The Ben Sherfields
... set for Panama

Garden City Congregation To Back Mission to Panama

GARDEN CITY, Mich.—Ben Sherfield, a member of the Garden City congregation and preacher for the South Lyon, Mich., congregation, will leave June 1 on a trip which will take him to a mission work in Cristobal, Republic of Panama.

In this mission work he will be sponsored and supported by the Garden City congregation. In addition he has raised about half of a needed \$3,000 travel and work fund.

Sherfield and his wife Carol live in Wayne with their four children.

He plans to work in Cris-

tobal for two years or more. He will be working in conjunction with Ramon Mendez, a Panamanian now studying at Michigan Christian College in Rochester. Sherfield and Mendez both hope to arrive in Panama about July 1.

Sherfield has been active in personal evangelism in his work in South Lyon. In the past two months there have been 14 baptisms and 12 restorations there—largely due to his efforts.
