Ms. Louise Bugg  
Assistant Director for Library Systems  
University Libraries  
Wayne State University  
Detroit, MI 48202

Dear Louise:

Your letter of October 15, 1986 outlining the relationship of NOTIS for the DALNET members, is correct.

The only point that I would add is that NOTIS will sell additional training days to Wayne State for use at any of the DALNET institutions.

Sincerely,

*Jane*
