Bilaks Move To Michigan

ROCHESTER, Mich. — The Stephen Bilaks have moved from West Monroe, Louisiana, back to their home in Rochester, Michigan. Bilak is the speaker on World Radio, Russia, sponsored by the White's Ferry Road Church of Christ in West Monroe.

The elders of the White's Ferry Road congregation asked the Bilak's to move back to Michigan because much of their support was centered there and it was felt that the personal contact would help solidify that support.

Bilak felt that the move would benefit his work since there is a large number of Ukrainian people located near Rochester. Bilak is still working under the supervision of the White's Ferry Road elders and will continue his daily broadcast over Trans World Radio in Monaco and his twice weekly program over HLKX, Inchon, Korea.

All contributions for support of the World Radio, Russia programs should continue to be sent to World Radio, P. O. Box 545, West Monroe, Louisiana.
