In addition to duties at the College, Tom will continue in his position as Marketing Representative for IBM.

## Message from the President

Dear Friends of Michigan Christian College:

Christian education is far more than what actually takes place on a Christian college campus! Certainly, that formal arena is vital to the concept, and many of us stand very close to that phase of this educational phenomena.

As we look at the problems facing the educational world, we begin to see something of the tremendous challenges that exist, and we become even more aware of the countless blessings of the Christian education system.

What would each of our lives be without the blessings that have accrued because of relationships with each other while working shoulder to shoulder as a volunteer or as an employee in this ministry? In a very personal way, I am thankful for the blessings that have come because of the opportunities to serve the thousands of students and friends of Michigan Christian College across the years.

I am thankful that my family's relationships with the Christian education scene have broadened my vision for the marvelous concept of stewardship. Observing many of you sacrifice has enabled me to understand more completely the stewardship concept described in God's word.

Christian education, at its various delivery levels, enables students to enjoy and grow in a uniquely satisfying relationship unlike any other setting. Christian education has motivated the establishment of thousands of Christian homes, the vast majority of which have remained stable and have been a blessing to churches and communities.

Christian education is the fertile field from which thousands of Christian professional people have grown to become blessings to mankind — teachers, preachers, doctors, lawyers, government servants, and parents.

Christian education has been the stable environment that has stimulated growth in the church in every geographic area where Christian colleges have been located. Statistics are available in validation of this fact.

Wherever Christian education institutions have existed, they have been spheres of influence — culturally, spiritually, morally, and even economically.

Where Christian education institutions have existed and remained healthy, the institutions and their friends have mutually realized the partnership that exists. The institutions have fulfilled their purposes and goals to serve students, families, churches and community; and the clientele, in turn, has responded with students, prayers, and financial support. Similar to most activities, success comes because everyone realizes the "two-way street" concept.

We, at Michigan Christian College, thank each of you for your continued interest, your moral support, your prayers, and your financial support of Christian education at Michigan Christian College. May God bless each of us as we continue to strive to serve in this great enterprise.

Very sincerely,

Milton B. Fletcher  
President

## Bible School Honor Roll

Last fiscal year, profits from the MCC Bookstore provided \$20,000 in scholarships to MCC students. The largest percentage of that amount was made possible by the sale of graded Bible School literature. The MCC Bookstore sells this literature at the same price as the publisher. However, a portion of that price is diverted to Christian education rather than a private company.

The following congregations extended their commitment to Christian education from their Bible School program into the college classroom by regularly purchasing their graded Bible school literature from the MCC Bookstore during the past fiscal year:

## Class of 1978 holds Ten Year Reunion

On July 8-10, 1988, approximately 100 people gathered at the College for the ten year reunion of the Michigan Christian College Class of 1978. Fifty-seven of those present were actual class members.

The group stayed in the Alma Gatewood Dormitory, on Friday evening, and began the weekend's festivities with a devotional in the Westside Central Chapel. After a "midnight basketball" game, in the gymnasium, a chapel service was held early Saturday morning, followed by a "Who I Am and What I've Been Doing" videotape session.

On Saturday afternoon, all attendees enjoyed a dutch-treat luncheon at a local restaurant, which preceded an afternoon of softball, volleyball, and reminiscing. Later that evening, a banquet, prepared by the Rochester Chapter of the Associates, highlighted the weekend's festivities.

## Fifty-six congregations represented at third annual Jim Wood Church Leaders' Workshop

On June 3-4, 1988, in MCC's Westside Central Chapel, the third annual Jim Wood Church Leaders' Workshop was held. Present at the Workshop were 103 attendees, representing 56 congregations throughout Michigan, Indiana, Illinois, Ohio, and Canada. Mrs. Hellen Wood, widow of Mr. Jim Wood, was also present at the Opening Session of the Workshop, on June 3, 1988.

The Workshop, bearing the theme "Planning for the Year 2000 and Beyond," featured general lecture sessions and smaller classes on such subjects as "Opportunities for Church Growth in the 1990's," "Converting Friends, Not Strangers," "Use of Computers in Church Growth," "Encouraging Persistence and Leadership in Smaller Congregations," "Vision Canada for 2000 and Beyond," and "The Preacher's Accountability."

General Session speakers included Dr. Flavil Yeakley, Director of the Institute of Church Growth, in Abilene, Texas; Dr. Mac Lynn, Chairman of the Bible Department at David Lipscomb University; and Mr. Jerry Tallman, Minister at the Rochester Church of Christ.

A reunion volleyball game is one of the weekend's highlights for these former MCC students.

During the banquet, Ernie Gill, former Minister of the Rochester Church of Christ, spoke to attendees and was honored with a plaque of appreciation for all the lives he touched while serving as the Rochester congregation's minister. At the close of the banquet, specially prepared booklets, including current ad-

dresses, short biographies on class members, and other memorabilia, were distributed to all present.

Other reunion activities included a slide show of personal photographs taken ten years before, and a worship service conducted early Sunday morning.

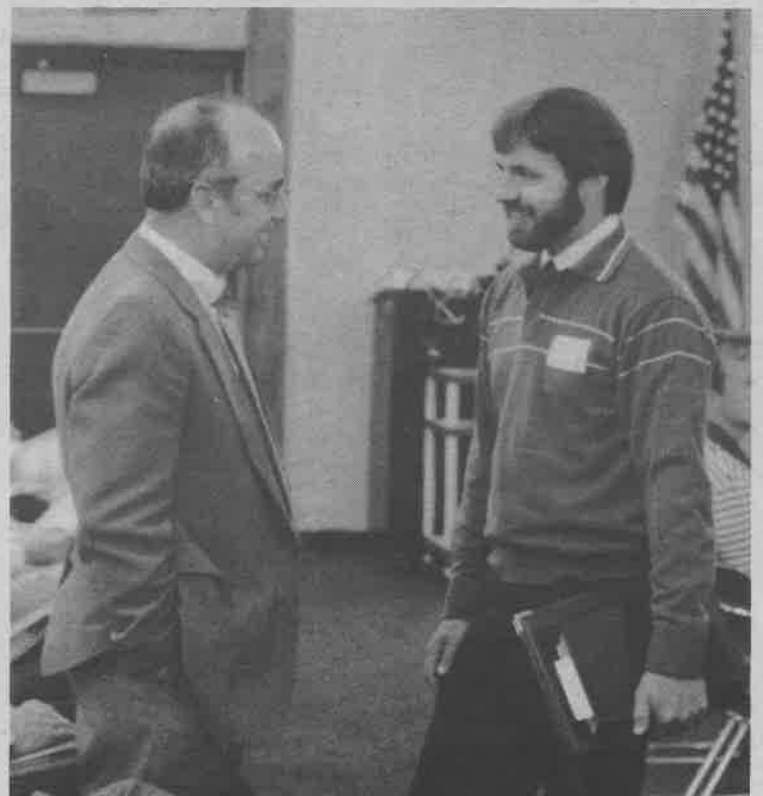

Dr. Yeakley has served the Church in the positions of deacon, elder and preacher for over 25 years. Dr. Lynn previously taught at Columbia Christian College, in Portland, Oregon, for nine years; and at Harding Graduate School, in Memphis, Tennessee, for 14 years. Both Drs. Yeakley and Lynn have done extensive research and writing on the subjects of Church growth and leadership.

Instructing individual class sessions were Dr. Melvin Storm, of the MCC Bible Department; Steve Van Slyke, an elder at the Naperville, Illinois congregation; Earl Davis, Min-

ister at the Wilmette, Illinois congregation; Geoffrey Ellis, Minister at the Waterloo, Ontario, Canada Church of Christ; and Ron White, Minister at the Lincoln Park, Michigan Church of Christ. Other class leaders included Abe Miller, Minister at the Eastside congregation, in Terre Haute, Indiana; Art Williams, Minister at the Northwest-Detroit Church of Christ; Herchel McKamey, President of Indianapolis Christian Schools; and Don Crittenden, Minister at the Four Seasons Road Church of Christ, in Bloomington, Illinois.

Dr. Flavil Yeakley speaks to Church leaders during the Opening Session of the Workshop.

# 28th MCC Graduation festivities provide time for sharing memories

On May 7, 1988, under the pine trees in front of Gallaher Center, 46 graduates participated in commencement exercises. Valedictorian Kali Ponder was recognized for being only the eighth student in the history of the College to graduate with a perfect 4.0 grade point average. In a moving speech, Kali spoke to fellow graduates of special friendships they had to cherish forever, and closed her address by offering future students the advice that being involved with the lives of fellow students would enrich their own lives. Dan Beaudoin, having earned a 3.77 grade point average, was honored for his academic standing as Salutatorian. Dan addressed graduates, and the entire audience, on "The Importance of Making An Impact As a Christian."

Platform guests, other than President Milton B. Fletcher and Academic Dean Leonard Knight, who participated in the program were Mr. Royce Dickinson, Chairman of the Board of Trustees, who greeted the graduates; Mr. Leonard Blake, Class of 1961, who led the invocation; Dr. Jim Mankin, Director for the Center for Christian Leadership, in Abilene, Texas, who addressed graduates on "Developing the Christian Spirit Within Yourself;" Mr. Joe Bentley, who directed the

A Baccalaureate Service was held for the graduates on May 1, 1988, at the Rochester Church of Christ. President Milton B. Fletcher presided over the service, and Academic Dean Leonard Knight spoke briefly to graduates on "Ways We Know That God Is At

Hand." B.R.E. graduate Andy Peper led the group in several hymns; Pete Sexton led the opening prayer; Mark Brackney, 1987-88 Student Body Association President, addressed graduates with a lesson on "Being Your Best," and Vic Bliss closed the service with a prayer.

The College's final chapel service for the 1987-88 school year took place the next morning, at 11:30 a.m., in the Westside Central Chapel. Mr. Bruce Black, Minister for the Bristol Road Church of Christ, in Flint, Michigan, addressed graduates, employees, and underclassmen on "Appreciating the Blessing of a Christian Education."

Festivities connected with the 28th MCC graduation began the week before, on April 29, 1988, at an Awards Banquet in the College's cafeteria. The following morning, at the annual Dean's Breakfast, new Associate Dean of Students Birgie Houston spoke to

# Six students receive Who's Who Award

Six students, from the 28th graduating class of Michigan Christian College, were selected for the honor of Who's Who Among American Junior Colleges. Students were chosen by the criteria of outstanding achievement in the areas of academics, extracurricular involvement, or leadership.

The first of the six students to receive this honor, Daniel George Beaudoin completed his two years at MCC with a 3.77 grade point average, and was chosen as class Salutatorian. In addition, Dan had leadership roles in both the Cross Country and Track programs, setting new school records in the latter. The Troy, Michigan resident plans to attend Oakland University, in the fall, and work toward a Pre-Law/Pre-Engineering degree.

William Edward Blake, son of MCC alumni Leonard and Dona Mai Blake was active in the Student Body Association, Kappa Tau social club, Business Team, and the A Cappella Chorus. In addition, he worked as an Assistant Manager in the College's cafeterium, and as a Resident Assistant in Barbier dormitory. Billy plans to return, in the fall, to participate in MCC's three-year Business program, after which he will transfer to Oklahoma Christian College to work toward a degree in Accounting. Upon graduation, Billy plans to seek a commission with the United States Air Force.

A native of Attica, Michigan, Mark Ira Brackney was involved in A Cappella Chorus, Autumn, His Wordsmen, Business Team, and Kappa Tau social club. He also served, during the 1987-88 school year, as President of the Student Body Association. In addition to his studies, Mark has filled the position of Associate Minister at the Lapeer Church of Christ, this past year, and plans to return to MCC, in the fall, to continue his studies in the B.R.E. program.

A sophomore from Morenci, Michigan, James Marshall Craig actively participated in His Wordsmen, A Cappella Chorus, Autumn, Alpha Beta social club, and Business Team. Previously a sophomore class officer, Jim will return, in the fall, to work toward a degree in the three-year Business program, and will serve as the 1988-89 President of the Student Body Association.

During her two years at MCC, Kali Michelle Ponder participated in W-Club, Sigma Phi social club, A Cappella Chorus, Company, Ethnic Awareness Club, Business Team, and the women's Softball program. In addition, she maintained a perfect 4.0 grade point average. In delivering her Valedictory address, Kali spoke of the importance of combining academic achievement with a desire to know and become close to fellow students. Through tears, Kali spoke of special times she

## Adults Are Going Back to School!

Adults are going back to school in record numbers every year. In response to this trend, Michigan Christian College is in the process of increasing its services for adult students. This fall, every course will be offered for both regular credit and for continuing education units (CEU). Please note the difference between the two.

**Regular Credit.** Courses taken for regular credit are applicable to college degree programs, and are transferable to other colleges. The number of credits offered for each class is listed with its cost.

**Continuing Education Units (CEU).** If you wish to take a course without required assignments or testing, you may enroll in the course for continuing education units. Continuing education courses are usually taken for enrichment purposes or for job training. They normally do not include such faculty services as the grading of papers. However, you may receive one CEU (Continuing Education Unit) for each ten hours of class attendance. The maximum number of CEU's offered for each class is listed with its cost.

## Joey Tilton participates in summer research traineeship at Henry Ford Hospital

Joey Tilton, a 1987 graduate of Michigan Christian College, was awarded a Student Research Traineeship at Henry Ford Hospital. Joey worked, during the summer months, with an established researcher in an ongoing study of collagen and Muscular Dystrophy.

Originally from Interlochen, Michigan, Joey spent his junior high school years in Ghana, West Africa, as the son of missionaries. In a country where academic competition was great, Joey finished in the top 5 percent of his class, both years. In Interlochen, Joey attended Charlevoix High School where he was involved in basketball, baseball, and was a member of the National Honor Society.

Joey graduated early, in the top 10 percent of his class, and enrolled at Michigan Christian College on the 3-2 plan.

A student at MCC from August of 1985 until May of 1987, Joey completed the requirements for an Associate in Science degree. Mr. Dave Cole, a chemistry instructor at the College, stated, "Officially Joey is a pre-med major. However, he so thoroughly enjoyed organic chemistry, and a brief exposure to biochemistry, that he has considered trying to enter medical research. His interest in research was demonstrated in the second semester organic lab. He voluntarily attended almost double the required lab periods, so he could put more work into his open-ended lab projects."

In addition to being a serious student, Joey led a well-rounded life at MCC. He participated in baseball, soccer, and Delta Nu social club. He also qualified academically to be put on the Dean's List, and

was selected to "Who's Who Among American Junior Colleges."

Joey plans to transfer to Harding University, in the fall. At Harding, Joey will pursue

studies in the field of pre-med. Eventually, he plans to attend medical school and earn an M.D. Joey would like to someday practice medicine in a missionary field, where he can use

his medical skills to spread the news of Christ and the Church. A high achiever with a humble spirit, Joey states, "I am a Christian, and believe that God wants me to do my best."

Attendees at MCC's second annual Elderhostel enjoy a beautiful summer day, during their week on campus.

## Second annual Elderhostel held on MCC's campus

The second annual MCC Elderhostel began on May 22, 1988, with registration and a tour of the campus. Later in the evening, a get-acquainted session was held at the home of President and Mrs. Milton B. Fletcher.

Three classes were taught, each day, May 23-27, 1988, in various campus classroom facilities. Gary and June Spielman, a couple from West Bend, Wisconsin, commented that they have always chosen Elderhostels because of the courses offered, and stated "All three instructors at this Elderhostel were enthusiastic, candid, and informative."

Each morning, in the class en-

titled "You Can Make The Difference," Dean of Students Garth Pleasant taught lessons on the power of positive thinking. A Cappella Director Joe Bentley educated Elderhostel attendees in the finer points of music theory, during his mid-morning class entitled "But I Thought A Canon Was A Big Gun." Dr. Stephen Eckstein concluded each of the day's class sessions with a condensed version of the Old and New Testament Survey courses, entitled "The Most Remarkable Book In Existence."

Afternoon and evening activities included a lecture on the Nigerian culture, given by former MCC President E. Lucien

Palmer; a tour of Meadowbrook Hall; a bluegrass and country music program, performed by the Tumbleweeds; an ice cream social at the home of the President; a vocal recital, performed by Mr. Joe Bentley; and a Detroit Symphony Orchestra concert.

Casey and Kay Mekkes, attending their 17th Elderhostel, commented on the quality of the food service, and the friendliness of the MCC employees and members of the Rochester Church of Christ at a Wednesday evening service. As is the case with many individuals who attend Elderhostels, the Mekkes stated, "We go for the people and the experience."

Elderhostel guests, Casey and Kay Mekkes, show off new MCC t-shirts.
