You are going to put your

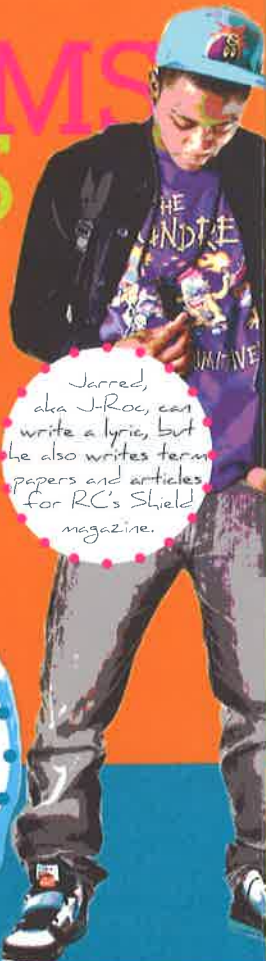

IDEAS DREAMS GOALS

into action.

Shye
dreamt of
seeing the world.
One semester and 11
countries later,
he has a pretty
good start.

Jarred,
aka J-Roc, can
write a lyric, but
he also writes term
papers and articles
for RC's Shield
magazine.

Emily's goal
was to show
God's love to the
people of Uganda,
and that's exactly what
she did during a
summer internship
through RC.

You're going to

ROCHESTER COLLEGE

A community where you're going to make memories that will last.

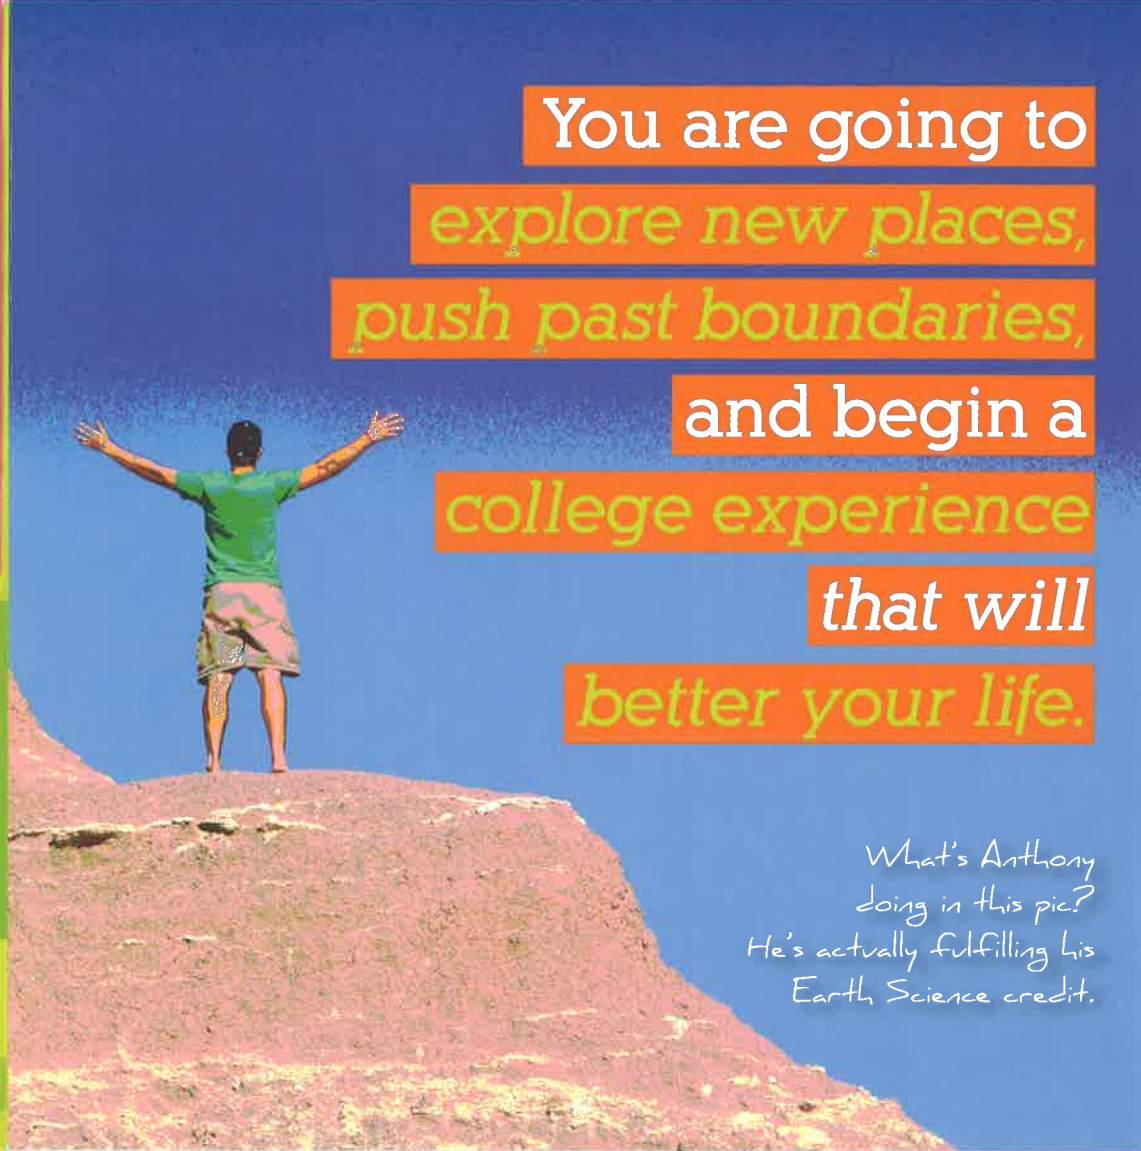

A location where you're going to have fun. (And lots of it)

It was the wise Dr. Seuss who said something along the lines of, "Oh, **the places you'll go!**" Wherever that place may be, Rochester College believes the **journey** there starts with a **quality** education that encourages you academically, spiritually and socially. Go to www.rc.edu/info or fill out the attached reply card, and **you'll be on your way.**

800 West Avon Road Rochester Hills, MI 48307 | www.rc.edu

You are going to
 explore new places,
 push past boundaries,
 and begin a
 college experience
 that will
 better your life.

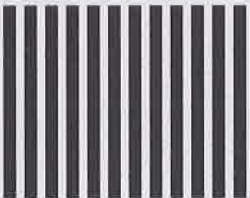

What's Anthony doing in this pic? He's actually fulfilling his Earth Science credit.

You are going
to learn more
about *yourself*.
You are going to
learn more about
your world.
And you are
going to
learn more about
your God.
