MOTIONS LODGED AT DECEMBER 9, 2010 CAS MEETING

Two Motions from RO/SF Campus re: Allocation of Tutoring Resources

- **MOTION #1: To set up a process wherein every academic discipline that has, or expresses, interest in tutoring is consulted before decisions are made regarding budgets and services.**
- **MOTION #2: That the Southeast campus is opposed to charging fees to students for tutoring.**

Motion from AH Campus re: Computer/Technology Competency Requirement

- **MOTION: The AH campus moves that the college establish a computer and technology literacy requirement (or assessment) for all students that obtain a degree at OCC.**

Motion from HL Campus Defining College-level Course Work

- **MOTION: College-level course work be defined as all courses that are not part of the developmental course list.**
