

# ***Interested in a career in education?***

Michigan Christian College has just finalized arrangements with a local university to offer a cooperative program in education.

- ◆ Three years of the program will be taught by Michigan Christian College. One year of classes plus the student teaching will be covered by the university. Students will receive an associate degree from Michigan Christian College, a bachelor's in education from the university, and teaching certification from the state of Michigan.
- ◆ Students will be able to live at Michigan Christian College and participate in campus activities for the duration of the program.
