AND
THERE

Bay City, Mich.—August 4.—Attendance is holding up very well considering vacations and some illness. One of our very fine young men, Marshall Kirk, volunteered for service in the army and left yesterday for Detroit. Marshall was active in church work, taking an active part in the services. He leaves a young wife. He will be missed by us all. Our prayers go with him, that he may return safely to us when this cruel war is over.

Mrs. Clifton's class is developing into a very interesting feature of our work here. She takes them into a separate room while the sermon is being preached. This relieves the parents during that part of the service and the children are taught in a way they can understand. Eleven were in the class last Sunday.

Visit us when you can. —C. B. Clifton.

A. R. Kepple, 2546 Quincy, Kansas City, Mo.—Have just completed meetings in Chicago, Ill. and Boxley, Ind., with good results. Go next to Gilmon City, Mo. and Tyrone, Okla. Brethren, the task assigned to us of advancing the cause of our Master becomes more difficult as the clouds of an unsettled world grow darker. This calls for the supreme effort. Certainly this is no time for complacency. We must meet this challenge with rugged faith and an undaunted courage.

V. M. Gilbert, P. O. Box 225, Jefferson, Ia.—I was with the church at Jamesport, Mo. for three services in their annual meeting July the 5th. Attendance good and a number of congregations represented. One confession and baptism. I was with the church in Omaha, Neb. for two services. Next protracted effort will be in Mattoon, Ill., beginning the 26th.

E. E. Wallace, 1509 Prospect, Flint, Mich.—July 27.—The work in Grand Blanc is fine. Tent meeting with Brother Totty doing the preaching resulted in five baptisms, much good otherwise. Now have 44 members. Having services from house to house Saturday evening. Growing in love and good feeling for each other. We are making plans for permanent work here.

Ypsilanti: Brethren met in the new building for the first time Sunday, August 2. Bro. L. V. McGearry was the speaker, and between 25 and 30 were present. Visitors are welcome to worship with us. The location of the building is E. Cross Street at Prospect Park.

A TENT MEETING

The church in Port Huron has enjoyed a fine gospel meeting which continued three weeks and closed Aug. 5th. Brother Charles Coleman of Detroit preached three nights and then Brother Richard Lee Curry of Winchester, Ky., finished the meeting. Three were baptized, two of them formerly Catholics. Brother Curry is only nineteen years of age but he is a good preacher and much good was done.

FREE TRACT AND PAPER FUND

In answer to many urgent calls, we are now starting a fund to make possible the distribution of free tracts and papers to be sent to needy places. Quite a number of Christians have already contributed to the sending of papers to mission points and Army Camps.

This is indeed a worthy work and one that all Christians should have part in. Beginning with September, we will give a report of all contributions made to this end. Contributions to be reported in the September issue of The Gospel Way, must reach us not later than Sept. 1st. Would it be possible for every Christian in Michigan and many others to have a part in this great work? If you can't send \$5.00 send \$1.00. If you can't send \$1.00 send 50c, 25c, 10c. Let all help. Other religious people send their papers and tracts to thousands. Why can't we?
