

02/06/02

**IHDC Goals  
2001- 02**

1. Evaluate products related to digital initiatives and recommend strategies for implementation to the DALNET Director.
2. Oversee the continued development of the DALNET Web Site in order to provide outreach, marketing and linkages for the lm@gine gateway
3. Advise the DALNET Director on technical, staffing and policy issues related to the incorporation of new digital initiatives.
4. Coordinate improvements in communication and clarify overlap between IHDC and the Steering Committee.
5. Establish working groups as needed to address issues related to digitization.
6. To design, coordinate and evaluate educational opportunities related to digital initiatives for DALNET members.
7. Facilitate and encourage the creation of digital initiatives among DALNET members.
8. Provide oversight for digital projects supported through DALNET resources.
