DEARBORN, Mich. — On October 23, 1962, an area wide meeting was held at Dearborn in the interest of the local Herald of Truth television program; at which time, it was unanimously agreed to continue the program.

To eliminate present deficits several congregations announced

an increase in the monthly contributions. Others said that they would double their contribution for one month. Some non-contributing churches expressed a desire to include the Herald of Truth in their '63 budget, according to Jack Hoover, minister of the Dearborn Church of Christ.

Forty-two congregations now cooperate in this work, and a concerted effort is being made to interest all the churches in the Detroit-Windsor area to support the Herald of Truth, even though the amount may be small. Our present operating deficit is approximately \$120.00 per month.
