americans with Disabilities Act of 1990 in providing reasonable accommodations to qualified students with disabilities. The College also regards these accommodations to be an essential and logical consequence of its stated Christian orientation.

A qualified student with a disability is a person who meets the academic and nonacademic admission criteria essential to participate in the program in question and who, with or without reasonable accommodation, can perform the essential functions of the program or course requirements.

Academic Support Services facilitates reasonable accommodations and support services for any qualified student with a properly documented disability. A disability is a physical or mental impairment that substantially limits one or more major life activities. Written documentation from an appropriate professional is required. For a complete description of the policies and procedures associated with disability accommodations, please refer to the Academic Center for Excellence.

## INDEPENDENT STUDY

Instructors may sometimes offer courses through independent study. These courses do not meet on a structured basis but do include regular meetings with the instructor. These courses do not fulfill general education requirements unless approved by the appropriate academic dean. Eligible students for independent study courses must not be on academic alert, must not be enrolled in their first term, and must receive permission from the instructor and the appropriate Academic Dean.

## **INCOMPLETES**

Students are eligible for incomplete grades only when they cannot complete a course for unavoidable reasons such as extended illness. Applications for one or more incompletes are submitted to the instructor(s) and the Registrar prior to the end of the term in which the incomplete(s) are requested. The instructor(s) will specify the requirements needed to complete the course. Students will be notified of approval or disapproval. An incomplete grade (I) is changed to F if the student does not complete the course within three months of the close of the semester.

## **DUAL DEGREE**

Students are permitted to earn a second Bachelor's degree by completing at least 32 hours beyond the first degree. Students must meet all requirements for the second degree.

## **DUAL MAJOR**

Students who wish to complete a dual major may do so by completing at least 27 hours of course work related to the additional major and beyond the requirements of the first major. Students must meet all requirements of the two major programs within the same degree.

## **FINAL EXAMS**

Students are expected to take final examinations on the announced dates and not before that time. Subject to instructor approval, special circumstances may allow for late completion of final examinations.

## **FRESHMAN SEMINAR (SEM 1002)**

Since the fall of 2003, Rochester College requires a two-hour seminar for first-time freshmen. While experiencing a variety of disciplines, students will ground themselves in the fundamental skills necessary for success in a collegiate atmosphere.

## **REPEATING COURSES**

Students may improve final course grades by repeating courses. All grades appear on a permanent academic record but only the last grade for a repeated course is counted toward graduation requirements and cumulative GPA. Repeated courses incur a regular tuition charge.

## **SPECIAL COURSES**

With administrative approval, instructors may offer special courses not

listed in the College catalog. These courses meet regular hours and carry requirements similar to courses in the regular curriculum. Qualified students may enroll without normal independent study limitations.

## GLOBAL EDUCATIONAL OPPORTUNITIES

Students may participate in a 15-week fall study-abroad program in Europe. The GEO program allows students to take between 12 and 18 hours of general education core credit. The courses are based upon the host country's literature, art, history and culture. Information regarding the program is made available to students during the fall semester or can be requested by emailing GEO@rc.edu.

## GRADES

Academic work appears as follows on grade reports and transcripts:

<b>A</b>	4.0 quality points per hour
<b>A-</b>	3.7 quality points per hour
<b>B+</b>	3.3 quality points per hour
<b>B</b>	3.0 quality points per hour
<b>B-</b>	2.7 quality points per hour
<b>C+</b>	2.3 quality points per hour
<b>C</b>	2.0 quality points per hour
<b>C-</b>	1.7 quality points per hour
<b>D+</b>	1.3 quality points per hour
<b>D</b>	1.0 quality points per hour
<b>D-</b>	0.7 quality points per hour
<b>F</b>	0.0 quality points per hour

In addition, the following marks may be used on an academic record:

<b>I</b>	(Incomplete)—must be completed within three months or grade is changed to F
<b>P</b>	(Passing)—not calculated in GPA
<b>R</b>	(Repeat)—most recent grade used in GPA, all entries remain part of permanent record
<b>W</b>	(Withdrawal) <sup>1</sup> —not calculated in GPA
<b>AU</b>	(Audit)—not calculated in GPA

Grade reports will be mailed to students at the end of each semester, and they will also be available on warrior.net.rc.edu 24 hours after they have been posted. CEL students' grades are available after each session. See CEL student handbook for further information.

<sup>1</sup> Withdrawals are noted as W on transcripts after the first week of classes.

## GRADUATION

---

Rochester College holds commencement in December and May. Attendance is recommended but not required to graduate. A student may march even if certain degree requirements remain to be met as long as he or she is enrolled to complete the requirements before the start of the next full semester. If a student is uncertain as to whether or not they will have met graduation requirements, they should contact the Registrar the semester preceding their final term.

Each semester, students review their academic progress with their academic advisor. Students starting their final semester must submit an Application for Graduation to the Academic Services Office and pay the graduation fee. Application deadlines for December and May graduations are November 1 and March 1, respectively. Requests for graduation requirement waivers or course substitutions must be submitted in writing to the Registrar by no later than October 15 for a fall graduation, or February 15 for a spring graduation. All financial obligations to the college must be fulfilled prior to receipt of transcript.

## HONORS

---

Dean's List requirements per semester are at least 12 credit hours, a minimum 3.30 GPA, no grade below a C, and no incompletes. Rochester College graduation honors are: Summa Cum Laude (at least 3.85 GPA), Magna Cum Laude (3.60), or Cum Laude (3.30). Honors are based on all college work at Rochester College. Forty-five or more semester hours of course work at Rochester College are required for honors at graduation. Academic renewal students may be considered for graduation honors upon completion of an additional 45 hours after academic renewal is granted. Honors are not available for A.A. or A.S. graduates.

## NONTRADITIONAL CREDIT

---

### FORMS OF NONTRADITIONAL CREDIT

Some students may take advantage of nontraditional opportunities to receive credit for prior training that equates to college-level learning. Testing services (64 hours maximum) and professional schools and training (30 hours maximum) may be counted toward college credit, but not toward the 30-hour residency requirement. A combined maximum of 32 hours toward the Associate's degree or 64 hours toward the Bachelor's degree may be available through nontraditional avenues.

**Advanced Placement**

High school students may take Advanced Placement (AP) Examinations. The college awards credit for some freshman courses based on AP scores of three, four, or five. Rochester College does not assess grades or fees on Advanced Placement credit. Contact the Academic Services Office in the Muirhead Center for equivalencies.

**College Level Examination Program (CLEP)**

Rochester College offers credit for successful completion of certain CLEP exams. Students must attain the CLEP standard passing score to receive credit. In addition to the standard testing service fee, the College charges a fee for posting qualifying scores. Students may not seek CLEP credit for courses which they failed in regular attendance or by examination. Students may take CLEP exams at other testing centers at any time. Contact the Director of Testing and Career Development in the Muirhead Center for appointments, deadlines for testing, and course equivalencies.

**DANTES Subject Standardized Testing Program (DSST)**

The college also offers credit for successful completion of selected DSST exams. Students must attain the DSST standard passing score to receive credit. In addition to the standard testing service fee, the college charges a fee for posting qualifying scores. Students may not seek DSST credit for courses already failed in regular attendance or by examination. Contact the Director of Testing and Career Development in the Muirhead Center for information.

---

**REGISTRATION**

---

Students are expected to register for classes before the semester registration deadline. A student's registration may be considered void if he or she does not attend one of the first two meetings of class. Late registration is permitted through the end of the first week of classes each semester. Satisfactory payment arrangements are required to complete the registration process.

---

**TRANSCRIPTS**

---

Each transcript request incurs a \$5 fee. Transcripts will not be released unless student accounts are paid in full and the Business Office grants approval. Government student loan authorities may place liens against transcripts for students who fail to comply with requirements. Students must sign a written authorization for transcript releases.

# Degree Information

Each student is personally responsible for understanding and completing the requirements listed in his or her degree plan. Academic advisors are assigned by the College to help each student manage this responsibility.

## DEGREE PLANNING

---

Students may choose a degree plan from any Rochester College catalog published during their most recent enrollment. Students who re-enroll after an absence of 12 months or more may only be re-admitted under the latest degree plan offered for the degree and major being pursued. Students who plan to transfer to another college to complete a major not offered at Rochester College should provide their academic advisors with a catalog from the other institution. They should do this early in the advising process. The student is solely responsible for knowing all degree requirements for both schools.

## GENERAL REQUIREMENTS

To earn a degree, students must meet the following requirements in addition to the courses required by the Bachelor's degree program:

1. Complete a minimum 120 semester hours, including at least 36 hours of upper-division work.
2. Achieve a minimum 2.00 cumulative GPA.
3. Complete at least 24 of their last 36 hours at Rochester College (12 of the last 18 for an Associate degree).
4. Demonstrate college-level writing proficiency by completing one of the following: ENG 1123 (at Rochester College) with a grade B- or above; the English Qualifying Exam (limited to two attempts) after completing 60 hours of course work (including ENG 1113 and 1123); or ENG 1133 with a grade B- or above; or ENG 4523 with a grade B- or above.

## GENERAL EDUCATION

To receive the BA or BS degree, students must complete the General Education core. Alternate standards are listed on page 18 for transfer students holding the Associate degree. Transfer student variations in the Christian Values Requirement are listed on page 43.

## Department of Behavioral Sciences

---

(PSY, SOC, SWK)

Pam Cox, Gordon MacKinnon (Chair), Sarah Reddick,  
Robyn Siegel-Hinson, Brian Stogner

### MISSION STATEMENT

---

The Department of Behavioral Sciences supports majors designed for the student planning for graduate work in psychology and other related fields. The curriculum is designed to develop strong skills in the theory and practice of the science of psychology, with an emphasis on dealing with the emotional, mental, social, and spiritual needs of others. Courses in social work exist to prepare students for graduate work in the field of social service. Courses place an emphasis on the Christian model of service.

### ACADEMIC OPPORTUNITIES

---

Rochester College offers the Bachelor of Science degree with a Psychology major or a Behavioral Science degree with a track in Social Work. Interdisciplinary studies majors may choose a behavioral science concentration as part of the Bachelor of Science degree. Minors are available in behavioral science and psychology.

## CAREER OPPORTUNITIES

---

A major in Psychology or Behavioral Science may lead to entry-level jobs in crisis intervention centers, counseling clinics, community service agencies, or other social agencies. These majors are primarily designed to be used in preparation for graduate studies in psychology, psychotherapy, professional counseling, or social work. The psychology major also supports graduate work in experimental, applied, academic, theoretical, or professional psychology (clinical, counseling, or school psychology, or marriage and family therapy). Psychology graduates are also often sought by employees in sales, public relations, or other human services and resources.

## ADMISSION TO THE BEHAVIORAL SCIENCES PROGRAM

---

All students seeking a degree with a major in Psychology or Behavioral Science must apply for and be admitted to the Behavioral Science Program or the Psychology Program prior to enrolling for any upper-level courses offered by the Behavioral Science Department. This process is in addition to the general admittance to Rochester College.

### ADMISSION CRITERIA

The following must be documented at the time of application:

- Minimum cumulative GPA of 2.50.
- Completion of 30 hours, including the following core courses:
  - ENG 1113 English Comp A
  - ENG 1123 English Comp B
  - MAT 1103 Intermediate Algebra (or any higher level MAT)
  - PSY 2013 General Psychology
  - PSY 2223 Lifespan Development / PSY 2113 Psych. of Adjustment
- Must complete lower level Psychology/Social Work Core courses with a grade of C or higher.
- Complete the Autobiographical and Professional/Career Goals Statement for the Behavioral Sciences Department.

## APPLICATION PROCESS

1. Obtain from Academic Services and complete an Application for Admission to the Department of Behavioral Sciences for either Psychology or Behavioral Science–Social Work.
2. Return the application to the Chair of the Department of Behavioral Sciences prior to the established deadlines for application:  
Fall—Monday after Thanksgiving  
Spring—Second Monday of April.
3. The Department of Behavioral Sciences will review applications of all candidates for both Psychology and Social Work. All applicants will be notified of their admission status by letter from the Department of Behavioral Sciences.

## PSI CHI— NATIONAL HONOR SOCIETY IN PSYCHOLOGY

The Behavioral Sciences Department is a sponsor for Psi Chi, The National Honor Society in Psychology, which offers opportunities for students who excel in their academic coursework in their respective Behavioral Sciences programs.

Psi Chi was founded in 1929 for the purposes of encouraging, stimulating, and maintaining excellence in scholarship, and advancing the science of psychology. Rochester College became a local chapter in 1997. Membership is open to undergraduate students in both the Traditional college and the Center for Extended Learning. Students invited to join Psi Chi have shown a significant interest in Psychology and must meet the minimum requirements:

- Completion of at least 3 semesters or 5 quarters of the college course.
- Completion of 9 semesters or 14 quarter hours of psychology.
- Registration for major or minor standing in psychology or for a program that is psychological in nature which is equivalent to such standings.
- Undergraduates who are elected to Psi Chi must have an overall cumulative GPA of 3.00 and rank in the upper 35 percent of their class in general scholarship. They must also demonstrate superior scholarship in psychology, earning a minimum GPA in psychology courses of 3.00.
- Psi Chi accepts the policy of the institution regarding grades.
- High standards of personal behavior.

*\*See Psi Chi's website at [www.psichi.org](http://www.psichi.org) for additional information.*

# Department of Communication

---

(COM, JRN, MED, RHE)

Kent Hoggatt, Lora Postelwait Isenberg (Chair),  
Andrew Kronenwetter

## MISSION STATEMENT

---

The Department of Communication provides programs and courses designed to enable students to think critically and to communicate clearly, effectively, and ethically. The department is committed to helping students strive for great thoughts, meaningful interaction, and powerful communication. Department courses and programs also promote the intersection of faith and learning, acquainting students with the ways modern philosophies and popular thinking coincide and/or conflict with Christian thought. Students will be fully equipped with the skills necessary for a successful life in the home, church, and workplace, and will be prepared for the rigors of graduate school.

## ACADEMIC OPPORTUNITIES

---

The department of Communication offers the BA and BS in Communication with tracks in Media, Speech Communication, and Theatre. The department also offers the BS in Mass Communication with tracks in Broadcasting (through an articulation agreement with the Specs Howard School of Broadcast Arts) and Public Relations. A concentration in Communication is also offered in the Interdisciplinary Studies major.

## CAREER OPPORTUNITIES

---

The world of work holds many opportunities for communication graduates, including public relations, human resources, media production, and education. Communication proficiency is a valuable personal asset, and prepares communication graduates to be attractive candidates for positions in many different professions outside the communication realm.

## DEGREE REQUIREMENTS

## **BS with Mass Communication Major**

Provides students with in-depth explorations of theory and scholarship in media, as well as a choice of a Broadcasting Track or Public Relations Track.

Students pursuing the Bachelor of Science in Mass Communication with the Broadcasting Track at Rochester College will take coursework offered by Specs Howard School of Broadcast Arts as part of the curriculum requirements for that degree during either their sophomore or junior year.

This component of the curriculum includes the Radio and Television Broadcasting Course with either the radio or video concentration. 24 semester hours will be awarded by Rochester College to the student for completion of this curriculum component. Students may also pursue the Radio and Television Broadcasting Course with both the radio and video concentrations, otherwise referred to as the Comprehensive Course. 36 semester hours will be awarded by Rochester College to the student for completion of this curriculum component.

Students must have approval from Rochester College's business office no less than 15 days prior to enrollment in courses at Specs Howard. The student enrolled at Rochester College is allowed to apply for financial aid only through Rochester College, according to federal guidelines. However, students who have been admitted to Specs Howard School of Broadcast Arts are required to adhere to all conditions, policies, and rules of Specs Howard School.

# Department of English and Foreign Language

(ENG, FLM, FRE, GER, SPA)

Thomas Golden, Jennifer Hamilton, Pamela Light  
(Chair), Anne Nichols, Zachary Watson

## MISSION STATEMENT

The goal of the Department of English and Foreign Language is to enable students to develop written communication skills and critical thinking skills which will enhance their success in college and in their careers. Through literature courses, the department seeks to introduce the diversity of existing world views, the continuity of the human experience, and an appreciation for the historical, cultural, and spiritual values present in a study of literature.

The Department also provides instruction in the French, Spanish, and German languages. This coursework is designed to introduce students to the language, culture, and heritage of French, Spanish, and German speaking people.

## ACADEMIC OPPORTUNITIES

The Bachelor of Science and the Bachelor of Arts degree in English may include tracks in professional writing or literature. The professional writing track includes technical and creative writing, media writing, writing for publications, or writing for personal satisfaction. Students may certify to teach English at the elementary or secondary level. Literature is also an important component in the Language Arts major, which with teacher certification allows graduates to teach at the elementary level. The interdisciplinary studies major features professional writing and literature concentrations. An English minor may also be paired with most majors. Foreign language coursework is a required element in the Bachelor of Arts programs at Rochester College, and is considered part of the General Education core. It is also a valuable complement to other programs.

## CAREER OPPORTUNITIES

---

Careers available to graduates with a degree in English include education, journalism, technical writing, business, law, library science, and government service. Many employers value a liberal arts degree as a solid foundation for the world of work. The English major provides a better understanding of human nature and universal issues and truths, and helps exercise critical thinking skills.

In today's world, foreign language qualifications can be a valuable asset. Organizations engaged in global business seek multilingual graduates to fill positions in business, banking, and finance. Multilingual communicators may find jobs as translators or teachers.

# Department of History and Political Science

---

(GEO, HIS, POS)

David Greer, Michael Light, John Todd (Chair)

## MISSION STATEMENT

---

The department of History and Political Science strives to provide a deeper understanding of the world in which we now live by exploring the political, cultural, social, and economic past of the world's civilizations. It also seeks to enrich students' understanding and knowledge of humanity's various spiritual heritages; in addition, the department offers guidance in historical research, writing skills, and critical thinking.

In Political Science the department seeks to provide credible introductory and upper-division courses, and to create an environment that inspires discussion regarding the morality of public policies and outcomes of the legal system. All of the course offerings emphasize the historical and philosophical foundations of the American government. Legal courses stress the powers of common law courts to make law.

## ACADEMIC OPPORTUNITIES

---

The Bachelor of Arts degree and the Bachelor of Science degree may include a major in history, which provides an excellent foundation for graduate training in historical studies, law, political science, journalism, library science, education, and many other fields. History and Social Studies majors may earn teacher certification, allowing graduates to teach at the elementary or secondary level.

A history concentration is available under the Interdisciplinary Studies major, and a history minor may be combined with majors from other academic disciplines. Also, history courses meet social science requirements in the general education core. The general education requirement includes at least one political science course. American legal studies or prelaw minors may be combined with any major. Political science courses can also be used to meet the social studies requirement for teacher certification.

## CAREER OPPORTUNITIES

---

The BA or BS with a history major provides an excellent foundation for careers in elementary, secondary, or post-secondary education; law;

governmental service; journalism; library, museum, and archival work; historical research and writing, and many other fields. Preparation for a law career should include a content major (such as history, English; or interdisciplinary studies) and a prelaw or American legal studies minor. Education majors may certify in history and social studies.

# Department of Music, Theatre, and Visual Arts

---

(ART, MUS, THE)

Joe Bentley (Chair), Catherine Parker, Frank Pitts, Lisa Agazzi, Dale Anderson, Kelly Brock, Steve Burian, Gale Edwards, Lorrie Gunn, Larry Hammerling, Mary Irvine, Ray Oset, Don Platter, David Pyrek, Jean Randall, Todd Sager, August Thoma, Diane Walsh, Hye Yoon

## MISSION STATEMENT

---

The department of Music, Theatre, and Visual Arts exists to provide an aesthetic education for all students and to enhance the aesthetic awareness of the college community, its constituency, and the community. The faculty seeks to foster an attitude of service, designing programs to prepare students to serve as professional musicians, actors, artists, and teachers with a Christian perspective, and to prepare them for additional study in conservatories and graduate schools of music.

In the Visual Arts, the department strives to instill an appreciation of various modes of artistic expression as a means of honoring the Creator of the universe and as preparation for advanced work in the field. The department is designed to meet the needs of the art major as well as the individual who seeks personal development through artistic creation.

## ACADEMIC OPPORTUNITIES

---

In music, students may pursue the Bachelor of Arts or Bachelor of Science degree in music or music education. There is also a music concentration for the interdisciplinary studies major, or a minor in music which may be elected to complement any Bachelor's degree. No more than 8 MUS ensembles or private lessons can be used as electives.

Theatre courses are offered as part of the BA or BS in Communication (see page 60).

Art courses serve as a foundation for students pursuing a minor in art and can fulfill elective credit in any degree program. Courses in art help to provide a broader base of experience for the liberal arts degree.

# CAREER OPPORTUNITIES

Music education students typically certify to become music teachers, choral directors, or band/orchestra directors at elementary and secondary schools. Students who emphasize the music ministry in their preparation may become church worship leaders, music ministers, or seek employment in the Christian entertainment industry. Students who concentrate on performance studies in their preparation may pursue a career as a professional musician and/or studio teacher. Professional musicians may find employment in opera, orchestral music, music theatre, professional ensembles, or the armed forces. Graduate study is recommended for aspiring teachers but advancement in performance and ministry-related fields is often achieved through experience.

Academic preparation in theatre prepares students for careers as performers, theatre managers, stage managers, technical designers, theatre critics, writers, or educators. Theatre training also provides an excellent foundation for a host of other careers including radio and television, music, advertising, marketing, law, public speaking, and ministry.

Graduates who have a background in art are better qualified to pursue occupations in education, art design, interior design, museum administration, art collection directorship, and other specializations in the fine arts.

## MINOR

**Music Minor**—Requires MUS 1211, 1213, 1221, 1223, and ten hours of MUS, with six upper-division hours and no more than two hours of ensemble.

## REQUIREMENTS IN MUSIC

Before enrolling, music majors must successfully complete a voice or instrument audition and a theory placement examination which includes a keyboard component.

Each semester, music majors must attend scheduled recitals and participate in a music department ensemble. All music majors must pass a keyboard skills/basic piano assessment exam or achieve a grade of C or higher in MUS 3202 to graduate. Most students should take at least four semesters of piano before attempting the exam. The degree includes a senior seminar to be taken in the last semester of residence. All music majors must complete a senior project as part of their degree program. Options include presenting a performance recital, a composition recital, or presenting a scholarly paper.

Music majors must complete 36 hours of upper-division credit which includes all course work. Students who opt out of a minor should choose

additional music courses or select courses from disciplines such as art, literature, theatre, or foreign languages.

Applied music and ensemble courses may be repeated for credit. No more than six hours of ensemble credit may be applied toward a music degree unless specified in a track. Students who demonstrate sufficient piano skills may take MUS 3202 to fulfill two hours of the applied music requirement.

## REQUIREMENTS IN THEATRE AND VISUAL ART

See page 60 for information regarding the theatre core and track for the degree in communication. Student in theatre ensembles and productions may repeat those courses for credit. No more than six credits in these courses may be used towards a degree.

**Theatre Minor**—Students may select 18 hours from the following courses to complete the minor:

**No more than 3 total hours in any combination from the following:**

THE 1411 Stagecraft, THE 1421 Theatre Workshop, THE 1431 Ensemble Acting (Company or Pied Pipers)

**Additional courses:**

THE 1103 Beginning Acting, THE 2003 Appreciation of the Theatre, THE 2113 Technical Theatre, THE 3113 Theatre for Young Audiences, THE 3303 History of Western Theatre, THE 3313 Oral Interpretation of Literature, THE 3603 Dramatic Criticism, THE 4113 Directing, THE 4143 Theatre and Religion, THE 4813 Senior Writing Project, THE 4893 Internship

**Visual Art Courses**

Visual arts courses are open to all students. Advanced placement and enrichment options are built into each course to accommodate advanced students.

# Department of Philosophy and Interdisciplinary Studies

---

(INS, PHI)

John Barton (Chair), David Keller

## MISSION STATEMENT

---

Interdisciplinary programs are the result of profound changes taking place across the spectrum of academic disciplines. Advances in science and technology, along with realities such as globalization and multiculturalism, make it clear that the boundaries between the traditional disciplines are not as distinct as once thought. It is now widely acknowledged that higher education must prepare students to think critically and creatively across traditional boundaries, to operate effectively in cross-cultural environments, and to navigate the interrelationships of different disciplines. Toward this end, the Department of Philosophy and Interdisciplinary Studies includes opportunities to study in more than one academic field within the same degree, and opportunities to develop a philosophical foundation through an “Interdisciplinary Core” designed to explore the relationships between the disciplines chosen. The department also provides opportunities for students to experience and explore diverse cultures through their academic programs.

The goal of the Department of Philosophy and Interdisciplinary Studies is to enable students to explore the value and depths of a liberal arts education in diverse and creative ways which will prepare them for a lifetime of high quality study and service in the vocation of their choosing.

## ACADEMIC OPPORTUNITIES

---

The Bachelor of Science and Arts in Interdisciplinary Studies allows students to combine two or more areas of study into one degree. The different areas of study are tied together by a specifically designed Interdisciplinary Core. The Interdisciplinary options also include a specifically designed degree plan for students interested in preparing for Medical School, options for students interested in preparing for Law School or pursuing options in Theatre, Philosophy, or other disciplines in the liberal arts. There is also an option for a self-designed Honors Program for qualifying students.

## CAREER OPPORTUNITIES

More than ever, professional employers and many post-baccalaureate academic programs seek graduates that have a diverse background in the liberal arts and the skills to think critically, communicate effectively, and develop broadly. For this reason, the diversity of a degree in Interdisciplinary Studies uniquely prepares a student for a number of different careers and vocational pursuits. With the right combination of concentrations, the degree plan is especially designed for students interested in preparing for Medical School, Law School, or graduate school in Philosophy, Religion, Theatre, or other liberal art fields.

In addition, this degree plan offers students with professional interests an opportunity to develop a broad intellectual resource base as well as the reasoning, speaking, and writing skills sought by many employers.

## DEGREE REQUIREMENTS

### **BS with Interdisciplinary Studies Major with a concentration in Pre-Med.**

Allows students to incorporate a concentration specifically designed for Medical School and MCAT preparation into an Interdisciplinary degree.

### BA in Interdisciplinary Studies with Honors

Allows qualified students the opportunity to significantly design their own degree plan in line with specific interdisciplinary interests. The program gives qualified students a tremendous level of flexibility to pursue specific interests and to explore the creative possibilities of Interdisciplinary Studies. For a student to qualify, the following criteria must be met:

1. New students must have a minimum ACT score of 27 or a minimum SAT score of 1200, and must have graduated from High School with a GPA of 3.5 or higher and/or be in the top ten percent of their graduating class.
2. Transfer students or continuing Rochester students who wish to enroll in this degree can use their college performances as criteria. They must have completed at least 30 hours of college credit with a minimum GPA of 3.2, with at least two faculty recommendations.
3. In order to receive this Honors degree, students must graduate with a minimum GPA of 3.4. If the student's final GPA is below 3.4, then the "Honors" distinction will be dropped from the degree, and the student's program will be considered under the normal Rochester College academic guidelines, and count as a normal BA in Interdisciplinary Studies. Once the above criteria are met, the student must submit a proposal for his/ her self-designed program, meeting the requirements outlined below. Proposals must be outlined on the "Proposal/Rationale Form" (available in the Department of Interdisciplinary Studies), and must be submitted to and approved by a committee consisting of: the Head of the Department of Interdisciplinary Studies, the Provost and/or relevant Academic Dean, and one other appropriate faculty member that the committee will select. This process must be completed before 60 hours of credit is completed.

# Department of Physical Education

---

(PED)

Garth Pleasant (Chair)

## MISSION STATEMENT

---

The Department of Physical Education trains students to excel in team and individual athletics, develop lifetime fitness and mental wellness habits, and practice lifesaving techniques such as CPR and first aid.

## ACADEMIC OPPORTUNITIES

---

Physical education courses and varsity sports meet the general education requirement. They may be taken more than once for additional credit in subsequent semesters. A maximum of one credit per varsity sport is permitted each academic year.

## RELATED FACILITIES

---

Physical Education courses are offered in partnership with Lifetime Fitness located on Avon Road, east of the college. Courses offered with Lifetime include Rock Climbing 1 and 2, Cycling 50, and Swimming and Water Safety.

## CAREER OPPORTUNITIES

---

Graduates with backgrounds in Physical Education may become elementary or secondary school teachers and coaches, physical therapists, athletic trainers, aerobics instructors, personal trainers, sports managers, and recreation directors.

# Department of Religion and Bible

(BIB, GRE, HEB, MIN, REL)

John Barton, Craig Bowman, David Fleeer, Rex Hamilton, Keith Huey (Chair), David Keller, Rubel Shelly, Gregory Stevenson, Melvin Storm

## MISSION STATEMENT

The Department of Religion and Bible provides formal instruction in the Bible and religious topics. It seeks to encourage all students to pursue Christian faith, values, and service, and offers preparation for graduate studies or a vocation in Christian ministry.

## ACADEMIC OPPORTUNITIES

The Bachelor of Science degree supports formal preparation for Christian ministry or biblical studies. Rochester College also offers a Masters of Religious Education degree, and this program is described in a separate graduate catalog. Undergraduate degrees are available in biblical studies, Christian ministry, and youth and family ministry. A concentration in religion is available under the Interdisciplinary Studies program for those who are interested in vocational ministry or a degree plan that does not include biblical languages. Minors are offered in biblical studies, biblical languages, religion, or youth and family ministry.

## CAREER OPPORTUNITIES

BS graduates are well-prepared for several roles in Christian ministry. Common ministerial opportunities include preaching, local ministry, youth ministry, missions, and teaching. Graduates also find jobs at Christian youth camps and senior care facilities. The BS provides a foundation for graduate studies in religion.

## DEGREE REQUIREMENTS

### **BS with Biblical Studies Major**

Foundational courses feature textual Bible, historical and doctrinal religion, Hebrew, and Greek. The biblical studies major provides maximum flexibility in course selection for students with a variety of interests includ-

ing those who plan to seek biblical studies at the graduate level or teach religion at a Christian institution. This major also benefits students who want to increase their Bible knowledge while engaged in liberal arts studies at the Bachelor's degree level.

# Department of Science and Mathematics

(BIO, CHE, MAT, NSC, PHS)

David Brackney (Chair), Michael Muhitch,  
Gary Turner, Vivian Turner, Carol Van Hooser

## MISSION STATEMENT

The Department of Science and Mathematics exists to provide entry-level Biology, Chemistry, Natural Science, Physics, and Mathematics courses that introduce students to the tremendous complexity and diversity found in all living things, and to the elements of the physical world in which they live. The Department strives to enhance each student's appreciation for God's role in the creation and function of the biological and physical world. It also encourages an awareness of humanity's relationship with all creation, and the need for the responsible stewardship of natural resources. In Mathematics courses, the Department seeks to increase the quantitative skills of students, to train them to think logically in preparation for other courses and situations in which mathematics occurs, and to increase their confidence in their ability to do mathematics.

## ACADEMIC OPPORTUNITIES

The Department of Science offers an Integrated Science major, a Biology Education major, and a Biology Education minor for students who plan to seek state teacher certification. Also, Biology, Chemistry, Natural Science, and Physics courses meet general education core requirements for all degrees at Rochester College. A General Science and Pre-Med concentration is available to students majoring in Interdisciplinary Studies. A General Science or Biology minor may be combined with any academic major. The following options are available to students who are interested in studying mathematics at Rochester College:

- Students may certify to teach mathematics at the elementary or secondary level.
- Students may pursue a BS degree in interdisciplinary studies and select mathematics as a concentration. This option allows students to study mathematics and a second academic field such as behavioral science, business, communication, history, or music.

- Students may pursue a bachelor's degree through another department and select mathematics as a minor.

## CAREER OPPORTUNITIES

---

Graduates with a background in science may play essential roles in several science-related fields such as education, medicine, pharmacy, veterinary science, engineering, environmental biology, environmental science, and other scientific fields.

Many careers require analytical and critical thinking skills taught in mathematics. The importance of mathematics in many academic and professional fields means that many professionals must utilize mathematical skills on a regular basis. With a background in mathematics, students may pursue a wide range of career options in such fields as business, government service, industry, and teaching. Students may also choose to continue their studies with graduate work in such fields as computer science, economics, mathematics, or statistics.

## DEGREE REQUIREMENTS

### BS with Biology Education Major

Students may seek teacher certification at the secondary level. In addition to completing a content area major, students must complete the professional studies core and a subject area minor from English, history, or mathematics.

## School of Business

---

(ACC, BUS, CIS, FIN, MGT, MKT, SMG)

Jeff Cohu, Dannette Cagnet, David Hutson, Larry Norman, Joseph Reddick, Scott Samuels, Jeffery Simmons (Chair), Dan Sorensen

## MISSION STATEMENT

---

The mission of the school of Business is to prepare young men and women for lives of ethical service and professional achievement in a competitive world. We will achieve this mission by providing a challenging and innovative business program to compliment a liberal arts education in an environment that reflects Christian principles and high moral and ethical standards.

## ACADEMIC OPPORTUNITIES

---

Students who seek the Bachelor of Business Administration degree may choose a major in accounting, business communication, management, marketing, or sports management. The BBA provides a broad base of

business training and the opportunity to focus on a particular discipline. A business concentration is also available under the Bachelor of Science degree in interdisciplinary studies. Minors in business, management, marketing, and sport management are also available.

## CAREER OPPORTUNITIES

---

The Rochester College BBA pays big dividends. Whether it's at a Fortune 500 multinational or a small business, professionals who hold the BBA are well-prepared to succeed in modern business. A required business internship provides practical development and useful network contacts that lead to the right job after graduation.

## ADMISSION TO THE SCHOOL OF BUSINESS

---

All students seeking a degree with a major in business must apply for and be admitted to the School of Business prior to enrolling for any upper-level course offered by the School of Business. This process is separate from and in addition to the general admittance to Rochester College.

# Department of Teacher Education

---

(EDU, RDG)

Vikki Bentley (Chair), Ann Bryan, James Dawson,  
Linda Park, Caye Randolph

## MISSION STATEMENT

---

The mission of the teacher education program at Rochester College is to prepare teachers of understanding with Christian values who can effectively serve in the diverse and challenging schools and global communities of the twenty-first century. Graduates of the program are teachers of understanding because they have gained a rich liberal arts education, acquired specialized knowledge in academic content areas, and completed a Professional Studies program. They are teachers with integrity because they have developed Christian values and high ethical standards. Lastly, they have hearts to serve because they have developed the attitudes and dispositions necessary to act as change agents in the diverse and challenging schools and communities in the twenty-first century.

## ACADEMIC OPPORTUNITIES

---

Rochester College is authorized by the Michigan Department of Education to recommend teacher candidates to the state for certification. Candidates for Elementary Certification may major in one or more of the following content areas: English Education, History Education, Integrated Science Education, Language Arts Education, Elementary Math Education<sup>1</sup>, and Social Studies Education. Secondary candidates may receive certification in one or more of the following content areas: Biology Education, English Education, History Education, Secondary Math Education<sup>1</sup>, and Music Education<sup>2</sup>.

## CAREER OPPORTUNITIES

---

Graduates who receive Elementary Certification may teach all subject areas in grades K-5 or in their major and minor content areas in grades 6-8, and all subject areas in grades K-8 in self-contained classrooms. Graduates who receive Secondary Certification may teach in grades 7-12 in their major and/or minor content areas.

<sup>1</sup> Under review by the Michigan Department of Education

<sup>2</sup> Under development to be submitted to MDE during 2006-2007

## PROFESSIONAL CERTIFICATION

Since the process of becoming a teacher includes both a baccalaureate degree and professional certification, students must declare their intent as early as possible in order to plan with an education advisor. The advising process is a critical aspect of teacher preparation; for example, with some courses, it is possible to meet both General Education and Teacher Education requirements at the same time.

	Elementary	Secondary	
	Major	Major	Minor
Biology		x	x
English	x	x	x
History	x	x	x
Integrated Science	x		
Language Arts	x		
Mathematics <sup>1</sup>	x	x	x
Music (K-12) <sup>2</sup>		x	
Social Studies	x		

Education advisors ensure that students have met all teacher preparation requirements, and work with each student to plan appropriate progress toward the completion of the majors and minors. Content areas currently under review by the Michigan Department of Education include Elementary and Secondary Mathematics Education. Content areas under development include K-12 Music Education. Students who wish to pursue other content area majors and minors recognized by MDE should contact an education academic advisor to determine the best way to complete requirements. Endorsements in the content areas listed above are offered to post baccalaureate students seeking teacher certification. Post baccalaureate students must also meet all of the MDE's Standards, Rules, and Guidelines for Elementary and Secondary Provisional Certification. Students must complete the college's Christian Values requirement, a teachable major and/or minor and all coursework and field experiences in the Professional Studies component.

The Professional Studies component consists of 36 semester hours of coursework and field experiences that recognize the continuum of professional development from novice to master teacher. This component is offered in four sequentially structured phases that guide prospective teachers through the preservice levels of the teaching profession.

# Technical and Professional Studies Program

---

## TECHNICAL DEGREE OPTIONS

---

The Bachelor of Science (BS) degree with a major in technical and professional studies allows students to incorporate technical training from another institution (a certificate program) into a bachelor's degree. In effect, any completed technical certificate (from an approved institution) that carries 24-50 credit hours can serve as one of the concentrations in this degree program. Whenever possible, students interested in this degree plan should complete all other degree requirements at Rochester College and then pursue the technical training as a block. If the student is entering an approved certificate program and has informed the College of Business and Professional Studies, then it is not necessary to complete 24 of the last 36 hours at Rochester College (as stipulated on page 50). Students may choose to take classes at another institution to meet the technical part of their degree while co-enrolled at Rochester College. In such a case the student must work out all of the issues related to scheduling, financial aid, full-time status, and sports eligibility. Furthermore, transfer students who have at least 24 hours of technical or technical related courses (but have not received a certificate) can count those hours as a technical concentration in this degree plan if they are willing to sign a waiver acknowledging that their technical training does not officially qualify them for employment in a technical field. For these waivers, see the College of Business and Professional Studies.

Below is a list of some of the technical certificate programs that are available at recognized institutions such as Macomb Community College and Oakland Community College. This list simply represents some available options; these institutions may adjust their programs and offerings.

### At Macomb Community College:

Architectural Drawing	EMT (paramedic, fire fighting)
Automobile Technology	Fire Science
Civil Technology	Law Enforcement
Climate Control Technology	Media and Communication Arts
Construction Technology	Medical Assistant / Surgical Tech.
Culinary Arts/Hospitality	Quality Systems Technology
Electronics Technology	Tool Fixture and Die Design

### At Oakland Community College:

Automotive Servicing	Exercise Science and Technology
Computer Aided Design / Drafting	Fire Fighter Technology

Computer Aided Engineering Tech.  
 Comp. Hardware Engineering Tech.  
 Conference and Court Reporting  
 Criminal Justice  
 Electrical Trades Technology  
 Electronic Technology

Gerontology  
 Landscape Design / Horticulture  
 Library Technical Assistant  
 Machine Tool / Welding Tech.  
 Pharmacy Technology  
 Photographic Technology

**BS with Technical and Professional Studies Major**

Allows students to incorporate technical training from another institution (e.g. from a certificate program) into a degree in professional studies.

REQUIREMENTS FOR THE BS IN TECHNICAL AND PROFESSIONAL STUDIES		
General Education Core		51
Liberal Arts Core		15
Courses completed for this core must be divided among at least three liberal arts areas, not including courses from the first and second areas of concentration. General education hours may not be used to meet this requirement. Nine of the fifteen hours must be Upper-Division.		
Professional Studies Major		hours will vary
First Area of Concentration <sup>1</sup> : at least 24 hours. Must include at least 8 Upper-Division hours, and be selected from the following concentration options:		
Behavioral Science	General Science	Religion
Business	Mathematics	
Communication	Professional Writing	
Second Area of Concentration: at least 24 hours. This concentration must be selected from recognized certification programs of recognized technical training institutions. See the department director for a list of available options. Transfer students who have at least 24 hours of technical or technical related courses but have not received a certificate can count those hours as a technical concentration and receive the B.S. in Technical and Professional Studies, if they are willing to sign a waiver acknowledging that their technical training does not officially qualify them for employment in a technical field.		
Electives		hours will vary
<b>TOTAL FOR TECHNICAL AND PROFESSIONAL STUDIES MAJOR</b>		<b>128</b>

<sup>1</sup> Refer to p. 81 for Professional concentration requirements.

# Course Descriptions

Rochester College uses a four-digit course numbering system. In each course number, the first digit represents the course level; freshman level courses begin with "1," sophomore courses begin with "2," junior courses "3," and senior courses "4." Courses that begin with "1" or "2" are lower-division and courses that begin with "3" or "4" are upper-division. The second digit of each course number is the subdivision within the academic department. The third digit represents the sequence within each departmental subdivision. The fourth digit stands for the number of credit hours in the course.

**BIB 4193 History and Theology of the Old Testament**

This course is an exploration of history and theology in dynamic relationship within the Old Testament. Various theological perspectives within the Old Testament will be examined in light of the historical background and crises which offer a concrete context for their development. The means of examination will be a contextual-ideological approach to reading the Old Testament that pays special attention to the socioeconomic, political, religious, and community aspects of diverse theological views that form and reform across the long history represented in the Old Testament. Prerequisite: BIB 2983.

**BIB 4213 Luke/Acts**

The birth and expansion of the early church in a historical, textual, and theological study of the book of Acts. Highlights the relevance of Acts to the contemporary church. Prerequisite: BIB 2983.

**BIB 4233 Synoptic Gospels**

Contextual study of the life and teachings of Jesus Christ, stressing the history, text, theology, and interrelationship of Matthew, Mark, and Luke. Prerequisite: BIB 2983.

**BIB 4253 1 and 2 Corinthians**

Historical, textual, and practical study of Paul's letters to the church in Corinth. Explores problems in the early church and application of Christian principles to problem solving in the contemporary church. Prerequisite: BIB 2983.

**BIB 4263 Gospel and Letters of John**

Studies the gospel of John and 1, 2, and 3 John. Highlights the nature of Christ and early church problems. Prerequisite: BIB 2983.

**BIB 4293 History and Theology of the New Testament**

This course is an exploration of history and theology in dynamic relationship within the New Testament. Various theological perspectives within the New Testament will be examined in light of the historical background and historical crises which offer a concrete context for their development. Prerequisite: BIB 2983.

**BIO**

**Biology Courses**

**BIO 1002 Environmental Science**

Current environmental issues that contribute to understanding

humanity's responsibility for the earth's resources. Includes the study of acid rain, greenhouse effect, and toxic waste.

**BIO 1003 Environmental Science**  
CEL only.

**BIO 1012 Biological Science I**

Topics from BIO 1014 for non-science majors. Meets first ten weeks of semester. Lecture only.

**BIO 1014 Biological Science I with Lab**

Cellular structure and function, cell division and reproduction, genetics, metabolism, and development. For non-science and beginning majors. 3 hrs. lecture and 3 hrs. lab, weekly. \$35 Lab fee.

**BIO 1022 Biological Science II**

Topics from BIO 1024 for non-science majors. Meets first ten weeks of semester. Lecture only.

**BIO 1024 Biological Science II with Lab**

Plant and animal anatomy and physiology, ecology, and evolution. For non-science and beginning majors. 3 hrs. lecture and 3 hrs. lab, weekly. \$35 Lab fee.

**BIO 1102 Nature Study**

Ecology and identification techniques for plant and animal phyla. Meets first nine weeks of semester.

**BIO 1124 Zoology**

Major phyla of the animal kingdom, including the basic principles of comparative anatomy, physiology, morphology, behavior,

and ecology. 3 hrs. lecture and 3 hrs. lab, weekly. \$35 Lab fee.

### **BIO 2013 Introduction to Human Anatomy and Physiology**

A nonlaboratory study of the functioning of the human body with an emphasis on the interaction of organs and systems. Discussion of disease prevention and health are also included.

### **BIO 2114 Human Anatomy and Physiology I**

Structure and function of the muscular, skeletal, nervous, and endocrine systems, and how they work together to support the human body. Supplementary topics include cell biology and histology. 3 hrs. lecture and 3 hrs. lab, weekly. \$35 Lab fee.

### **BIO 2124 Human Anatomy and Physiology II**

Structure and function of the circulatory, lymph, respiratory, digestive, urinary, and reproductive systems. Supplementary topics include electrolyte, acid/base, and fluid balance. 3 hrs. lecture and 3 hrs. lab, weekly. \$35 Lab fee.

### **BIO 2224 Introductory Botany and Zoology**

Introductory anatomy, physiology, taxonomy and ecology for the major phyla of the plant and animal kingdoms. 3 hrs. lecture and 3 hrs. lab, weekly. \$35 Lab fee.

### **BIO 2313 Nutrition**

Principles of nutrition, metabolism, food values, and dietary requirements for healthy body maintenance and growth.

### **BIO 3213 General Ecology**

Basic ecological concepts with lab covering experimental designs and research methods used to study and interpret data. Biomes, community interactions, population dynamics, energy, and material flow. 2 hrs. lecture and 3 hrs. lab, weekly. \$35 Lab fee.

### **BIO 3324 Microbiology**

Fundamental concepts of microbiology with emphasis on the morphology and physiology of microorganisms. Includes applications of microbiology in medicine, food preparation, and industry. 3 hrs. lecture and 3 hrs. lab, weekly. Prerequisite: Grade of C in BIO 1014 or BIO 1124, or instructor permission. \$35 Lab fee.

### **BIO 3413 Genetics**

Structure and function of DNA, genes, gene expression, inheritance patterns, prokaryote and eukaryote chromosome structure, and modern gene technology.

### **BIO 4603 Methods & Assessment Strategies in Biology Education**

Capstone course in biology education major. Models research-based methods and assessment strategies for effectively teaching biological science in middle school and high school. Incorporation of national and state standards and curriculum, with a special emphasis on the Michigan Curriculum Framework. A supervised sixty hour field experience is required. Prerequisite/Co-requisite: Completion of subject area coursework. Co-requisite: EDU 4282.

**BUS****Business Courses****BUS 2403 Macroeconomics**

Supply and demand, public sector, role of government, and government monetary and fiscal policies.

**BUS 2413 Microeconomics**

Markets, competition, market power, labor markets, and government programs.

**BUS 3003 Business Communication**

Compositional techniques and audience analysis; enhancing the effectiveness of business letters, memoranda, and reports. Prerequisite: ENG 1113.

**BUS 3033 International Business**

Multinational businesses in diverse cultures, international politics and law, and the global economy; Marketing, finance, management, and strategy in global business. Prerequisite: BUS 2403.

**BUS 3303 Business Law I**

Contracts, commercial sales (Uniform Commercial Code), and torts. Uses case law method to illustrate legal principles.

**BUS 3313 Business Law II**

Business organizations, creditor's rights, trade regulation, and real property. Utilizes the case law method.

**BUS 3423 Studies in Economic Issues**

Basic economic principles including a variety of relevant topics from both microeconomics and macroeconomics. Includes such issues as economic analysis, supply and demand, role of government, world economics, fiscal policy, monetary policy, externalities and market failure, factor and product markets, and business ownership and organization. CEL only.

**BUS 4813 Internship**

Applies theory to "real world" field experiences related to the student's major through: a minimum of 150 hours work experience with an approved employer; completion of a work journal, internship reports; reading related professional materials; and completing all the components of the School of Business Portfolio. This course is graded on a pass/fail basis. Prerequisite: Instructor permission.

**BUS 4823 Business Strategy and Policy**

Exercises classroom concepts through computer-simulated case studies. Students analyze, develop, and implement strategies for "real world" business situations. This course serves as the capstone course of the BBA program for assessment purposes. Prerequisite: Senior. Completion of business core, except internship. Course Fee: \$25.

**BUS 4901/4902/4903****Directed Study in Business**

Independent study of topics not explored in regular business curriculum. May not substitute for required courses. Prerequisite: Permission of the Dean.

**BUS 4942 Ethics in Business**

Focus on ethical issues related to the business environment. Key areas of focus will include the following: ethical models and frameworks, individual rights and values, individual responsibilities, organizational rights and responsibilities, ethical policy development, the influence of organizational culture on ethical behavior, and the role of Christian principles and values on organizational life. Prerequisite: PHI 4932 and Senior status.

**BUS 4943 Ethics in Business**

CEL only.

**CHE****Chemistry Courses****CHE 1514 College Chemistry I**

Theory and quantitative principles of chemistry: Stoichiometry, atomic and molecular structure, gas law, thermochemistry, and solutions. 3 hrs. lecture and 3 hrs. lab, weekly. Pre/Co-requisites: MAT 1323 or MAT ACT of 24 or above. \$35 Lab fee.

**CHE 1524 College Chemistry II**

Continuation of CHE 1514. Includes equilibria, precipitation reactions in aqueous solutions, kinetics, acids and bases, oxidation-reduction reactions, coordination compounds, nuclear chemistry, and a brief introduction to organic chemistry. 3 hrs. lecture and 3 hrs. lab, weekly. Prerequisites: Grade of C or better in CHE 1514 and MAT 1323 or above. \$35 Lab fee.

**CHE 2514 Organic Chemistry I**

Structure, reactions, mechanism, and synthesis in the field of organic chemistry. 3 hrs. lecture and 3 hrs. lab, weekly. Prerequisite: CHE 1524. \$35 Lab fee.

**CHE 2524 Organic Chemistry II**

Continuation of CHE 2514. Reactions of aliphatic and aromatic compounds. Reaction mechanisms, multistep syntheses, heterocyclic compounds, amino acids, proteins, carbohydrates, and nucleic acids. 3 hrs. lecture and 3 hrs. lab, weekly. Prerequisite: CHE 2514. \$35 Lab fee.

**CHE 3514 Biochemistry I**

Structure and function of proteins, carbohydrates, and lipids. Enzyme mechanisms, kinetics, and regulation. Bioenergetics and catabolism. 3 hrs. lecture and 3 hrs. lab, weekly. Prerequisite: CHE 2514. \$35 Lab fee.

**CIS****Computer Systems  
Management Courses****CIS 1102 Software Applications  
of Computers**

Hands-on microcomputer training for current available software applications for data management, spreadsheets, and other applications. Stresses familiarity with PC operating environment.

**CIS 1103 Software Applications  
of Computers**

CEL only.

**CIS 3423 Database Management  
Systems**

Database design, data structures, and database administration in a business environment. Also, file processing with multiple databases.

**CIS 3513 Web-Based Application  
Development**

Current trends in electronic commerce, use of search engines, and other productivity tools. Examining and evaluating Web sites for design functionality, aesthetic appeal, and business utility. Development of Web site application involving current technologies.

**CIS 3523 Commercial Web Site  
Design**

Design, development, and management of Web sites for business, marketing, and e-commerce. Includes requirements for definition, developing identity,

site design, domain registration, determining access, posting a site to search engines, keeping a site current, and revision processes. Prerequisite: CIS 3513.

**CIS 4213 Decision Support and  
Expert Systems**

Presents the fundamentals of technological developments available for management decision-making and the manner in which they are being constructed and used. The course will differentiate between Decision Support Systems (DSS), Group Decision Support Systems (GDSS), Executive Information-Systems (EIS), Expert Systems (ES), and Artificial Neural Networks (ANN), and identify the roles and limitations of each in the decision making models of an enterprise. Prerequisite: MGT 3703.

**CIS 4313 E-Commerce**

Provides an overview of e-commerce issues and topics that will include business models, hardware platforms, security, payment methods, out-sourcing, and management. Will allow students to analyze and evaluate tools, techniques and methods for developing and implementing an e-commerce strategy. Hardware and software requirements and alternatives will also be assessed. Prerequisite: CIS 3413.

**CIS 4733 Project Management**

Introduces analysis requirements, budgets, risk assessment, and plan development of computerized information systems. Considers the context of the business

organization, using processes and management skills necessary for successful project management. Topics include project scope, estimating, scheduling, tracking and controlling. Prerequisites: MGT 3703 and CIS 4213.

## COM

### Communication Courses

#### **COM 1013 Communication Basics**

Theory and practice in a variety of communication contexts, including verbal, nonverbal, perception, and listening. Includes practice in organizing and delivering speeches.

#### **COM 2223 Public Speaking**

Public speaking theory and practice. Students prepare and deliver several types of speeches. Prerequisite: C- or better in COM 1013.

#### **COM 2233 Nonverbal Communication**

Theories and types of nonverbal communication and implementation of effective nonverbal communication strategies. Prerequisite: C- or better in COM 1013.

#### **COM 2253 Listening**

Theories and techniques of effective listening in interpersonal, intercultural, small group, and public contexts. Prerequisite: C- or better in COM 1013.

#### **COM 2513 Communication Theory**

Survey of communication theories and models upon which communication studies are built. Prerequisite: C- or better in COM 1013 and ENG 1123.

#### **COM 3513 Small Group Communication**

Theories and techniques for small groups in various settings. Prerequisite: C- or better COM 1013.

#### **COM 3523 Interpersonal Communication**

Elements of communication between two or more persons in family, social, work, church, and computer-mediated settings. Prerequisite: C- or better in COM 1013.

#### **COM 3533 Intercultural Communication**

Major theories and concepts involved in intercultural communication. Emphasis on increasing awareness of and sensitivity to persons of other cultures and/or co-cultures and improving personal effectiveness in intercultural communication. Prerequisite: C- or better in COM 1013.

#### **COM 4813 Senior Project**

Preparation of a major paper in an area of the student's interest. Prerequisite: Senior status and permission of instructor.

**COM 4893 Internship**

Supervised field experience in a setting related to a student's track, with application of theoretical knowledge. Includes outside reading and a written report. It is the student's responsibility to locate an internship. Prerequisite: Senior status and permission of instructor.

**COM 4943 Communication Ethics**

The major issues and perspectives involved in making ethical choices in communication. Prerequisite: Senior status.

**COM 4613 Special Topics**

Various Communication topics chosen by students or instructor.

**ECE**  
Early Childhood  
Education Courses

*\*All ECE classes for CEL only.*

**ECE 2413 Early Childhood Education**

An examination of the major theories and philosophies of early childhood education. Theories of child development are examined and applied to the use of space, materials, and personnel in providing the young child with an optimal environment in group settings.

**ECE 2423 Curriculum Methods**

Methods and materials used to provide developmentally appropriate

learning experiences for the young child are examined. Students will develop curriculum plans that encourage children's cognitive, emotional, physical, social, and spiritual development. Emphasis will be placed on the organization and evaluation of the early childhood learning environment.

**ECE 3243 Math & Science for Young Children**

Developmentally appropriate activities in the early childhood environment that encourage observation, exploration, inquiry, and the development of math and science concepts. Use of software that encourages math and science skills will be explored.

**ECE 3303 Legal Issues in Early Childhood Education**

General business law as it impacts early childhood settings. Includes such relevant topics as contracts, torts, employment law, business forms and their respective liability, reporting abuse and neglect, custody issues, licensing, and compliance.

**ECE 3323 Assessment of the Young Child**

Examination of both formal and informal measures used to observe and assess the physical, emotional, social, and intellectual development and growth of a young child. Emphasizes developmentally-appropriate instruments and alternative assessment procedures. The importance of assessment in evaluation, parent

communication, and classroom planning is emphasized Prerequisite: ECE 2413.

### **ECE 3423 Diversity Issues in Early Childhood**

Strategies for working effectively with children and families from diverse socioeconomic, ethnic, and cultural backgrounds. Issues of communication, family values, and child-rearing practices will be emphasized. Students will be encouraged to examine their own biases as they relate to professional practices.

### **ECE 3433 Creative Arts for Young Children**

Examination, rationale, and experiences in the creative use of art, music, movement, drama, literature, and storytelling. Prerequisite: ECE 2413.

### **ECE 4203 Family & Child Advocacy**

Focus on the role of the child care professional in advocating for the young child and empowering the family. Examination of the interaction between the family, community, and government agencies. Exploration of community and government resources available for family needs. Students will learn fundamentals of grant-writing.

### **ECE 4443 Emerging Language and Literacy**

Emphasis on the development of listening, speaking, pre-writing, and pre-reading skills in a developmentally appropriate context. Identifies and examines those

practices and experiences most useful for promoting competency and interest in reading and writing. Examines the use of technology in the classroom to promote literacy development. Prerequisite: ECE 2413.

### **ECE 4533 Family Support and Education**

Family dynamics, parenting styles, child guidance techniques, and their long-term impact on the development of the young child. Methods of supporting and educating families of young children to encourage social-emotional development, including working with special family circumstances.

### **ECE 4613 Special Needs Children and Families**

Issues faced by special needs children and the interventions that are available to them and their families. Special emphasis on parent-school communication and implications for planning in the classroom environment.

### **ECE 4623 Identifying and Serving the At-Risk Child**

Family and societal characteristics that place a child at risk for academic or social failure. Parenting practices, economic issues, health care, and community resources available for young children and their families.

**ECE 4653 Leadership Issues in ECE**

Analyzes and implements leadership and decision-making strategies in a professional setting. The course will focus on the characteristics of leadership, and the implications of both effective and ineffective leadership for organizations that serve young children. Students will develop a business plan for an early childhood organization. This course serves as a capstone course for the early childhood program for assessment purposes.

**ECE 4943 Ethics for Early Childhood Education**

Ethical standards of early childhood practitioners reviewed in the context of the State of Michigan Law and the National Association for the Education of Young Children (NAEYC) code. Contrasts philosophies of Biblical imperative and humanistic practice.

### **ENG 3213 British Writers I**

British writers of medieval times to the close of the 18th century, and characteristics of the literary periods. Prerequisite: ENG 1123.

### **ENG 3223 British Writers II**

British writers of the late 18th century to the early 20th century, and characteristics of the literary periods. Prerequisite: ENG 1123.

### **ENG 3313 American Writers I**

An analytical study of the development of American Literature from the Colonial era to the Civil War. Prerequisite: ENG 1123.

### **ENG 3323 American Writers II**

Major works from the Civil War to the present. Prerequisite: ENG 1123.

**ENG 3513 Critical Writing and Literary Analysis**

Advanced writing course on types of writing used to analyze literature. Analytical application of major literary criticism philosophies. Prerequisite: ENG 1123.

**ENG 3523 Creative Writing**

Creative writing theory and practice in a seminar setting; Composition of fiction, poetry, and/or drama. Also, sources of creative writing, characteristics of major genres, and process of revision and editing. Prerequisite: ENG 1123.

**ENG 3533 Technical Writing**

Scientific, business, and technical writing. Includes how to conduct research, write abstracts, and compose major reports. Also studies format of scientific and technical journals. Prerequisite: ENG 1123.

**ENG 3613 Introduction to Linguistics**

Basic concepts and methodology of the science of language: Descriptive and historical aspects, phonemic, morphemic, and syntactical features. Prerequisite: ENG 1123.

**ENG 4213 Shakespeare Comedies**

A critical study of Shakespeare's comedies synthesizing the historical, linguistic, theatrical, and cultural context of these writings. Prerequisite: ENG 1123 and 3513. Course fee: \$35.

**ENG 4223 Shakespeare Tragedies**

A critical study of Shakespeare's

tragedies synthesizing the historical, linguistic, theatrical, and cultural context of these writings. Prerequisite: ENG 1123 and 3513. Course fee: \$35.

**ENG 4233 Shakespeare Histories**

A critical study of Shakespeare's histories synthesizing the historical, linguistic, theatrical, and cultural context of these writings. Prerequisite: ENG 1123 and 3513. Course fee: \$35.

**ENG 4413 Pluralism in American Literature**

African, Asian, Arab, Hispanic, and Native-American voices in American literature. Required for English majors planning to teach. Prerequisite: ENG 1123 and 3513.

**ENG 4523 Advanced Composition**

Advanced writing, revision, and editing. Prerequisite: ENG 1123.

**ENG 4533 Senior Writing Project**

Student preparation of a major paper in an area of interest. Prerequisite: ENG 1123 and 3513.

**ENG 4593 Special Topics**

Various topics in English, chosen by students or instructor. Prerequisite: ENG 1123 and 3513.

**ENG 4603 Methods and Assessment Strategies in English Education**

Capstone course in the English Education major. Presents strategies, methods, and assessment for effectively teaching middle and high school English students. Using an integrated language arts perspective, teacher candidates research,

design and implement lessons that meet the state and national standards and gain practical tools to assess student growth. Emphasizes the development of professional practice through reading professional literature and participating in professional organizations. A supervised sixty hour field experience is required. Prerequisite/Co-requisite: Completion of subject-area coursework. Co-requisite: EDU 4282. Course fee: \$80.

### **ENG 4613 Advanced Literary Theory**

A continuation of ENG 3513: Philosophies of literary criticism. Prerequisite: ENG 1123 and 3513.

### **ENG 4713 Studies in Genre: Novels**

An analytical study of the structure of the novel in the context of selected novels including critical and literary analysis of each narrative. Prerequisite: ENG 1123 and 3513.

### **ENG 4723 Studies in Genre: Short Story**

Literary analysis of selected short stories. Prerequisite: ENG 1123 and 3513.

### **ENG 4733 Studies in Genre: Poetry**

Literary analysis of selected poetry. Prerequisite: ENG 1123 and 3513.

### **ENG 4743 Studies in Genre: Drama**

Literary analysis of selected dramas. Prerequisite: ENG 1123 and 3513.

### **ENG 4753 Advanced Studies in Poetry**

In-depth analysis of selected poetry. The student will recognize and understand thematic concerns that spring from different cultures, events, and historical contexts. Prerequisite: ENG 1123 and 3513.

### **ENG 4811 Senior Seminar**

Required capstone course for English majors designed to assess student and program progress. Prerequisite: ENG 1123.

Vocabulary-building and complex grammatical construction. Stresses the spoken language and French culture. Prerequisite: FRE 1214 or three semesters of high school French.

**GEO**

## Geography Courses

**GEO 1013 Introduction to Geography**

A survey of the basic geographic concepts, terms, and methods used in the earth science, culture-environmental, locational, and area analysis traditions. Emphasis on religion, population, language, traditions, and urbanization.

**GEO 3113 World Regions**

An examination of the political, economic, cultural, and environmental dynamics that shape the major world regions. Evaluations include Africa, Asia, Anglo-America, Europe, the Commonwealth of Independent States, Latin America, the Middle East, and the Pacific Islands.

**GER**

## German Courses

**GER 1214 Elementary German I**

Basic vocabulary, grammar, and practice in understanding, speaking, writing, and reading German.

**GER 1224 Elementary German II**

Vocabulary-building and complex grammatical construction. Stresses the spoken language and German culture. Prerequisite: GER 1214 or three semesters of high school German.

**GRE**

## Greek Courses

**GRE 1213 Elementary Greek I**

Part one of this three-part course introduces students to the fundamentals of Koine Greek. The focus is on memorization of vocabulary and paradigms, and learning the syntax and grammatical constructions of the language. CEL only.

**GRE 1214 Elementary Greek I**

Basic Koine Greek. Highlights the importance and function of Greek language in the writing of New Testament books and letters.

**GRE 1223 Elementary Greek II**

Part two of this three-part course continues the foundational language study of the first part. Students will continue exploration of vocabulary, paradigms, syntax, grammar, and parsing as they hone their translation skills. CEL only.

**GRE 1224 Elementary Greek II**

A continuation of GRE 1214 that includes selected readings from the New Testament. Prerequisite: GRE 1214.

**GRE 1233 Elementary Greek III**

Part three of this three-part course concludes the introduction to the basic building blocks of the Koine Greek language and prepares the student for reading the New Testament. Students will read selections from the New Testament in Greek. CEL only.

**GRE 3314 Intermediate Greek Grammar**

Selected readings from the Greek New Testament, with an emphasis on advanced features of grammar and syntax. Prerequisite: GRE 1224.

**GRE 3413 Advanced Greek Readings I**

Selected readings from the Greek New Testament. Prerequisite: GRE 3314.

**GRE 3423 Advanced Greek Readings II**

Selected readings from the Greek New Testament. Prerequisite: GRE 3314.

**HEB**

Hebrew Courses

**HEB 1214 Elementary Hebrew I**

Basic principles, grammar, and vocabulary needed to translate from the Hebrew Bible.

**HEB 1224 Elementary Hebrew II**

Continuation of HEB 1214; additional grammatical and vocabulary skills. Includes readings from the Hebrew Bible. Prerequisite: HEB 1214.

**HEB 3413 Advanced Hebrew Readings I**

Selected Readings from the Hebrew Old Testament. Prerequisite: HEB 1224.

**HEB 3423 Advanced Hebrew Readings II**

Selected Readings from the Hebrew Old Testament. Prerequisite: HEB 1224.

# HIS

## History Courses

### **HIS 1313 Survey of Western Civilization I**

Examines major events, people, institutions, and ideas in the development of Western civilizations. Includes ancient Egypt, Greece, and Rome, the rise of Christianity, Medieval Europe, Byzantine and Islamic Empires, and the Renaissance-Reformation era.

### **HIS 1323 Survey of Western Civilization II**

Examines Western development since the Reformation. Themes include exploration and discovery, the Enlightenment, political and industrial revolution, the rise of democratic, socialist, and nationalist ideologies, imperialism, World Wars and the Cold War.

### **HIS 2113 Michigan History**

Significant events and people in the state's history from European settlement to the present.

### **HIS 2513 United States History I**

Surveys American political, economic, social, religious, and intellectual development from colonization to 1900. Includes European settlement, the American Revolution, growth of democracy, westward expansion, slavery, Civil War, Reconstruction and industrialization.

### **HIS 2523 United States History II**

Surveys America's political, economic, social, religious, and intellectual development from 1900 to the present. Highlights include industrialization and social reform, world wars, prosperity and depression, Cold War, Civil Rights, and the era of global markets.

### **HIS 3313 French Revolution and Napoleonic Era**

Highlighting institutional, ideological, and social change, this course examines the origins, development, and impact of the French Revolution and Napoleonic Empire among the great transforming periods in Western history.

### **HIS 3323 Nineteenth-Century Europe**

Examines political, economic, ideological, social, cultural, and technological developments in Europe from 1815 to World War I. Topics include the Industrial Revolution and its effects, liberalism and democracy, socialism, nationalism, and imperialism.

### **HIS 3423 Emerging Nations**

This course evaluates patterns of political, social, religious and economic development in Africa, Asia, Latin America and the Middle East. Regional case studies focus on flashpoints within each realm and possible solutions to bring the regions into the global community.

**HIS 3503 Women in American History**

This course surveys the status and contributions of women in each of the important eras of American history and examines the legal status of women from feme covert to 21st century gender equity. The role of feminist heroes and pioneers as well as the social-economic status of the majority of American women is presented. The early struggles for equality and suffrage are traced to present day issues of gender discrimination. The focus is on the role of women as political and cultural leaders.

**HIS 3513 American Diplomatic History**

A critical look at major issues in American foreign policy from the birth of the Republic to the present. Interpretive examination covers origins of American diplomacy, expansionism, the Civil War, imperialism, world conflicts and the Cold War.

**HIS 3523 Colonial and Revolutionary America**

Examines the colonial heritage and founding years of the United States. Major topics include European colonization, English colonial politics and cultures, immigration and slavery, imperial relations, the Revolutionary War, and the U.S. Constitution.

**HIS 3533 The Early American Republic**

Examines developments in the first decades of the United States

under the Constitution. Includes the rise of political parties, age of Jefferson, War of 1812, Market Revolution, revival and reform, Jacksonian democracy, expansion and war, slavery and sectionalism.

**HIS 3543 The Gilded Age and Progressive Era**

The developments in America that gave rise to big business, economic reactions, and social reform efforts. Areas of interest include the rise of industry and its relation to growth, urbanization, immigration, the labor movement, Populism and Progressivism.

**HIS 3553 America in World Crises**

An overview of the major twentieth-century upheavals that brought America into its dominant position in the world theater. An examination is given to the World Wars, the Depression and New Deal, and related political changes.

**HIS 3603 Methods and Assessment Strategies in History Education**

Capstone course in the History Education minor. Presents research-based methods and assessment strategies for effectively teaching middle and high school History and Social Studies. Incorporates national and state standards and curriculum, with a special emphasis on the Michigan Curriculum Framework. A supervised thirty-hour field experience is required. Prerequisite/Corequisite: Completion of history education minor coursework.

**HIS 3813 Historical Research and Writing**

An introduction to upper level historical study, this course examines the history, nature, sources, and methods of historical investigation and writing. Guided assignments, including a major research paper, exercise learned skills.

**HIS 4323 Twentieth-Century Europe**

Examines major events, ideas, people, and institutions in the most violent century of human history. Covered topics include the impact of World War I, democracy and totalitarianism, World War II, the Cold War, decolonization, and the aftermath of communism.

**HIS 4503 Methods and Assessment Strategies in Social Studies Education**

Capstone course in the Social Studies Education major. Presents research-based methods and assessment strategies for effectively teaching elementary and middle school Social Studies. Incorporates national and state standards and curriculum, with a special emphasis on the Michigan Curriculum Framework. A supervised sixty-hour field experience is required. Prerequisite/Corequisite: Completion of subject-area course-work. Co-requisite: EDU 4282. Course fee: \$80.

**HIS 4513 American Civil War Era**

Examines the origins, course, and aftermath of the Civil War. Emphasis is given to the political, cultural, economic, racial, and religious

context of secession, the presidency of Lincoln, major military campaigns, and Reconstruction efforts.

**HIS 4523 Cold War America**

Examines the rise and fall of the Cold War and its impact on American foreign and domestic policy. Topics include Cold War origins and alliances, the American economy and society, Civil Rights movement, Vietnam, Watergate, and the Reagan era.

**HIS 4603 Methods and Assessment Strategies in History and Social Studies Education**

Capstone course in the History Education major. Presents research-based methods and assessment strategies for effectively teaching middle and high school History and Social Studies. Incorporates national and state standards and curriculum, with a special emphasis on the Michigan Curriculum Framework. A supervised sixty hour field experience is required. Prerequisite/Co-requisite: Completion of subject-area coursework. Co-requisite: EDU 4282. Course fee: \$80.

**HIS 4613 Selected Topics in History**

American or European history topics chosen by students or instructor.

**HIS 4813 Senior Project in History**

Capstone course for history majors. Supervised research project on a selected historical problem, culminating in a formal paper and presentation. Prerequisite: HIS 3813.

## INS

### International Studies Courses

#### **INS 2113 Aesthetics**

This course exposes students to major artists, their works, and artistic developments in European civilization. Emphasis is given to the cultural sites and artistic works encountered in the Vienna Study Program. This course is designed to take advantage of the sightseeing and travel opportunities afforded by the international studies experience.

#### **INS 2123 Language and Culture**

This course teaches practical basics of the German language for use in everyday life situations in speaking, reading and writing, and gives necessary information to help students better understand Austrian culture in order to enhance the GEO Vienna experience.

#### **INS 3113 Studies in European Civilization**

This course examines major political, economic, social, cultural, ideological, and religious developments in European civilization. Emphasis is given to the history, prominent figures, and cultural sites of the cities and regions students encounter on the Vienna Study Program. This course is designed to take advantage of the travel opportunities afforded by the GEO international study experience.

## JRN

### Journalism Courses

#### **JRN 1101 Newspaper Journalism**

Credit for satisfactory work on the College newspaper. Students may serve on the newspaper staff every semester but credit is limited to three. Prerequisite: Instructor permission.

#### **JRN 2101 Yearbook Journalism**

Credit for satisfactory work on the College yearbook. Students may serve on the yearbook staff every semester but credit is limited to three. Prerequisite: Instructor permission.

## MAT

### Mathematics Courses

#### **MAT 1003 Beginning Algebra**

The real number system, fundamentals of algebra, linear equations, graphs, functions, exponents, polynomials, factoring, solving equations, and applications. Required if Math ACT is 17 or below.

#### **MAT 1103 Intermediate Algebra**

Continuation of MAT 1003. Review of factoring and solving equations, systems of equations, rational expressions and equations, functions, radicals, complex numbers, quadratic equations and inequalities, introduction to exponential and logarithmic functions. Prerequisite:

Minimum Math ACT of 18 or minimum grade of C- in MAT 1003.

**MAT 1203 Survey of Mathematics**

An overview of the essence of mathematics and its applications for the non-science, non-mathematics student. Emphasis will be placed on the development of critical thinking skills, reasoning abilities, and problem solving skills. Topics may include, but are not limited to, sets, algebra, geometry, consumer math, linear equations, systems of equations, formulas, and application problems. CEL only.

**MAT 1312 Trigonometry**

Trigonometric functions of angles and real numbers, right triangle trigonometry, Law of Sines, Law of Cosines, trigonometric graphs, trigonometric identities, trigonometric equations, inverse trigonometric functions, and applications. May include complex numbers, DeMoivre's Theorem, or vectors. Prerequisite: Math ACT of 25 or above, or minimum grade of C- in MAT 1103. Course fee: \$45.

**MAT 1323 College Algebra**

Equations, inequalities, relations, functions, graphs of functions, composition of functions, inverse functions, polynomial and rational functions, exponential and logarithmic functions, systems of equations, Gaussian elimination, and partial fractions. May include conics, sequences, summation notation, geometric series, or mathematical induction. Prerequisite: Math ACT of 25 or above, or minimum grade of C- in MAT 1103. Course fee: \$45.

**MAT 1335 Pre-Calculus**

Combines MAT 1312 and MAT 1323 into one course. Prerequisite: Math ACT of 25 or above, or minimum grade of C- in MAT 1103. Course fee: \$45.

**MAT 2213 Math for Elementary Teachers I**

Number sense and numeration, whole number operations, fractions, decimals, computational algorithms, patterns, relations, functions, and informal algebra. Emphasizes content with references to NCTM standards, MDE benchmarks, and materials and strategies appropriate to teaching elementary school mathematics. Satisfies general education requirement for prospective students seeking elementary certification. Prerequisite: Grade C- or better in MAT 1003 or Math ACT of 18 or above. Course fee: \$30.

**MAT 2223 Math for Elementary Teachers II**

Properties of two- and three-dimensional geometric figures, similarity and congruence, common and metric measurement, introductory statistics and probability. Emphasizes content with references to NCTM standards, MDE benchmarks, and materials and strategies appropriate to teaching elementary school mathematics. Satisfies general education requirement for prospective students seeking elementary certification. Prerequisite: Grade C- or better in MAT 1003 or Math ACT of 18 or above. Course fee: \$30.

**MAT 2233 Finite Mathematics**

Linear equations and straight lines, matrices, systems of linear equations, Gaussian and Gauss-Jordan elimination, linear programming and the simplex method, sets and counting, probability, mathematics of finance, difference equations, and graph theory. Course fee: \$45.

**MAT 2413 Elementary Statistics**

Descriptive statistics, introductory probability, probability distributions, binomial and normal distributions, estimation, hypothesis testing, linear regression and correlation, and applications. May include multinomial experiments, statistical process control, or non-parametric statistics. Prerequisites: Minimum Math ACT of 18 or minimum grade of C- in MAT 1003.

**MAT 2515 Calculus and Analytic Geometry I**

Limits and continuity, differentiation and applications, integration and area, calculus of transcendental functions, and an introduction to applications of integration. Prerequisite: Minimum Math ACT of 27 and sufficient high school preparation or a minimum grade of C- in MAT 1335. Course fee: \$45.

**MAT 2524 Calculus and Analytic Geometry II**

Continues MAT 2515. Further integration applications and techniques, L'Hopital's rule, improper integrals, infinite series, conics, parametric equations, and polar coordinates. Prerequisite: Minimum grade of C- in MAT 2515. Course fee: \$45.

**MAT 3303 Modern Algebra**

Concepts of groups, rings, integral domains and fields, and abstract reasoning. Prerequisite: MAT 2524.

**MAT 3333 Algebraic, Proportional, and Mathematical Reasoning**

Development of algebraic and proportional reasoning as well as an examination of reasoning and proof through logic, conjecture, argument, and formal proof. Also entails an examination of the relationships between the aforementioned concepts. Emphasis is placed on problem solving strategies and concept development. Prerequisites: MAT 2213 and 2223.

**MAT 3343 Geometry for Elementary Teachers**

Examination of two and three-dimensional geometric objects using different representational systems, transformations and symmetry, and problem solving involving geometry. Includes technology and manipulatives for the geometry classroom. Prerequisite: MAT 2223.

**MAT 3534 Calculus and Analytic Geometry III**

Continues MAT 2524. Vectors and the geometry of space, vector-valued functions, functions of several variables, and multiple integration. May include an introduction to vector analysis and/or differential equations. Prerequisite: C- in MAT 2524. Course fee: \$45.

**MAT 3613 Linear Algebra**

Systems of linear equations, matrices, determinants, vector

spaces, inner product spaces, eigenvalues and eigenvectors, and linear transformations. May include linear programming. Prerequisite: Minimum grade of C in MAT 2524.

### **MAT 3623 Differential Equations**

First-order and higher-order differential equations, series solutions, Laplace transforms, and mathematical models. May include systems of linear first-order differential equations and numerical methods. Prerequisite: Minimum grade of C in MAT 2524. Course fee: \$45.

### **MAT 4503 Methods and Assessment Strategies in Elementary Math Education**

An introduction to curriculum and standards, instructional and assessment practices, monitoring of effectiveness of teaching strategies, use of visual and physical materials for exploration and development of mathematical concepts, use of technology, research, groupings and cooperative learning in the classroom, planning and preparing lessons using strategies based on current research and curriculum standards, and preparing for the MEAP test. A supervised sixty-hour field experience is required. Prerequisite/Co-requisite: Completion of subject-area coursework, Senior standing. Co-requisite: EDU 4282. Course fee: \$80.

### **MAT 4603 Methods and Assessment Strategies in Secondary Math Education**

An introduction to curriculum and standards, instructional and as-

essment practices, monitoring of effectiveness of teaching strategies, use of visual and physical materials for exploration and development of mathematical concepts, use of technology, research, groupings and cooperative learning in the classroom, planning and preparing lessons using strategies based on current research and curriculum standards, and preparing for the MEAP test. A supervised sixty-hour field experience is required. Prerequisite/Co-requisite: Completion of subject-area coursework, Senior standing. Co-requisite: EDU 4282. Course fee: \$80.

### **MAT 4653 College Geometry**

Euclidean, hyperbolic, spherical, finite, fractal, and taxi-cab geometries, including applications to real life situations, use of multiple geometry software programs, and some pedagogy for Secondary Mathematics Education students. Prerequisite: MAT 2524.

### **MAT 4952/4962 Senior Math Seminar**

The history of mathematics as well as issues involved in mathematics education. This includes curriculum, standards, and the professional mathematics teaching community. Includes a look at the roles of both women and minorities in mathematics. This course concentrates on the development of a scientific paper in the field of mathematics.

# MED

## Media Courses

### **MED 2013 Introduction to Mass Communication**

Survey of the history, types, and uses of mass communication.

### **MED 2513 Media Writing**

Writing for news, features, public relations, advertising, and marketed materials. Prerequisite: ENG 1123.

### **MED 2613 Introduction to Public Relations**

An overview of public relations theory, strategy and practical techniques as used by corporations, non-profit groups and other organizations. The course focuses on ways to communicate and promote products, services, images and ideas to various publics. Prerequisite: C- or better in COM 1013.

### **MED 3003 Media and Society**

An in-depth exploration of the role and impact of media in society.

### **MED 3013 Media Theory**

Analysis and criticism of modern theories of media and mass communication.

### **MED 3323 Research Methods in Media**

Quantitative analysis of media and media audiences. Prerequisite: MED 3013 or COM 2513.

### **MED 3513 Public Relations Writing and Visual Design**

Writing for internal and external public relations, including media kits, newsletters, websites, advertising and direct mail. Includes basic principles of graphic design and instruction on page layout software. Prerequisite: MED2513

### **MED 3633 Media Criticism**

Theory and practice in the analysis of various types of media, from various perspectives. Prerequisite: C- or better in COM 2513.

### **MED 4113 Media Law**

Survey of historical and current legal decisions that shape the role of the media and its function in society. Includes legal philosophies affecting the media and its employees. Prerequisite: MED2013.

### **MED 4323 Public Relations Campaigns and Strategies**

Designed for the senior public relations major to analyze, develop and implement a PR plan and portfolio for a real world client. Prerequisites: MED2613, MED3513

### **MED 4613 Special Topics**

Various Communication topics chosen by students or instructor.

### **MED 4813 Senior Project in Media**

Guided research leading to a major paper in an area of the student's interest. Also requires a formal presentation at the Academic Symposium. Prerequisite: Senior status and permission of instructor.

**MED 4893 Media Internship**

Supervised field experience in radio, television, or public relations, with application of theoretical knowledge. Includes outside reading and a written report. Prerequisite: Senior status and permission of instructor.

**MED 4943 Media Ethics**

The major issues and perspectives involved in making ethical choices and/or evaluations in mediated messages. Prerequisite: Senior status.

**MGT****Management Courses****MGT 1001 Basic Skills in Leadership**

Provides an in-service for student organizational leaders (Student Government in particular) for training in the elemental leadership components such as meeting management, goal setting, budgeting, event planning, proposal writing, time management, spiritual foundation, and discovering good leadership qualities.

**MGT 2603 Principles of Management**

Role of management in every profession and the past, present, and future of fundamental management principles. Also, planning, organization, and systems control in an effective operation.

**MGT 3603 Organizational Behavior**

Human and organizational theories in planning, organizing, directing, and controlling. Understanding of organizational behavior and communication used to plan, implement, and evaluate organizational processes. Prerequisite: MGT 2603.

**MGT 3613 Human Resource Management**

Policy planning and implementation that affects an organization's people. Includes acquisition, development, compensation, evaluation, and termination of employees. Discusses new laws, trends, and ethics. Prerequisite: MGT 2603.

**MGT 3623 Human Relations in the Workplace**

Self-awareness, group dynamics, human interaction, free expression, optimal listening, and group participation barriers. Values and roles in workplace communication and decision-making. Prerequisite: MGT 2603.

**MGT 3643 Labor Relations**

History, methods, and roles of organized labor in the settlement of disputes and organizational issues. Prerequisite: MGT 2603.

**MGT 3653 Leadership Theory**

Modern and historic leadership theories and their application to management situations. Also, effective leadership and overcoming leadership barriers. Prerequisite: MGT 2603.

**MGT 3663 Training and Development**

In this course, the student will learn how to 1) identify training and development needs through needs assessments, 2) analyze jobs and tasks to determine training and development objectives, 3) create appropriate training objectives, 4) design effective training and development programs using different techniques or methods, 5) implement a variety of different training and development activities, and 6) evaluate training and development programs. Prerequisite: MGT 2603.

**MGT 3683 Small Business Management**

Small business management concepts and principles, including managerial concerns facing entrepreneurs. Prerequisite: MGT 2603.

**MGT 3693 Current Topics in Management**

Current and emerging management topics not featured in other management courses but worth further exploration based on their potential impact.

**MGT 3703 Management Information Systems**

Informational challenges organizations face when engaged in the decision-making process. Includes analysis of information systems, communication theory, flow of information, and methods for gathering, disseminating, and controlling information. Prerequisite: MGT 2603.

**MGT 3713 Operations Management**

Operational issues in the production of goods and services: Forecasting, capacity planning, facility location and layout, materials requirement planning, scheduling, and statistical quality control methods. Prerequisite: MAT 2413, MGT 2603.

**MGT 3723 Non-Profit Management**

Critical management issues in non-profit organizations. Key topics include start-up strategies, legal status, strategic planning, managing volunteers, budgeting, marketing and public relations, fundraising strategies, and performance measurement. Emphasis will be given to ministry and faith-based organizations.

**MGT 4123 Financial Planning and Control Systems**

A qualitative analysis of organizational planning and control systems with emphasis on providing leadership in forecasting and budget development, processes, and administration among individuals and teams. This includes examination of the role of budgetary processes in conjunction with development of organizational vision and strategic planning initiatives to involve all employees of the organization. CEL only.

**MGT 4723 Leadership Seminar**

Explores contemporary leadership theories and analyzes, develops, and implements leadership and decision making strategies

for “real world” situations. The course will focus on the characteristics of leadership, the manner in which communication impacts leadership effectiveness, and the implications of both effective and ineffective leadership for organizations. This course serves as a capstone course for the Organizational Leadership and Communication program for assessment purposes. CEL only.

## MIN

### Ministry Courses

#### **MIN 1411 Ministry Practicum**

Practical experience in ministry in a local church or other religious organizations or program. Opportunities for ministry experiences include: assisting in a youth ministry program, preaching, church education, assisting in a Christian service project, or participating in a short mission trip. A minimum of 3 hours of hands-on ministry activity per week is required for credit.

#### **MIN 2401/2402/2403 Missions Outreach Internship**

Extended congregational or mission work during spring break or a summer mission campaign. Credit proportional to length of campaign.

#### **MIN 2513 Theology of Ministry**

Through examination of the biblical narrative (with attention to historical and contemporary texts)

students will engage the question of the content and purpose of ministry, with special attention given to developing a theology of ministry in light of contemporary concerns such as gender roles, the place and function of worship, and the question of ministerial “offices,” and ethical issues that pertain directly to Christian ministers.

#### **MIN 2523 Theology and Practice of Social Justice**

An overview (and synthesis) of the biblical and historical foundations of social justice. Considers contemporary theologies of social justice as a Christian tradition, reflecting upon and practicing social justice in a contemporary setting. CEL only.

#### **MIN 3323 Introduction to Preaching**

Pulpit, classroom, and group methods of communicating the gospel. Sermon materials, preparation, and construction. Prerequisite: BIB 2983.

#### **MIN 3333 Introduction to Youth Ministry**

Explores relationship-based youth and family ministry. Focuses on the youth minister’s role in youth programs, meeting youth needs, and strengthening the family.

#### **MIN 3353 Religion, Media, and Youth Culture**

Exploration of the media’s impact within youth and adolescent culture. Includes both negative and positive perspectives on the role of Media (film, television, music,

video games, Internet, etc.), the treatment of morality and meaning in media, and the importance of these issues for the life of the church.

### **MIN 3363 Family Life Ministry**

A study of models for ministry to families in churches, with an emphasis on a systems approach to family ministry. Life cycle issues, church programming for families, and preventative planning will be studied.

### **MIN 3423 Issues in Culture and Evangelism**

Explores the biblical, theological, and cultural rationale for evangelism, paying special attention to the questions of content and function of evangelism, and the way the Christian message impacts (and is impacted by) various contemporary cultures.

### **MIN 3523 Ministry and Congregational Life**

Explores the practical activities of the congregational minister, with special attention to the wide variety of ministerial possibilities that might be pursued. Topics include administration and organization, teaching and education, ceremonial responsibilities (such as weddings and funerals), as well as matters of ministerial finance and legal obligations.

### **MIN 3533 Practical Issues in Missions and Ministry**

Focuses on practical issues that arise in different kinds of Christian ministry. Issues such as the following will be addressed: the

use of strategy in ministry; choices between ministerial forms and approaches; the place of charity in ministry; issues of personal safety, guilt, tragedy, compensation, criticism, disappointment, and diversity. Special attention will be given to issues involved in church planting and church nurturing ministries.

### **MIN 3613 Counseling for Ministers**

Biblical, psychological, and practical guidelines for counseling in a church setting.

### **MIN 3623 The Church and Society**

Explores the role of the church in society, theological centers that support evaluation of social institutions that call for Christian action, and the proper role of religion in public life.

### **MIN 4533 History and Theology of Preaching**

A study of the origin, development, and theology of preaching. Special attention given to the lives and sermons of outstanding preachers in the history of Christianity. Prerequisites: BIB 2983 and MIN 3323.

### **MIN 4873 Internship**

Apprenticeship in a religious organization: preaching, religious education, youth work, or personal evangelism. Requires a written activity report. May be completed during the fall or spring semesters, but internships typically take place during the summer, with enrollment in the

following fall term. Permission to enroll in MIN 4873 for academic credit is granted after consultation with the supervising professor and the completion of the internship work requirements. Prerequisite: Instructor permission.

## MKT

### Marketing Courses

#### **MKT 2503 Principles of Marketing**

Marketing to individuals and organizations, the modern business context, and the marketing mix: Product, price, promotion, and distribution.

#### **MKT 3513 Studies in Marketing**

Studies in Marketing will address the principles, concepts, and practices of marketing products and/or services in business and professional organizations; explore the impact of the marketing mix: product, price, promotion, and distribution on the organizations performance; and addresses the impact of political-legal, economic, social-cultural, and technological environments on the marketing mix and organizational strategic goals. CEL only.

#### **MKT 3523 Retail Marketing**

Product or service distribution to consumers, including retail environment, store location and characteristics, merchandising, and retail management. Prerequisite: MKT 2503.

#### **MKT 3533 Consumer Behavior**

Cultural, psychological, and behavioral factors that influence consumer motivation and values in the marketing process. Prerequisite: MKT 2503.

#### **MKT 3543 Integrated Marketing Communications**

Communication channels available for distribution of organizational or product information. Development, implementation, and control strategies in the complete promotional communication program which may include advertising, public relations, sales promotion, and personal selling. Prerequisite: MKT 2503, MKT 3553.

#### **MKT 3553 Marketing Research**

Marketing research processes, problem formulation, and the problem types addressed by market research. Highlights primary and secondary data collection methods, questionnaire design, and sampling plans. Includes analysis and interpretation of data and research formats. Prerequisite: MAT 2413, MKT 2503.

#### **MKT 3563 Professional Selling**

Sales fundamentals, including sales theory, sales techniques, and sales role playing. Charts the personal traits required for effective selling. Prerequisite: MKT 2503.

#### **MKT 3573 Service Marketing**

Aspects of service industry marketing, including the service environment, service strategies, managing service provisions, and marketing trends. Prerequisite: MKT 2503.

**MKT 3583 Business-to-Business Marketing**

The marketing process in the sale of goods and services to the organizational consumer. The complexities of buying groups, direct marketing, personal selling, and developing client relationships. Prerequisite: MKT 2503.

**MKT 3593 Current Topics in Marketing**

Seminar on current and emerging marketing topics not featured in other courses but worth further exploration based on their potential impact. Prerequisite: MKT 2503.

**MKT 4513 Marketing Management**

Analysis, planning, implementation, and control of programs designed to achieve a desired exchange of goods and services with target markets. This class serves as the capstone course of the marketing program for assessment purposes. Prerequisite: MKT 2503 and senior status.

**MUS****Music Courses**

*\*All private lessons have fees of \$265 per credit hour.*

**MUS 1011 Private Voice**

Private vocal instruction. One hour of credit yields 12 fifty-minute lessons. Numbering accounts for study level: e.g. MUS 2011, 3011, 4011. Prerequisite: Instructor permission.

**MUS 1021 Class Voice**

Voice training basics taught in a group setting. Students learn the physical and artistic skills for acceptable public performance. For beginning voice students and non-majors.

**MUS 1031 Private Piano**

One hour of credit yields 12 fifty-minute lessons. Numbering accounts for the level of study: e.g. MUS 2031, 3031, 4031. Prerequisite: Instructor permission.

**MUS 1041 Class Piano**

Basic piano instruction taught in a group setting. For beginning piano students and non-majors.

**MUS 1051 Private Guitar**

One hour of credit yields 12 fifty-minute lessons. Numbering accounts for study level: e.g. MUS 2051, 3051, 4051. Prerequisite: Instructor permission.

**MUS 1061 Private Strings**

Private instruction on orchestral strings. One hour of credit yields 12 fifty-minute lessons. Numbering accounts for study level: e.g. MUS 2061, 3061, 4061. Prerequisite: Instructor permission.

**MUS 1071 Private Woodwinds**

Private instruction on woodwind instruments. One hour of credit yields 12 fifty-minute lessons. Numbering accounts for study level: MUS 2071, 3071, 4071. Prerequisite: Instructor permission.

**MUS 1081 Private Brass**

Private instruction on brass instruments. One hour of credit yields

12 fifty-minute lessons. Numbering accounts for study level: MUS 2081, 3081, 4081. Prerequisite: Instructor permission.

Latin, Italian, German, and French diction and their application to choral and song literature. Emphasizes use of the International Phonetic Alphabet. This is a two-semester, sequential course of study (Prerequisite for MUS 2612: MUS 2602). Level I includes an introduction to IPA along with Latin and Italian. Level II includes German and French.

### **MUS 3202 Keyboard Harmony**

Improvisation of simple accompaniment using keyboard instruments. Includes interpretation of implied harmonies. Grade of C or higher satisfies the keyboard skills examination required for graduation. Prerequisite: MUS 2223 and four semesters of piano recommended, or instructor permission.

### **MUS 3213 Form and Analysis**

Structures and forms commonly used by composers of art music; Phrase structure and large forms including the fugue and symphonic forms. Prerequisite: MUS 1223.

### **MUS 3313 History of Western Music I**

Development of Western art music from Greek and Hebrew origins through the early Baroque era. Supervised listening lab. Prerequisite: MUS 1223.

**MUS 3323 History of Western Music II**

Offers a survey of music from the late Baroque, Classical, Romantic, and Modern eras. Prerequisite: MUS 1223.

**MUS 3333 World Music**

An overview of modern and historical music of the world including its influence on culture and its effects on our modern world. Emphasis on introducing the world of ethnomusicology to the student.

**MUS 3343 Music in America**

A survey of the history of music in the United States including native American music. European influences, and modern jazz and popular music.

**MUS 3403 Conducting**

Basic conducting and rehearsal techniques for directing instrumental and vocal ensembles.

**MUS 3603 Technology in Music**

Setup, design, and operation of computer music laboratory, including hardware and software appropriate to music production and education applications.

**MUS 4203 Counterpoint**

Contrapuntal voice leading from the 16th through the 18th centuries with focus on analysis and model composition. Prerequisite: MUS 1223.

**MUS 4213 Arranging and Scoring**

Practical techniques of arranging vocal and instrumental music for performance by individuals and ensembles of a variety of age

ranges and educational levels. Emphasis on music education applications and popular software packages.

**MUS 4403 Vocal Pedagogy**

Scientific and imagery-related techniques for teaching vocal production. Includes history of voice teaching.

**MUS 4413 Instrumental Techniques**

Playing techniques for string, woodwind, brass, and percussion instruments. Includes historical development of instruments.

**MUS 4601 Senior Seminar in Music**

Capstone course for all music majors. Includes preparation for post graduation life and music program assessment. Prerequisite: Senior status.

**MUS 4623 Senior Recital**

Preparation and performance of an hour long recital. Required of all performance majors. Prerequisite: Senior status.

**NSC****Natural Science Courses****NSC 1002 Earth Science**

Geology and meteorology, earth's composition, atmosphere, internal and external processes, and plate tectonics.

**NSC 1003 Earth Science**

CEL only.

**NSC 1004 Earth Science with Lab**

Topics covered include: Earth's composition, internal and external processes, plate tectonics, map reading and interpretation, geologic structures, history of astronomy, the solar system, classification and formation of stars and galaxies, and cosmology. Includes a lab component. \$35 Lab fee.

**NSC 2204 Natural Science Field Study**

Various geological, environmental, conservation, and climate topics are explored in a field study experience. Specific topics covered will depend on the locations visited. Counts as a lab course. Travel fee variable.

**NSC 2314 Science Foundations I**

Chemistry and Life Science. Designed for elementary teachers. Atoms, molecules, and matter; plants, animal life, genetics, the food cycle, changes in digestion, and ecosystems. 3 hrs. lecture and 3 hrs. lab, weekly. Prerequisite: MAT 1003. \$35 Lab fee.

**NSC 2324 Science Foundations II**

Astronomy, Earth Science, and Physics. Basic science concepts primarily for pre-service elementary teachers. Solar system, earth's structure, and the laws and forces which govern earth and the universe as a whole. 3 hrs. lecture and 3 hrs. lab, weekly. Prerequisite: MAT 1003. \$35 Lab fee.

**NSC 3114 Earth's Waters**

Range of human understanding and interaction with water from seas, streams, lakes, groundwater, glaciers, precipitation, and the atmosphere. Emphasizes man's impact on water as a resource. Includes laboratory component. \$35 Lab fee.

**NSC 4503 Methods and Assessment Strategies in Integrated Science Education**

Capstone course in the integrated science education major. Models research-based methods and assessment strategies for effectively teaching integrated science in elementary grades K-5, and biology, chemistry, physics, and earth/space science in middle school. Incorporation of national and state standards and curriculum, with a special emphasis on the Michigan Curriculum Framework. A supervised sixty-hour field experience is required. Prerequisite/Co-requisite: Completion of subject-area coursework. Co-requisite: EDU 4282.

**NSC 4612 Senior Seminar**

Conduction of a scientific research project in consultation with a science-faculty advisor. Includes design, data collection, identifying and manipulating variables, organization and analysis of data, evaluation, and communication. Required for graduation. Taken in the final six hours of the program.

**NSC 4901/4902/4903/4904****Topics in Science**

Presentation of paper or project. Four credits maximum. Prerequisite: Instructor permission.

**PED****Physical Education Courses**

*Activity Courses satisfy the PED general education requirement.*

**PED 1011 Individual Sports**

Badminton, pickleball, swimming, rock climbing, bowling, and others. Course fee: \$70.

**PED 1021 Team Sports**

Teamwork, communication, and principles of successful team-building. Includes floor hockey, flag football, volleyball, basketball, soccer, towel ball, speed ball, and team mat ball.

**PED 1071 Conditioning**

Basics of diet, stress management, cardiovascular exercise and weight training.

**PED 2012 Officiating**

Officiating methods and principles: Officiating objectives, conduct, conflict management, and psychology. Examines officiating techniques for baseball, basketball, football, soccer, softball, and volleyball. Some practical experience through intramural and intercollegiate programs. Health Courses are required by some

programs and count as elective credits but do not apply toward the general education requirement.

**PED 2002 First Aid**

American Red Cross Standard and Advanced First Aid Procedures. Includes National Safety Council exam.

**PED 2003 Personal and Community Health and Safety**

Personal and community health and safety.

**Varsity Sports**

Rochester College offers men and women several options for inter-collegiate athletic competition. Varsity sports taken for academic credit satisfy general education requirements.

**PED 2221 Varsity Baseball**

Intercollegiate competition for men.

**PED 2231 Varsity Basketball**

Intercollegiate competition for men.

**PED 2271 Varsity Soccer**

Intercollegiate competition for men.

**PED 2421 Varsity Softball**

Intercollegiate competition for women.

**PED 2431 Varsity Basketball**

Intercollegiate competition for women.

**PED 2461 Varsity Volleyball**

Intercollegiate competition for women.

**PED 2471 Varsity Soccer**

Intercollegiate competition for women.

**PED 2541 Varsity Cross Country**

Intercollegiate competition for men and women.

**PED 2641 Varsity Track**

Intercollegiate competition for men and women.

**PHI****Philosophy Courses****PHI 2013 Introduction to Philosophy**

Students will be introduced to philosophers and philosophical ideas, and will explore the value and contribution of philosophy. The class will also have an interdisciplinary flavor which will explore the ways that philosophy relates to and undergirds other disciplines including religious studies, social studies, political and economic theory, and science.

**PHI 3003 Worldviews and Culture**

An introduction to cultural theory and different worldviews. Emphasis given to the way worldviews shape and are shaped by experiences and perspectives.

**PHI 3013 Human Nature**

Truly an interdisciplinary class. Professors from different fields (such as philosophy, psychology, political theory, and theology) will

share the teaching load to consider the topic of human nature and destiny from the perspectives of their different fields.

**PHI 3023 Philosophy of Religion**

A selection of philosophical explorations related to religion and religious faith, such as the relationships between faith and reason, between religion and science, between good and evil, and between different religions.

**PHI 3033 Free Will and Determinism**

Truly an interdisciplinary class. Professors from different fields (such as philosophy, psychology, political theory, and theology) will share the teaching load to consider, from their respective fields, the topics of human choice and responsibility, justice and punishment, and predestination.

**PHI 3043 African Philosophy and the African-American Experience**

This class has two intermingled parts. First, an exploration of the field of African Philosophy including emphases on ethnophilosophy, the "Professional Philosophers," the question of identity, and the issues of tradition, modernity, and the colonial and postcolonial experiences. Secondly, an exploration of the African-American experience as understood through its connections to and similarities with African Philosophy, as well as to that which makes it uniquely American. Prerequisite: Senior status.

**PHI 4933 Introduction to Ethics**

CEL only.

**PHS****Physics Courses****PHS 2013 General Physics I**

Fundamentals of mechanics, thermodynamics, and sound. Prerequisite: MAT 1335. Corequisite: PHS 2211.

**PHS 2023 General Physics II**

Magnetism, electricity, optics, light, and atomic physics. Prerequisite: PHS 2013. Corequisite: PHS 2221.

**PHS 2211 Physics Lab I**

Experiments with motion, mechanics, energy, thermodynamics, momentum, waves, and sound. Corequisite: PHS 2013 or PHS 2514. \$35 Lab fee.

**PHS 2221 Physics Lab II**

Experiments with circuits, electricity, optics, Bohr Theory, and magnetism. Corequisite: PHS 2023 or PHS 2524. \$35 Lab fee.

**PHS 2514 Engineering Physics I**

Classical mechanics and thermodynamics for science, mathematics, physics, or engineering majors. Prerequisite: MAT 2515, and prior or concurrent enrollment in PHS 2211.

**PHS 2524 Engineering Physics II**

Continuation of PHS 2514. Topics include electricity, light, and magnetism. Prerequisite: Grade of C or better in PHS 2514, and prior or concurrent enrollment in PHS 2221.

**PHS 3004 Astronomy**

History of astronomy, the solar system, classification and formation of stars, galaxies, and cosmology. Includes laboratory and observational investigations. Prerequisite: MAT 1103. \$35 Lab fee.

**PHS 3513 Modern Physics**

Relativity, kinetic theory, quantization, atomic physics, molecules, solids, nuclei, and elementary particles. Prerequisites: PHS 2023 or 2524.

## POS

### Political Science Courses

#### **POS 2013 National Government**

An introduction to the political dynamics and Capital constitutional bases of the American Government. The three branches are examined as they act in concert and in conflict. Several models of decision-making are covered.

**THE 4143 Theatre and Religion**

Surveys the historical relationship between theatre and religion including pagan worship, liturgical presentations, and mystery plays. Discusses current conflicting views regarding the role of theatre in the 21st century church, including drama in evangelism (and in the teaching of children), and Christian participation in secular theatre. Prerequisite: COM 2513 or THE 3603.

**THE 4813 Senior Writing Project**

Preparation of a major paper in an area of the student's interest. Prerequisite: COM 2513 or THE 3603.

**THE 4893 Internship**

Supervised field experience in theatre context with application of theoretical knowledge. Includes outside reading and a written report. Prerequisite: Senior status.

# Center for Extended Learning

The mission of the Center for Extended Learning is to extend the mission of Rochester College by making post-secondary education available to the adult learner. This education is characterized by academic excellence, life relevance, and Christian foundation.

## OVERVIEW

---

The Center for Extended Learning (CEL) designs its programs to meet the needs and schedules of adult learners. Courses in the accelerated Bachelor's degree completion programs and accelerated Associate of Arts program are available on evenings, weekends, on-line, or by directed study.

The CEL distinguishes adult learners from traditional students, who immediately go to college after high school. While the CEL and traditional program share the same objectives, the CEL program is tailored to fit the unique needs of the non-traditional student.

The CEL faculty consists of full-time instructors along with working professionals who share their professional experience on a part-time basis. Instructors abide by ethical and Christian principles and expect the same from their students.

## DEGREE OPPORTUNITIES

---

The CEL offers degree completion programs at Rochester College's main campus in Rochester Hills, the Macomb Community College University Center in Clinton Township, the Mott Community College University Center in Flint, and the Specs Howard School of Broadcast Arts in Southfield. For more information, call the CEL at 248.218.2222.

### CAMPUS OFFERINGS

#### **Main Campus Degree Completion Program Offerings:**

- Bachelor of Business Administration (BBA) with a Management major (p. 181).
- Bachelor of Science (BS) with a Biblical Studies major (p. 182).
- BS with a Counseling Psychology major (p. 183).
- BS with an Early Childhood major (p. 184).
- Associate of Arts (AA)—p. 180

#### **Macomb University Center Degree Completion Program Offerings:**

- BS with a Counseling Psychology major (p. 183).
- BS with an Early Childhood major (p. 184).
- BS with a Organizational Leadership and Communication major (p. 186).

#### **Mott University Center Degree Completion Program Offerings:**

- BS with a Counseling Psychology major (p. 183).
- BS with an Early Childhood major (p. 184).
- BS with Organizational Leadership and Communication major (p. 186).

#### **Specs Howard School of Broadcast Arts Degree Completion:**

- BBA with a Management major (p. 181).
- BS with a Mass Communication major (p. 185).
- Associate of Arts (p. 180).

### PROGRAM FEATURES

#### **Program Design**

- Each Bachelor's degree completion program requires a total of 120 semester hours
- Each Bachelor's degree completion program requires 75 semester hours of foundation credit. This includes general education, technical, occupational, and elective courses.
- Each Bachelor's degree completion core is 45 semester hours.
- The AA requires 62 semester hours and may be applied toward foundation requirements for a Bachelor's degree program.

### **Program Schedules.**

- Classes meet once per week for 4 hours during the evenings or on Saturdays.
- Courses meet for eight weeks.
- Evening classes usually meet 6-10PM.
- Saturday classes usually meet 8 AM-12 PM or 12:30-4:30 PM.
- Each of the three semesters per year consists of two eight-week sessions.
- This accelerated schedule helps CEL students finish their programs much more quickly than is possible in a traditional program.

### **Program Length.**

The length of time it takes to finish the CEL program depends on how many credits the student transfers from other schools and the pace he or she chooses. As few as three hours or as many as 18 hours may be taken each semester. Students who have completed the foundation requirements (see degree requirements) may finish the Bachelor's degree completion program in as few as 12 months if they assume a full schedule each semester for their specific program.

Students may complete the AA degree faster than the normal two year time frame depending on how many credits they transfer from other colleges and how many courses they take each semester. Students who do not transfer any college credit may complete the AA program in as few as 18 months. Students may enter the AA program to meet Bachelor's degree foundation requirements, earn the AA degree, or both.

## **ADMISSION REQUIREMENTS**

The Center for Extended Learning has developed accelerated academic programs designed to serve the needs of adult learners. The characteristics of adult learners are carefully considered in the design of the program and the minimum requirements for entrance to the program are reflected in the admissions policy.

Regular admission to the Center for Extended Learning is granted to students who meet the following criterion:

- 23+ years of age or have 3 or more years of full-time work experience.
- Have a high school diploma with a minimum GPA of 2.25 or a GED\* or have 17 or more semester hours with a minimum GPA of 2.25 from a regionally accredited post-secondary institution.

*\*The minimum GED score prior to 2002 must be at least a 50. Beginning in 2002, the requirement is a minimum total score of 2,250 with no single test score below 410 on all tests in the test battery. Regular admission to the University Center and off-site Degree Completion Programs is granted to graduates of the host institution who have a minimum GPA of 2.25.*

Regular admission to a bachelor degree completion program requires a minimum of 60 semester hours. Adult learners who have less than 60 semester hours may be admitted to the accelerated Associate of Arts program to fulfill this requirement and/or work on additional foundation credits.

Admission to the Bachelor of Science in Early Childhood Education program requires current employment in the early childhood field.

A student may petition for provisional admission with academic alert status to the accelerated Associate of Arts program if he or she does not meet the regular admission requirements. If the student's GPA is below a 2.25 the petition must include a written rationale for why he or she believes they will succeed in a challenging accelerated adult program. If the student is below 23 years of age and has less than 3 years of full-time work experience then he or she must significantly document that his or her primary life identity has moved beyond that of a traditional student. A range of factors may be considered, such as independence from parents, prior work experience, current employment, prior academic performance, marital status, children, etc.

Provisionally admitted students must finish foundation credits through the Associate of Arts program prior to being accepted into a Bachelor's degree completion program. Completion of 12 or more semester hours at Rochester College with a minimum GPA of 2.0 will allow the student to be removed from academic alert.

### **Transfer Policy**

The CEL accepts traditional transfer credit (C- or higher) from regionally accredited colleges or universities. Up to 47 semester hours may transfer toward an associates degree and up to 90 semester hours may transfer toward a bachelor degree completion program. A maximum of 50% of a bachelor degree major's core requirement may be transferred to Rochester College. Official transcripts must be submitted from each previously-attended institution. See the non-traditional credit section for information regarding credit from institutions that are not regionally accredited.

A student may transfer a maximum of 3 credit hours in remedial English or Writing and 3 credit hours in remedial Mathematics for a maximum total of 6 hours of remedial transfer credit. Remedial courses may not be counted toward General Education requirements.

## ACADEMIC AND GENERAL POLICIES

### Academic Alert/Suspension

If your cumulative grade point average drops below 2.00, you are placed on academic alert.

To be taken off academic alert, you must earn a cumulative grade point average higher than the levels indicated above during the first semester after being placed on alert. If you fail to earn the necessary cumulative grade point average during the semester that you are on alert, the following semester you will be placed on academic suspension. The only exception to this is that no student will be suspended following a semester in which they earn a 2.00 or higher for that semester (in which case the student would continue on alert).

Academic suspension is one semester in length. Students pursuing a degree through the Center for Extended Learning are not allowed to take courses during the semester in which they are on suspension. To return at the end of an academic suspension the student must submit a written appeal to the Associate Dean of CEL. The Associate Dean of CEL will forward the written appeal to the Academic Life Committee. The decision of the Academic Life Committee is final.

### Attendance

Regular class attendance is a necessary prerequisite for success in college studies. Thus, students are expected to attend classes regularly and punctually. If more than 30 percent of a course is missed for any reason, then it will be necessary to drop the course and take it at another time. Failure to drop a course with more than 30 percent absence will result in a grade of F.

NOTE: Only two absences are allowed in an eight week course, but this is not an entitlement and there are consequences to absences.

### Christian Values Requirement for Accelerated Degree Programs

Religion courses are essential to the degree programs offered by Rochester College. The CEL Christian Values Requirement (CVR) is 6 hours for the Accelerated Associate of Arts Program. There is a minimum of 6 hours for the Accelerated Bachelor's Degree Program, but the total CVR depends on how many hours a student transfers from another college (see the following chart). The minimum CVR is 12 hours for students seeking both the AA and the Bachelor's degree.

NOTE: Courses taken to meet the CVR for the AA degree may not be applied to the minimum CVR for the Bachelor's degree.

Credits Transferred	Religion Requirement
0-29	12 hours
30-59	9 hours
60+	6 hours

### **Course Load**

Accelerated programs require a concentrated effort to meet course objectives. The average CEL course load is between nine and 12 hours per semester. Students may take as few as three hours or as many as 18 hours per semester. The Associate Dean of CEL must approve course load that exceeds 18 hours per semester.

### **Dual Enrollment Policy**

This policy impacts students who wish to take courses from both the Center for Extended Learning and one of the traditional colleges. Note: The designation of “traditional student” or “CEL Student” is determined by the college through which the student is pursuing a degree (i.e. Center for Extended Learning or one of the traditional colleges: College of Arts and Sciences, or the College of Business and Professional Studies).

- Traditional students are eligible to enroll in a course in the CEL program only if they meet all of the CEL’s regular admissions requirements.
- CEL students may enroll in courses in any other college with the restrictions outlined in this policy.
- Traditional students who take CEL courses will be charged the traditional college’s tuition rate. CEL students who take traditional courses will be charged the traditional college’s tuition rate.
- Crossover enrollment between the CEL and traditional colleges is allowed on a space available basis only. Determination regarding available space will be made no later than the day preceding the start of the course(s) in question.

### **Honors**

Graduates must complete a minimum of 45 semester hours of course work at Rochester College in order to be eligible to graduate with honors. The 45 hours must be actual courses taken at Rochester College, and cannot include credit earned through nontraditional provisions such as testing, professional schools and training, and prior learning portfolio.

### **Nontraditional Credit**

Rochester College recognizes that many people approach higher education with a variety of different experiences and training which has provided knowledge that is equivalent to college level learning; therefore, the College provides non-traditional avenues through which students can receive credit. Avenues for obtaining nontraditional credit at Rochester College include testing services, professional schools and training (30 hours maximum), and prior learning portfolio (30 hours maximum). Students may receive a combined maximum of 30 credit hours toward the Associate of Arts degree and 60 credit hours toward a Bachelor’s

degree through nontraditional avenues. Credit granted through nontraditional provisions may not count toward the 30-hour residency requirement or the Christian Values Requirement. Credit granted through the submission of portfolios must be completed before the last full semester prior to graduation or the student will not be permitted to graduate.

Note: Portfolio credit from other colleges is not automatically accepted as transfer credit; however, students may submit portfolios completed at other institutions for evaluation by Rochester College faculty.

### **On-Line / Web-Enhanced Courses**

Rochester College offers a variety of selected online courses. Online courses serve a two-fold purpose. First, online courses add flexibility in scheduling for adult learners. Secondly, they ensure that graduates have demonstrated their ability to function effectively and productively in the computer environment within their given discipline.

Students taking online courses are required to attend two meetings:

- **WebCT Training Workshop:** Students are required to attend a WebCT training workshop only once during their enrollment at Rochester College. This must be taken prior to the initial in-class meeting with the instructor.
- **Initial in-class meeting with the instructor:** Students are required to attend the initial in-class meeting with the instructor for each online course. Failure to attend the initial in-class meeting will result in an administrative withdrawal from the online course.

Online courses are 9 weeks in length. Students are required to have a computer with a Pentium processor (300Mhz or faster), with Microsoft Word 2000 (or newer), Internet access, and an email account prior to enrolling in an online course. Students can access online courses through the WebCT course management system by logging into <http://warrionet.rc.edu>. Students are expected to participate actively in the online course a minimum of four days each week. All online courses may be accessed any time night or day. Students should allot as much or more total time than a regular classroom course would require. Online courses assume that adult students are able to comfortably navigate the computer environment (if not, CIS 1103 is recommended before taking an online course), be self-directed and require reduced dependence on the instructor for learning while studying course material and fulfilling course requirements.

### **Program Objectives File**

All new students enrolling in a bachelor degree completion program must complete a program objectives file prior to graduation. This file

serves as an assessment tool for three different aspects of the program: Writing Proficiency Evaluation, Program Objectives, and Degree Program Evaluation.

- **Writing Proficiency:** Students in the Center for Extended Learning must demonstrate writing proficiency by submitting copies of 4 major papers written as a part of the regular course requirements during enrollment in the program. Selected papers must be 5 pages or longer (not including cover and reference pages). The papers will be placed in the student's individual program objectives file. All of the papers submitted to the file must receive a grade of "C" or higher from the instructor for which the paper was written. Papers with a grade lower than a "C" will not be accepted. The college will retain this file.
- **Program Objectives:** The subjects and courses for which the 4 major papers must be written is dependent upon the program in which the student is enrolled. Eligible courses must be 3000 or 4000 level.
- **Degree Program Evaluation:** The student must submit a program evaluation that measures the student's perspective of the overall degree program from which they are graduating. The Degree Program Evaluation Form may be obtained from the main CEL office or a University Center Office.

Listed by major, the following chart indicates the four classes or areas from which the papers must be submitted.

Note: The program objectives file is a graduation requirement and a diploma or final transcript will not be released without this requirement being fulfilled.

### **Residency Requirement**

Students must complete at least 30 credit hours at Rochester College for the Bachelor's degree or 15 credit hours for the AA. Students must also complete a minimum of 30 of the last 36 credit hours for the Bachelor's degree or the last 15 credit hours for the AA at Rochester College.

### **Registration and Course Drop Deadline**

Eight-week courses may not be added after the second class meeting. Courses that are dropped after the first class meeting receive a grade of "W" (withdrawal). The last day on which a student may drop a course is the day immediately following the fifth meeting of the course. For directed study, independent study, and on-line courses, the withdrawal deadline comes 35 calendar days from the start date. After this deadline, courses cannot be dropped and a "W" cannot be assigned.

### **Student Housing**

CEL programs primarily serve working adult students who commute to the Rochester College campus or a satellite. For this reason, the College normally does not make on-campus housing available to CEL students; however, in special cases the College may grant temporary on-campus housing to a CEL student on a space available basis. In rare instances when a CEL student is granted temporary on-campus housing, he or she must adhere to all rules, regulations, policies, expectations, and financial obligations of traditional boarding students.

### **Upper-Division Requirement**

At least 36 credit hours of upper-division work is required for any Bachelor's degree.

## CEL TUITION AND FEES

The tuition and fee structure in the Center for Extended Learning differs from the structure that is used in the traditional program. Differences exist because the costs associated with administering and supporting nontraditional programs are substantially less than those required for the full infrastructure needed to operate and administer a residential campus for traditional students.

## GENERAL PAYMENT INFORMATION

---

Rochester College's continued success in its mission and growth depends on the timeliness of its students' payments. Rochester College expects accounts to be paid on time according to one of the payment options listed below. All fees are assessed and payable in U.S. dollars.

### **Cash/Check/ Money Order**

Checks and money orders should be made payable to Rochester College and brought in or mailed to the Business Office.

### **Credit Card**

Credit card payments may be made in person or called in directly to the cashier at 248.218.2051. An automatic charge may be established for the semester payment plan; a form will need to be completed and given to the Business Office each semester.

## PAYMENT OPTIONS

---

### **Personal Payment**

Prior to the first day of the semester students may pay all charges remaining after financial aid to avoid service charges and late fees.

### **Employer Reimbursement**

Students who qualify for employer reimbursement may defer payment up to 5 weeks after the last day of the semester. To qualify for deferred payment, the student's employer must NOT require proof of payment in full before reimbursement. If proof of payment is required, you may not defer payment, and you must follow one of our other payment options. Students must submit (to the Business Office) their employer reimbursement policy and documentation from their employer that verifies their eligibility. This documentation must be on file for students who have an outstanding balance and would like to register for a subsequent semester.

### **Tuition Voucher**

If an employer has a policy to pay the college directly, this is referred to as a Tuition Voucher plan. Rochester College requires that the student submit vouchers (or a copy of the application for a tuition voucher) to the Business Office with registration. Documentation must be on file with the business office in order to be eligible to register for subsequent semesters as long as there is an outstanding balance.

### **Semester Payment Plan**

Students who are unable to pay the full amount due at the time of registration are offered the semester payment plan. Students pay one-third of the total semester bill, after deducting completed financial aid credits,

at the time of registration, and the remaining two-thirds in two equal monthly payments due on the dates indicated at the top of the next page. There is a \$40 fee per semester for use of the payment plan. Students may be charged a \$25 late payment fee if payments arrive after the due date. This option may not be available to students who have a history of late payments or have had a previous Rochester College account placed with a collection agency.

Fall Semester	Spring Semester	Summer Semester
August 18	January 5	April 27
September 20	February 15	May 20
October 20	March 15	June 20

## DELINQUENT ACCOUNTS

---

### Past Due Accounts

Rochester College cannot release transcripts until all accounts are paid in full and Perkins loan payments are current. No diploma or letters of recommendation will be granted to students with past due accounts. Students with delinquent accounts (past due 20 days or more) will not be allowed to register. A finance charge of 1.5% (18 APR) is applied monthly to delinquent accounts. Nonpayment of delinquent accounts may result in suspension or placement of the account with a collection agency.

### Collection Agency Placements

Accounts placed with a collection agency will be charged collection costs, and possible legal fees. The payee becomes responsible to the collection agency for all contact and payment arrangements. Readmission to the College will not be permitted until the amount in collections is paid in full. A list of collection agencies used by the College may be found on the Rochester College website.

## REFUNDS

---

The College uses the Federal Refund Policy to calculate all refunds for complete withdrawal from all courses. Students who drop one or more courses while still enrolled in other courses will receive a refund for the dropped course(s) based on the following table. Requests for course drops must be submitted in writing to the CEL Office. Students should remember that financial aid may be affected by changes in course load. Therefore, it is important to consult with the Financial Aid and Business Offices before dropping a course.

Refunds for Eight-Week Courses	
On or before the first class meeting	100%
After the first and before the second class meeting*	90%
After the second and before the third class meeting*	50%
After the third and before the fourth class meeting*	25%
After the fourth class meeting*	0%

\*or 7 days following the previous meeting if a week is skipped for any reason.

Refunds for Directed Study, Independent Study, and On-line Courses

## EQUAL ACCESS AND OPPORTUNITY

Rochester College is committed to equal opportunity for all persons and does not discriminate in admissions, programs, or any other educational functions and services on the basis of race, color, creed, national origin, gender, age, veteran status, religion, or disability, to those who meet admission criteria and are willing to uphold its values as stated in the Student Handbook. Rochester College is an equal opportunity employer and does not discriminate on the basis of race, color, creed, national origin, gender, age, veteran status, or disability.

Based upon this commitment, Rochester College follows the principle of nondiscrimination and operates within applicable federal and state laws prohibiting discrimination. As a recipient of federal financial assistance, Rochester College is required by Title IX of the Educational Amendments of 1972, as amended, not to discriminate on the basis of gender in its admissions policies, treatment of students, employment practices, or educational programs. Inquiries regarding compliance with Title IX of the Education Amendments or any other equal access/equal opportunity law or regulation should be directed to Dr. Michael Westerfield, Compliance Coordinator at Rochester College.

## DISABILITY ACCOMMODATION POLICY

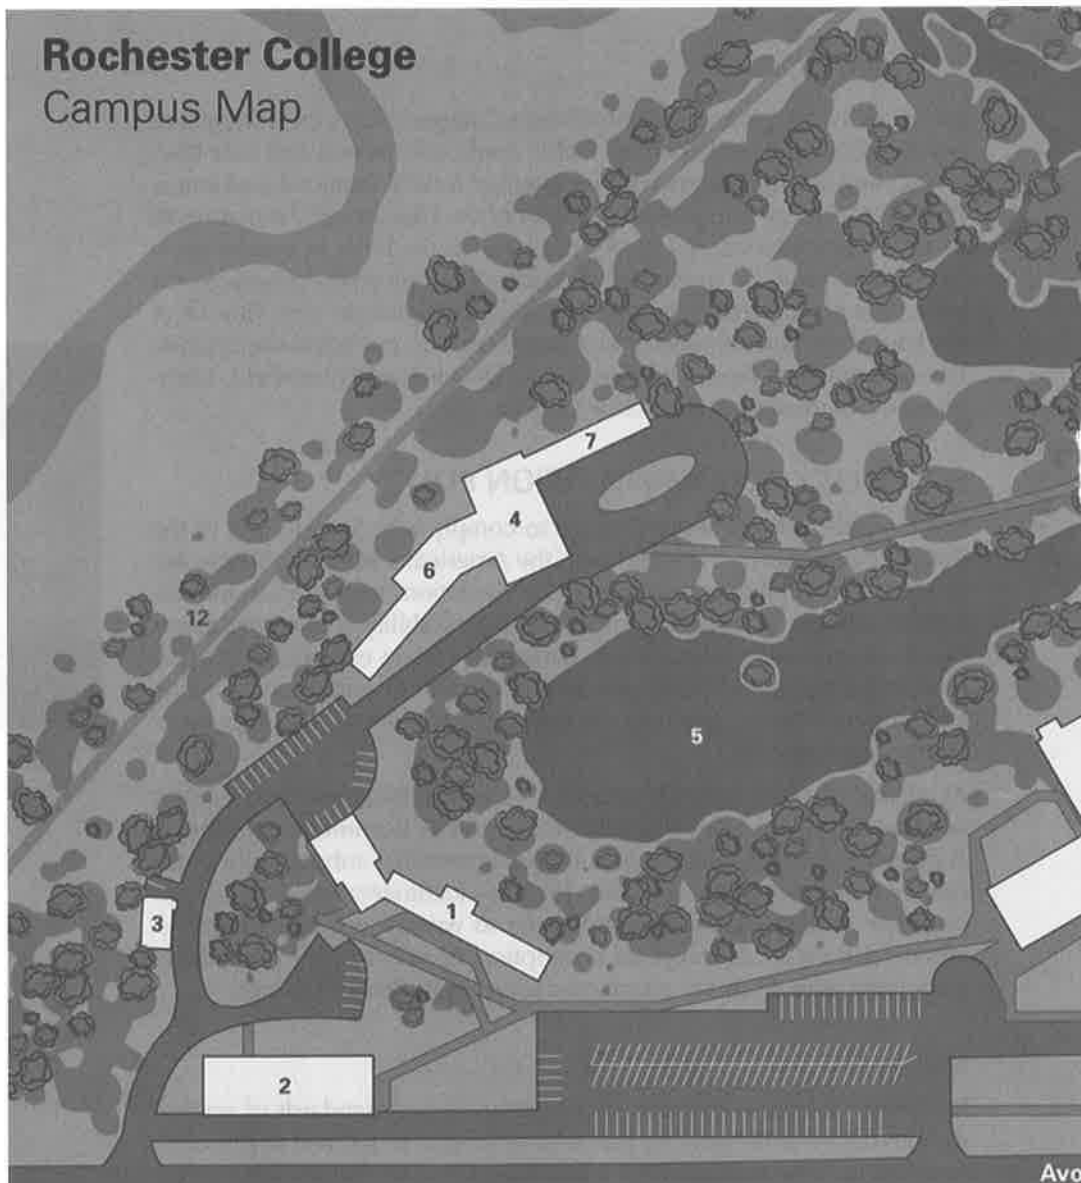

It is the policy of Rochester College to comply with Section 504 of the Rehabilitation Act of 1973 and with the Americans with Disabilities Act of 1990 in providing reasonable accommodations to qualified students with disabilities. A qualified student with a disability is one who meets the academic and nonacademic admission criteria essential to participate in the program in question and who, with or without reasonable accommodation, can perform the essential functions of the program or course requirements.

Academic Services facilitates reasonable accommodations and support services for any qualified student with a properly documented disability. A disability is a physical or mental impairment that substantially limits one or more major life activities. Written documentation from an appropriate professional is required. Refer to [www.rc.edu/academics/accommodations](http://www.rc.edu/academics/accommodations) for a complete description of policies and procedures associated with disability accommodations at Rochester College.

## CATALOG INFORMATION

Rochester College attempts to maintain the highest standards of accuracy with regard to the policies and degree programs outlined in this catalog. The College makes every reasonable effort to ensure that catalog changes are made known to students whose educational careers may be affected by such changes. Final responsibility for awareness of and compliance with codes of academic, social, spiritual, and moral conduct is the responsibility of the student. This document does not constitute a legal contract between potential employees, prospective students, or degree candidates. All persons who become members of the College community, either by enrollment or employment, should familiarize themselves with institutional regulations and abide by those regulations at all times. Rochester College welcomes your feedback regarding this catalog. Please e-mail comments or suggestions to [cmackenzie@rc.edu](mailto:cmackenzie@rc.edu) or call 248.218.2096.
