## Warriors Take Second in National Tournament

Sporting a 22-4 season record and the North Central championship in the National Little College Athletic Association, the MCC Warriors headed for Marion, Ohio during Spring Break for the national tournament.

After a twenty-point victory over Draughtons Junior College of Knoxville, Tennessee in the tournament opener, Coach Garth Pleasant's basketball

squad went on to defeat last year's national champion Blackburn College team from Carlinville, Illinois.

An overtime victory over Sullivan Junior College of Louisville, Kentucky put the Warriors in the championship game to face Webber College of Babson Park, Florida. The Warriors' leading scorer, Hank Woodmore, sprained his ankle in the game against Sullivan.

Without his services, the Warriors were unable to gain the momentum necessary to bring home the national title. They did, however, return home with a huge trophy for their second place finish.

With the taste of victory so close, Coach Pleasant and the Warriors are looking forward to their fourth try at the national title next year.

## Madison Teachers to Conduct Bible School Workshop at MCC

July 25-27, 1984 will mark the largest Bible school workshop in this part of the country. The MCC campus will host the event as the teaching team from the Madison Church of Christ in Nashville, Tennessee comes to campus to conduct some forty different courses.

Larry Bridgesmith, MCC alumnus and current Bible School Coordinator at the Madison congregation is directing the efforts with the Madison teachers.

Program plans call for eight sessions on teaching preschool, eight on teaching the elementary grades, five on Bible school art and visuals, eight on teaching and working with teens, and eleven on the work of the congregation.

Sessions will begin with a morning devotional at 8:30 and

conclude at approximately 9:30 each evening.

Cost for the workshop will be \$12.00 per person. Congregations may send an unlimited number of their teachers for a flat rate of \$160.00. Dorm rooms will be available, first come-first served, at \$15.00 per person regardless of how many nights they are used. Each person is asked to bring their own linens.

"This will be the culmination of our Twenty-Fifth Anniversary celebration," stated President Milton B. Fletcher. "A lot of effort is being put into this event to make it as rich as possible. We trust that everyone who is interested in teaching God's word will make every effort to take advantage of all that these teachers will offer. This will be a great three days."

## Partnership Dinner Highlights Silver Anniversary

Partnership Dinner XIII will be Saturday, May 12, 1984 at Cobo Hall in Detroit. Ticket prices for this fund-raising dinner will remain at \$65.00 each.

Dr. Paul Faulkner will be the featured speaker. He is most well known for his work with Dr. Carl Brecheen in the highly acclaimed Marriage Enrichment Seminars and Film Series. He is a professor at Abilene Christian University, teaching Bible, personal counseling, and marriage counseling. He has completed two Master's Degrees and a Doctorate Degree in education. Dr. Faulkner is the director of the Marriage and Family Institute at ACU and also serves as a member of several professional organizations. He and his wife, Gladys, have four children.

The Partnership Dinner is one of the largest fundraising activities undertaken by the institution. All monies from the dinner are designated to retire the debt on the Alma Gatewood Memorial Residence Hall.

"This year's dinner could be the biggest ever," stated Jesse Clayton, MCC Director of Development and coordinator for the event. "If we can have the 2,500 people attending that we hope to have, the indebtedness on the Alma Gatewood

Dorm can be paid. What a great way to celebrate the Silver Anniversary of the college!"

The Partnership Dinner is one of the largest fundraising activities undertaken by the institution. All monies from the dinner are designated to retire the debt on the Alma Gatewood Memorial Residence Hall.

"This year's celebration will also be a most important time in the history of the college," said MCC President Milton B. Fletcher. "I don't want to say too much about all that will take place; however, I will say that we are planning to make this year's dinner the biggest single event in the history of the college."

Plans for the evening's program include launching the Silver Anniversary campaign, Phase I of the Long-Range Development Program. A multi-media presentation featuring the history of MCC, and a performance by the MCC A Cappella Chorus will also highlight the evening.

"With so many people participating in the success of Michigan Christian College it is easy to see how so much has been accomplished," said President Fletcher. "We are looking forward with great excitement to what is yet to come."

She plans to graduate from MCC before transferring to Harding University to study mass communications.

Judges and faculty sponsors will evaluate eight aspects of the actual performances as well as behind the scenes production. A total of 1,000 points in each category are available. Judges will look at originality in developing the *Celebration* theme; costumes; selection and arrangement of the music; the quality of the musical performance; choreography; and overall performance in areas such as design, props, entrances, exits, etc. Faculty sponsors will evaluate club participation both on and off the set, technical assistance with production details, and overall cooperation.

## Message from the President

Dear Friends,

We are actually about half way through our Silver Anniversary celebration year. An air of excitement has existed for the first part of the year, but I believe we are in for even more excitement during the latter part of this time.

*Celebration in Song* will feature the Silver Anniversary concept. This takes place on campus April 6, 7, and 8. Make your plans to be in the audience for this unique presentation.

Particularly at this time I want to highlight the Partnership Dinner on May 12, 1984 at Cobo Hall in Detroit. We are making plans to have 2,500 people present for this Silver Anniversary Dinner. If 2,500 are present at the \$65 per plate figure, we may be able to pay the balance due on the Alma Gatewood Dormitory indebtedness. What a way to celebrate an evening!

Also at the Partnership Dinner we plan to launch the first phase of our Long Range Development Program — Phase I to be known as the "Silver Anniversary Campaign." There will be an exciting multi-media presentation relating to the history of Michigan Christian College. You won't want to miss the evening. Also, the MCC A Cappella Chorus will perform.

Make your plans now to contact your Partnership Dinner Chairman and obtain your tickets.

Thank you again and again for your prayers and your moral and financial support.

Very sincerely,

Milton B. Fletcher  
President

### Bible Lands Tour Moved to Spring, 1985

"Due to the political situation and the resultant general feeling by many, we have decided to postpone our Silver Anniversary Bible Lands' Tour until next spring," said Milton B. Fletcher, tour host and Presi-

dent of Michigan Christian College.

"Hopefully next year the political climate will be such that there will be no question about the overall safety of the tour," continued President Fletcher.

Only one class may be taken each week. The single class plus its required readings and papers represent full-time college work for one week.

Registration for all students will be held by mail beginning immediately. Advance registration will close on April 16. If there is any space in the classes, late registration will be held on Monday of each week of classes in the Registrar's Office.

Classes will meet from 12 noon to 4:00 p.m. each Monday (including Memorial Day) and 9:00 a.m. to 12 noon Tuesdays through Fridays. Residence hall housing will be available for \$20.00 per week per person. Students must provide their own linens and meals.

Course offerings include *Daniel, Amos and Hosea, I Thessalonians, II Thessalonians*, and *Psychology of Counseling I and II*.

### Financial Aid — Facts and Fiction

**Fiction.** Recent federal and state budget cuts have practically wiped financial aid out of existence.

**Fact.** Although there have been some changes in eligibility requirements and funding levels, there is still a lot of aid available. In fact, a large majority of current MCC students are receiving aid, including various forms of grants, scholarships, loans, and work programs. The average aid package still covers nearly two-thirds of the cost for a full-time boarding student at MCC!

**Fiction.** Families must have a very low income level in order to qualify for financial aid.

**Fact.** Naturally, the lower the income, the more aid a student can receive. However, some current MCC students with a family income over \$38,000 are receiving some federal and state assistance to attend MCC.

**Fiction.** It is wiser to live at home and commute to the community college since this option only involves tuition costs.

**Fact.** The *College Board News* reports an average annual cost of \$3,400 at the community college. Many fail to take into consideration the cost of owning and operating a car on a daily basis, the usage of extra utilities at home, and those grocery bills! In addition, community colleges usually do not offer as much financial aid.

**Fiction.** It makes no difference when one applies for financial aid.

**Fact.** Sure, some types of aid are available regardless of date of application, but many are not. Students should apply immediately to receive maximum consideration in aid programs for the 1984-85 academic year. Later applicants still receive aid, but their packages include a smaller proportion of grant aid.

For more information about financial aid or for aid applications forms, write to the Admissions Office or call 313-651-5800.

## Memories, The Way We Were

Many previous classes of Michigan Christian College were represented during the Alumni Day activities Saturday, February 4, 1984 as part of the annual Homecoming Weekend.

The ten-year reunion of the Class of 1974 was one of the weekend's highlights. On Friday evening, the class gathered at a local restaurant to relive memories, renew friendships, and revitalize their feelings about MCC.

Randy Gill, MCC Director of Musical Activities and an alumnus of that year, entertained. Larry Stewart, Director of Admissions at MCC, emceed the evening's activities. He is married to the former Lynne Yoakum (Class of 1974).

Alumni Day activities opened as former students gathered for chapel services at 10:00 a.m. Phil McCullough and Bruce Kilmer (both Class of 1969) and Gary Qualls (Class of 1974) conducted the devotional. Dr. Paul Southern of the MCC Bible faculty addressed the audience.

Following the devotional period, Alumni Association President Randy Coss conducted the annual business meeting. Several ideas regarding improved communication were discussed. Suggestions were made to create more and better communication between alumni; between alumni and the college; and between the college and the Alumni Association. "We appreciate your interest and will take your concerns and recommendations into account," commented Mr. Coss. "It was good to have so many willing to participate in the meeting. I feel we can use many of the ideas." (See related story on Page Seven).

Following the business meeting, lunch was served in the campus Gold Room. Students and alumni then witnessed a 102-52 victory over ITT Technical Institute of Dayton, Ohio during the afternoon's Homecoming basketball game. Hank Woodmore of Auburn Heights, Michigan led the Warriors in scoring with 28 points in the game.

The Homecoming victory gave the Warriors a mid-season record of 13-3 and marked the fourth time this season the Warriors have scored over one hundred points against an opponent, moving the Warriors closer to the national finals of the National Little College Athletic Association for the third consecutive year.

Halftime activities were highlighted with the crowning of Pam Whitelaw of Milan, Michigan as the 1984 Homecoming Queen. Pam is the daughter of Warren and Marilyn Whitelaw. She was escorted by her father. A sophomore at MCC, she plans to continue her education at Harding University. Pam serves as a resident assistant in the dormitory, was recently named to *Who's Who Among Students in American Junior Colleges*, sings with Autumn and the MCC A Cappella Chorus, and is a member of Women's Club and Alpha Tau social club.

Other members of the 1984 Homecoming Court included sophomores Jodi Jezierski and Lisa Rosenbaum and freshmen Simone Hipkins and Lynne Howe.

Jodi plans to continue her studies at another Christian college and become a respiratory therapist. She is the daughter of Fred and Jeannine Jezierski of Troy, Michigan. Her escort was Rick Stirnemann. Jodi sings with Autumn and the A Cappella Chorus, and is also a member of Alpha Tau social club.

Lisa, the daughter of Bill and Mary Rosenbaum of Richmond, Indiana, plans to become a nurse. She was escorted by her fiancé, John Carpenter. She is a member of the Alpha Tau social club.

Simone is majoring in music and education. She is actively involved in MCC's music program as a hostess for *Celebration in Song*, a member of Autumn and the A Cappella Chorus. She, too, is an Alpha Tau member. Simone is the daughter of Dr. and Mrs. Leroy Hipkins of Joliet, Illinois, and was escorted by Randy Bullock.

Lynn was escorted by her brother, Todd Howe. She is the daughter of Warren and Darlene Howe of Dayton, Ohio. An elementary education major, she is also a member of the A Cappella Chorus, secretary of the Inter Club Council, and Vice President of Beta Gamma.

Several former Homecoming Queens also participated in the half-time festivities. They included Pat Palmer Pleasant (Class of 1970); Sue Hostettler McAlpin (Class of 1974); Rose Nonnemacher Ellis (Class of 1975); Nancy Repogle Smith (Class of 1976); and Kathy Butterfield Norton (Class of 1983).

The evening's banquet honored Miss Whitelaw and her court. Randy Coss emceed the activities, and Dr. Paul Southern entertained the audience with his wit and wisdom.

Jack Cronk (Class of 1963) was the recipient of this year's Alumni Citation Award. He has been Director of Pharmacy at Holy Cross Hospital in Detroit for the past seven years. He recently assumed a similar position at Mt. Sinai Hospital in Miami Beach, Florida. He completed the Bachelor of Arts and Master of Arts Degrees in Pharmacy at Wayne State University. A very active member of the Alumni Association, Jack served on its Executive Committee from 1980 until 1982. He has also served as an officer of several professional organizations and received numerous honors in his field.

Coach Bill Shinsky was recognized for his twenty-four years of dedicated service in a special presentation made by Pat Pleasant, Brenda Phillips, and Cathy Ries. The Alumni Association presented him with a special Silver Anniversary Award.

A short slide presentation depicting some of MCC's twenty-five year history brought the evening to a close.

## Keith Wellsted Receives National Attention as Michigan Homemaker of the Year

Photo courtesy of *The Flint Journal*

*Keith tries to comfort Seth as his pediatrician examines him.*

Keith Wellsted (Class of 1977) is a construction worker, outdoorsman, athlete, and Homemaker of the Year in Michigan.

Keith left MCC to pursue opportunities in the roofing and construction industry, but difficult economic times soon dwindled the number of jobs available, forcing Keith's unemployment. At about the same time his opportunities in construction were decreasing, his wife's job opportunities in the computer hardware industry were increasing. Andra Randall Wellsted (Class of 1979) graduated from Central Michigan University in 1981.

So, six weeks after Seth's birth, Andra returned to work fulltime and Keith remained at home to care for their son. "Neither one of us really liked it at first. It wasn't planned, it was economics. It's no big deal now. Now we depend on my income and his is for extras — exactly the opposite of what people call 'normal,'" said Andra. Keith works with his father in occasional construction jobs and is establishing a mail order business from their home.

Keith commented, "It's becoming more and more common. He'll (Seth) probably be more exposed to it (house-husbands). He won't see me as not being macho. I play basketball, tennis, I hunt . . . the only difference is I do more around the house than most men."

Keith's road to Homemaker of the Year in Michigan began when Andra nominated him for county-wide honors. He won in Genesee County (the Flint area) and then went on to state competition. "I believe that Keith exemplifies the new homemaker of the 1980's. He is proving that a homemaker doesn't have to be a woman. A

man can make a house a home if he has the courage to break out of the stereotype that society has molded for him . . . I am extremely proud of his accomplishments and feel that if he were to win this award it would be a great inspiration to other men and their families in this area who are also struggling with the problems of unemployment and economic strife," Andra wrote in her nomination.

Keith's award has received national attention. United Press International picked up the story and more than 180 major newspapers across the country have published it. Keith has been asked to appear on three television programs, including the Detroit ABC affiliate Channel 7's *Good Afternoon, Detroit*. An article in the May issue of *Glamour* magazine will also feature Keith.

## Silver Anniversary Alumni Directory to be Published

Work is now beginning on an Alumni Directory. Plans are to publish the directory later in this Silver Anniversary Year.

Assistant to the President Rick Watson is coordinating the preliminary work to compile the directory. The first step is to locate addresses of several "missing" alumni. A list is published on Page Seven of this *Bulletin* issue and anyone with

address information on any of these people, others who may have moved recently, or others who may not be receiving the *Bulletin* should send it to Mr. Watson. Additional lists will be published as the Alumni Office continues to update records.

A mailing will be sent to alumni later this spring to gather information for the directory.

## History of MCC!

### Did You Know?

- ... that 6 of the first 8 men considered for the first presidency of MCC later became presidents of other Christian colleges?
- ... that the owner of the beautiful property on which the college now sits got sentimental and almost decided to keep his estate?
- ... that almost 300 women packed in the recreation room of the estate on a stormy night in 1959 for the first Associates meeting?

### Do You Remember?

- ... the first Lectureship in 1958, most of which took place in the Rochester High School Auditorium and the Royal Oak church building?
- ... the formal opening of NCCC on October 13, 1959, during the second Lectureship?

Relive these and hundreds of other events that make up MCC's great heritage. Order your copy of the Silver Anniversary History today!

I would like to order \_\_\_\_\_ copies of the Silver Anniversary History at \$7.00 each. I am enclosing a check or money order for \_\_\_\_\_.  
My check is made payable to MCC.

## Alumni Focus

Dear Fellow Alumni:

Let me begin by saying thank you to all those who made a special effort to attend the Alumni Day-Homecoming Weekend activities on February 4, 1984. It was a day filled with activities to suit everyone's taste and properly befitting our theme of "Memories, The Way We Were."

Several topics of importance were discussed at our alumni business meeting. One I would like to mention at this time is communication. It was pointed out that in the past the Alumni Executive Committee has not done a good job of keeping the alumni up to date on newsworthy items and activities relating to the Alumni Association. Let me assure you that Pat, Brenda, Cathy, and I will do our best to improve in this area. In fact, we plan on keeping in touch with you at least quarterly, if not more often.

But let me remind you that communication has to work both ways to be effective. We want and need your ideas and suggestions so that we can plan activities that are as diverse as the alumni we are trying to serve.

By the way, if you have any suggestions pertaining to the Alumni Association, please feel free to jot them down and direct the suggestion to the attention of Rick Watson, Assistant to the President, Michigan Christian College, 800 West Avon Road, Rochester, MI 48063 or call him at 313-651-5800, extension 24.

Again, thank you for your support and let us all pull together in our support of MCC.

Yours truly,

Randy Coss  
President  
Alumni Executive Committee

## Warrior Guard Hank Woodmore Named NLCAA All-American

Hank Woodmore

scorer, pacing the Warriors with an average nineteen points per game. He also leads the team in assists and steals and is co-captain of this year's squad. Before coming to MCC, Hank led Avondale High Schools' team and was named to the *Detroit Free Press* All State Second Team.

Mike Roller, an MCC alumnus and Assistant Basketball Coach at David Lipscomb College commented, "After having had the opportunity of seeing Hank play, I was impressed with his overall playing ability and especially his quickness and speed. He certainly is one of the better small college guards I've seen this year."

"Hank is a winner. Everywhere he goes he produces. A quiet leader who can score and pass off. A very unselfish player. The kind of player I would love to have if I was a coach," noted Jim Hughes, Sports Editor for the *Rochester Eccentric*.

Hank Woodmore has been named All-American in the National Little College Athletic Association.

A 6'1" freshman point guard from Auburn Heights, Michigan, he is the team's leading
