## from Michigan Christian College

Two courses have been scheduled by Michigan Christian College to be offered in upcoming months to meet the needs of current and future ministers. Each course meets for only one week. Ministers are welcome to take either one or both of the courses.

### **May 3-7, 1993    Seminar in Biblical Ministry**

An in-depth look at the principles of ministry and the servant-concept of the minister. Practical applications to help ministers accomplish their tasks. Taught by Dr. Steve Eckstein daily from 8:00-12:00 and 1:00-5:00 p.m.

### **June 21-25, 1993    Biblical Interpretation**

Textual, historical, and linguistic knowledge and skills united with sound hermeneutical principles to develop proficiency in logical interpretation of scriptures. Taught by Dr. Mel Storm daily from 8:00-12:00 and 1:00-5:00 p.m.

**Credit.** Each of the above courses may be taken for 3 hours of regular college credit or for 4.2 continuing education units. Courses taken for regular college credit are applicable to any of the Bible degrees offered by Michigan Christian College. Courses taken for continuing education units do not require the completion of assignments or testing.

**Costs.** Tuition for these courses is \$480.00 per course for regular college credit or \$240.00 per course for continuing education units. Housing for ministers taking these courses is available in the college residence halls at no cost. Meals can be purchased in the college cafeteria.

**Degree Option Especially for Ministers.** Michigan Christian College offers a versatile new program that allows ministers to complete the Bachelor of Religious Education degree in as little as eighteen credit hours at Michigan Christian College. Only six of those eighteen credit hours require presence on the Michigan Christian College campus, and the above two courses can meet that requirement! For further details about this exciting new program, contact Rodney Ashlock, Instructor of Bible, at (313) 650-6074.
