"American's Greatest Resource"

The famous 80-Member Ukrainian Trembita Chorus.

The Ukrainian Chorus, "Trembita" is an 80 member group comprising three choruses. The male chorus was organized in 1957. After successful appearances in the Metropolitan Detroit area, the ladies were invited to join the group in 1958. The two sections, the male group and the mixed chorus, presented several concerts and the fame of the Ukrainian Chorus began to spread. In 1959, the ladies' group was formed which appears in concert in the colorful costumes of the Ukrainian

mountain people, the "Hut-zula".

On the night of the May Rally, all three groups will appear on stage in a program of delightful music including classical, folk, and religious selections.

Dr. Bohdan Kushnir, assistant professor at Wayne State University, directs the women's group and the combined chorus. The male chorus is directed by Mr. Yaroslav Fylypiw. Both of these men have had long experience as musical conductors. "Trembita" is the Ukrainian

word for an ancient musical instrument, similar to the Alpenhorn, which is used only on special occasions. The Trembita Chorus has appeared in numerous concerts in Detroit, Chicago, Cleveland, Toronto, Windsor and Sarnia. This group has also sung with the Scandinavian Symphony Orchestra and the Detroit Symphony Orchestra, receiving warm acclaim from the Detroit News and Detroit Free Press music critics.

# May Rally To Be Held At Ford Auditorium

Ukrainian Women's Chorus "Trembita" of Detroit, Michigan

Ukrainian Men's Chorus "Trembita" of Detroit, Michigan

## "\$15,000 On The 15th" Is May Rally Goal

Gerald Montgomery, minister of the Southfield church of Christ and Executive Director of the Department of Safety, City of Detroit, has been appointed Chairman of the May Rally Committee. Other members of the committee are Don Carter, Sales manager of the Commercial Division of Kelvinator Division of American Motors; Glendol Grimes, Director of Development of Michigan Christian College; and Dan Woodroof, minister of the Rochester church of Christ.

The 1965 May Rally promises to be one of the best that MCC has ever had. The Committee is working toward a well organized, interesting and fast moving program for the evening. Mr. Montgomery, as Master of Ceremonies, has promised promptness in beginning and ending the program. He said, "The May Rally Program will begin promptly 60 seconds after 7:59 p.m. and end promptly 60 seconds before 10:01 p.m."

In contrast to MCC Rallies of the past, large sums of money will not be sought this

year. Montgomery said that a drive will be made for "15,000 on the 15th" to complete a much needed Student Center Building. The architect's drawing of the building is shown below, as it will face beautiful Lake Norcentra.

Director of Female Chorus  
and Mixed Group

This building will be an asset to the Accreditation Program of Michigan Christian College by providing adequate Library facilities and by relieving other areas to be used for much needed classroom space.

President Lucien Palmer said, "The college is really pushing for this Student Center Building. It is not only needed as a place where students can spend enjoyable free time, but the addition of this type of building to the campus will help in the accreditation program of MCC."

Here is the breakdown of funds needed for this building for which excavation has already been done:

- \$12,000 assured by the MCC Ladies Associates
- \$15,000 to be applied from College Book Store operations
- \$15,000 on the 15th, the goal of May 15.
- \$42,000 will add a beautiful, much needed building to the MCC campus.
