# October: Month of Festivity and Inspiration

Mrs. Ruth Watson of Toledo, 1966 Festival Queen, poses with Mrs. Mildred Freeland, 1966-1967 President of the Ladies Associates.

Marshall Keebles lectures in his characteristic style. He will speak Wednesday night of the Fall Bible Lectureship.

Jimmy Allen will deliver the final lecture of the Fall series Thursday night, October 19, on the subject "Beyond This Veil".

### FALL FESTIVAL OCTOBER 7

The Annual Fall Festival, sponsored by the Ladies Associates in cooperation with the Men's Club of MCC, will be the biggest yet.

This annual event has proved to be nothing short of fantastically entertaining for the whole family. There is something at the Fall Festival for every age group and many new features will be added this year. Women will be buying wigs and the men will have access to used but good tools in a browse shop.

The Festival parade through the streets of Rochester will begin at 10 a.m. and the new Festival Queen for 1967 will be crowned at the conclusion of the parade on the parade MCC campus.

The Marching Band of the Rochester High School is a feature in the Annual Fall Festival Parade October 7.

### 10th ANNUAL LECTURESHIP OCTOBER 15-19

The 10th Annual Bible Lectureship promises to be, at least, one of the best of MCC's long list of great lecture series.

The inside pages of this bulletin describe the lectureship in detailed outline. You are urged to keep your copy for further reference as the time of the lectureship draws near.

Many fine speakers are slated to present lessons of timely value on the general theme "The Christian Outreach".

A special feature this year will be the presentation of missionaries who have recently returned from such troubled spots of the world as Nigeria, Eastern Europe, Israel. Phil Elkins will describe the worldwide situation relative to the Christian Outreach.

tour of Eastern Europe in June of this year. They will be presenting their impressions of the possible "Outreach to the Slavic People" on Monday.

Tuesday's program will feature "Outreach to Israel" with Earnest Stewart, one of the founders of the Galilee School recently returned from Israel.

Dr. Henry Farrar, one of the few medical missionaries of churches of Christ, will describe the situation in Nigeria. He and many other missionaries to Nigeria recently were forced to get out of the country due to civil war.

Climaxing the four-day emphasis on possibilities of Christian outreach in troubled areas of the globe will be Phil Elkins who is possibly the best informed man in the brotherhood relative to mission possibilities throughout the world. He will speak on "Outreach To the World" at 2 p.m. Thursday.
