Here are Barton Lessin's projects. He said he submitted them on 2/7/01.  
 They are listed in his prioritization.

Here is a list of projects I have in hand to date. I just received an email from Louise with the information that Bart had submitted 12 other projects on behalf of WSU. I never received those so he is resending them. Stay tuned!

NOTE - Number 3 was submitted by three different organizations so I numbered them 3a, 3b, 3c.
