

# TMC REPORT FOR 2014-2015

Judy Matteson

# ATP Review

- ▶ Tech station standard configuration
- ▶ Creation of TLTC room per campus
  - ▶ Done!!
  - ▶ Now looking at usage
  - ▶ Found log-out issues
    - ▶ Security purposes to make sure you log-out
  - ▶ Found printer usage per campus issues
    - ▶ New printers are coming in OCTOBER (with “follow me printing”)
  - ▶ Space is at a premium on most campuses
  - ▶ Do we need an alternative?

# Innovations Showcase

- ▶ April 17, 2015 at the Auburn Hills campus
- ▶ Copyright laws were presented by Michael and Joshua from Wayne State
- ▶ Online student orientation and Clickers were presented by our AT team
- ▶ Collin James presented computer programming to aid development
- ▶ Mary Ann Troy talked about technology and learning styles
- ▶ Monika Oery showed us the assessment software for speaking and communicating
- ▶ Fooducate Mobile App was presented by Michelle May

# Distance Learning subcommittee

- ▶ HLC visit to allow us to offer online degrees
  - ▶ Visit was last week
  - ▶ Update the Online Worksheet (both of them)
  - ▶ Proctor online testing
  - ▶ Standardization of D2L navigation
  - ▶ Standardization of D2L modules (based on best practices)

# Special requests

- ▶ Online evaluations (Class Climate is the new software)
- ▶ Broadcast Senate meetings (Zoom is still in “pilot” phase)
- ▶ Update TAUR agreement
- ▶ Identify new Scantron machines for the campuses

# Current projects

- ▶ Mandatory training for students for online learning and D2L.
- ▶ Mandatory training for Instructors for online learning and D2L.

**FYI:  
Desire2Learn is changing  
its name to D2L!!**
