A Cappella Chorus visits five states and Canada on tour

Visits to several attractions in Canada, West Virginia, and Ohio highlighted the recent Spring Tour of the MCC A Cappella Chorus. Their May 7-18 tour included fifteen performances in Ontario, New York, Pennsylvania, Ohio, and Michigan.

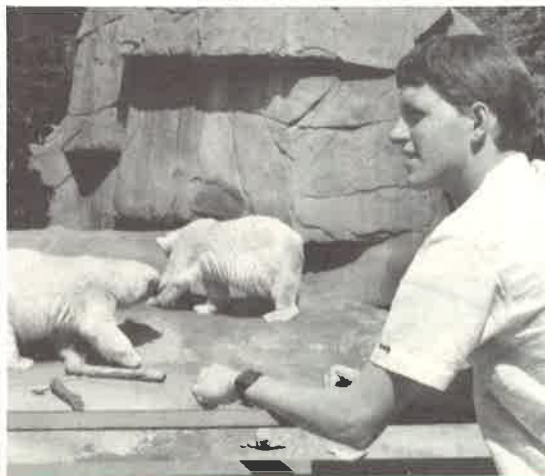

Before leaving Michigan, the chorus performed before about 1,500 people at MCC Partnership Dinner XVII at Cobo Hall in Detroit. After the tour began, a morning performance at Great Lakes Christian College in Beamsville, Ontario left the afternoon for a visit to Niagara Falls.

On Wednesday, the group traveled to Bethany, West Virginia and visited several historic sites from the life of Alexander Campbell. These landmarks included Old Main at Bethany College, the old Bethany Meeting House, and the Campbell Mansion. Campbell served as a leading influence in the American Restoration Movement for fifty-five years until 1866.

After performing at the Stark County Christian Academy on Thursday morning, the group visited the Football Hall of Fame in Canton, Ohio and Quaker Square Shopping Mall in Akron. The following day included an afternoon at a park in Columbus. An excursion to King's Island rounded out the first week.

Performances in southwest Ohio allowed time for exploration of downtown Cincinnati and the Air Force Museum in Dayton. As the chorus traveled back toward Michigan, they visited the Toledo Zoo. An emotional final performance in Livonia, Michigan ended the group's year together.

Business materials will be purchased for the Library with a recent gift presented to the college by the Student Body Association. The students made the \$2,200 donation to assist in development of the Library for a Bachelor of Business Administration degree.

Cars come to mind when most people think of Michigan. However, *Michigan Living* reported in their April edition that tourism ranks as the state's second largest industry. It also listed Michigan's ranking as the eighth most popular travel destination in the country. Students visit many of the state's tourist attractions while enrolled at MCC.

Career Exploration and Development and *Elementary Hebrew* are among new electives appearing on the fall class schedule. The former class is designed to help students identify job-related interests and to develop better job hunting skills. The latter class is an option for highly motivated Bible majors who want to read from the Old Testament in the original language!

Does college still pay? The Census Bureau reports an average monthly income of \$415 for high school graduates. This compares to an average of \$1,540 per month for college graduates with a Bachelor's degree.

Applications for the fall of 1989 have started arriving on campus. Students desiring priority in the class registration system should apply early. You may phone the Admissions Office at one of the toll-free numbers listed above to receive an application form or further information about MCC.

Writing about her experience at MCC, a transfer student from a community college recently stated, "There is nothing more rewarding and fulfilling than to learn under Christian educators." Another graduate wrote, "Being surrounded by such excellent Christian examples has changed me forever!"

Celebration Saturday moved to February

Traditionally, a number of high school students visit campus on the weekend of Celebration in Song. This fast-paced extravaganza of music and drama has been delighting audiences for twelve years.

Celebration Saturday for High School Students features a matinee of Celebration, a chapel program, campus tours, and performances by Autumn and the A Cappella Chorus. Although this program has been scheduled during the spring in previous years, it has been moved to February.

Youth groups and individuals are encouraged to mark February 18, 1989 on their calendars. This will be the best opportunity for groups of high school students to spend some time on campus. The new date will allow MCC students to prepare the program during a less hectic time of the year and it will avoid schedule conflicts with spring vacation. Plan now to attend!
