

MOTION
College Curriculum / Instruction Committee
February 25, 2010

MOTION: The college curriculum / instruction committee seeks permission to waive the 10-day notice requirement for the March 25, 2010 College Academic Senate meeting.

Due to the emergency college closing on Monday, February, 22, 2010, the college curriculum meeting scheduled for that day was cancelled, thus pushing the schedule back by two weeks. Waiving the 10-day notice will ensure catalog inclusion to all proposals approved at the March college senate meeting.
