Fletcher Accepts Position at Abilene Christian College

After eleven and one-half years of devoted service to Michigan Christian College, Milton Fletcher resigned to accept a position with Abilene Christian College. His tenure with MCC began in January, 1961, as Business Manager and effective July 1, 1965, as Vice President of the College. His contributions to MCC were many and his services will continue to be appreciated.

Upon receiving Vice President Fletcher's resignation, the Board of Directors conveyed to him their thanks in the following letter:

"The Board of Directors of Michigan Christian College wishes to convey to you their deepest thanks for the years of faithful service you have rendered the college. The services you have rendered and the leadership you have provided so many programs have been of untold value to the college. The years of dedication to and hard work in behalf of Michigan Christian College will not soon be forgotten.

"The Board of Directors, at their meeting held on April 15, 1972, duly took note of the outstanding service you have rendered to Michigan Christian College by passing the following resolution:

MCC's FIRST PARTNERSHIP DINNER OUTSTANDING SUCCESS

President Gardner was pleased to host the 1st MCC Partnership Dinner as the 1971-72 school year closed. When the attendance swelled to 800 (beyond the capacity of the Cafeteria) it had to be moved to the Gym. The evening was greatly enjoyed by the capacity crowd and it was a real "victory" dinner. The College was helped tremendously in receiving \$48,500 in gifts. Everyone seemed to give complete approval to Dolan Ledford's public suggestion that "we do it again next year."

MCC PRESENTS CHRISTIAN SERVICE AWARD TO THE HAROLD HAWLEYS

and related good works. They are known and loved throughout this great area.

Professionally, brother Hawley served the public school of Michigan as a teacher until he retired a few years ago. His broader service throughout the years was given to preaching and teaching in the church. In addition, he served faithfully and with long tenures on the Board of Directors of Michigan Christian College and Michigan Christian Youth Camp. His services in these areas have been duly noted on many occasions. Probably, most of all, the Hawleys have been simple, loving, faithful Christians rendering any good service any time and any where they could.

Michigan Christian College desires from time to time to recognize those who have and are rendering outstanding Christian service. On this occasion the College was honored to recognize the Harold Hawleys and present to them this award on behalf of the College.

At the Annual Partnership Dinner the audience of about 800 persons spontaneously rose as the announcement was made that Harold and Minnie Hawley of New Hudson, Michigan, were to receive the Christian Service Award presented by the College on the occasion. Obviously, the choice was a good one and the honor well deserved.

The Harold Hawleys have for many years served in leadership positions in the church
