Dear Scott:

On behalf of the Detroit Area Library Network, I would like to thank you very much for being willing to help out at the Ameritech exhibit booth at the ACRL Conference on April 8 – 10th.

I was able to stop by the both several times on Friday and Saturday and saw many conference attendees looking at our Im@gine system and posters and talking with DALNET representatives.

With your help, we were able to showcase DALNET's Horizon and image databases not only to our Michigan colleagues but also to our colleagues from all over the U.S. I hope you enjoyed your time at the booth. I know Ameritech also appreciated our presence.

Sincerely,

A handwritten signature in cursive script that reads "Louise".
