JUNE 2013

DALNET Educational Forum and Annual Meeting

**Save the Date:** The DALNET Annual Membership Meeting will be held on Friday, August 9, 2013, from 9:30AM to 4PM at Wayne State University's Undergraduate Library. Staff members from DALNET libraries are invited to spend the day at this event. At the morning's Educational Forum session, attendees will hear from keynote speaker Lorcan Dempsey, Vice President and Chief Strategist at OCLC. He will discuss "Libraries at the Network Level." The afternoon will include an overview presentation of DALNET planning and projects and breakout sessions for various work areas within member libraries. The cost for the event is \$15 per person, which includes continental breakfast, lunch and parking. Registration forthcoming.

### Oral History Transcription Workshop using Express Scribe

On Monday, July 8, 2013 from 1:30 to 4 PM in the WSU Undergraduate Library's Community Room, DALNET will offer a free workshop for librarians interested in volunteering to be a part of the "Detroit City Poets Oral History Project." Eleven one-hour interviews need to be transcribed from audio files. After the workshop, each volunteer will be expected to transcribe one interview of approximately 1 to 1.5 hours in length, which will require an estimated time commitment of fifteen hours. The workshop will provide background information on the project and interviewees, and will use demonstration and hands-on activity to show attendees how to use "Express Scribe," the open source transcription software. This will include downloading the free software on your own computer, setting up the template, using the style guide, and using shortcuts. Transcribers will be acknowledged for this professional service/achievement opportunity. WSULS presenters Diane Sybeldon and Troy Eller will conduct the workshop.

\*\*Attendees should bring their own headphones to the workshop. Registration is here: <http://www.dalnet.lib.mi.us/register07-08-2013.php>
