## Why Make Purchases from the MCC Bookstore?

There are many sources for church supplies and Bible class literature. Most carry pretty much the same selection of brotherhood publications. Does it really matter which source your congregation uses? Many agree that it does!

One reason to make purchases from the MCC Bookstore stands far and above all other reasons.

- All profits from the MCC Bookstore provide scholarships that enable talented young people to obtain a Christian education.

Of course, there is a great side benefit to the granting of scholarships to MCC students.

- Congregations of the Midwest are strengthened by former MCC students, most of whom settle in the Midwest and remain active in the church.

From a business point of view, there are other good reasons to purchase from the MCC Bookstore.

- The MCC Bookstore sells materials at publisher prices. Your congregation can provide scholarships while purchasing items at the same price they would pay to the publisher.
- Since the MCC Bookstore is the brotherhood's largest store in the Midwest, it has a great selection. Occasionally, even publishers call MCC for materials when they run out of stock!
- Orders phoned in on the toll-free numbers normally are filled within 24 hours by the MCC Bookstore. Closer often means faster delivery for congregations in the Midwest. Local churches can pick up orders and save shipping costs!

Someone will profit from your purchases. Why not the students of Michigan Christian College?
