

## **Ideas for Internationalization Program Action Plan (Accountability Measures)**

- Explore Wayne Direct and other educational institutions for potential collaboration
- Review the number of ISAs needed to advise / work with F1 students (staffing)
- Explore American Honors as a means of recruiting international students to OCC
- Promote the Global Studies major and International Commerce degree
- Promote student abroad opportunities (e.g., Oaxaca, WSU, GlobalLinks Learning Abroad, etc.)
- Determine the feasibility of a central office to coordinate activities for the Internationalization initiatives/activities and supervise ISAs
- Look at potential grants to assist with funding for development of this program
- Increase campus events and speakers to highlight globalization issues related to education
- Explore and continue innovative ways to incorporate globalization in the curriculum (e.g., book assignments, etc.)
- Develop a webpage to promote awareness and opportunities (e.g., “Internationalization of OCC”).
- Collaborate with area non-profit organizations serving the foreign-born to offer service projects.
