

Prepare for a successful career

"My years at Michigan Christian College were the highlight of my life. The family atmosphere not only prepared me for life, but left me with friends that I know will last a lifetime. With what I learned from teachers who really care, I now have the opportunity to succeed with a Fortune 500 company."

Natalie Atkinson

Natalie, a recent B.B.A. graduate of Michigan Christian College, visited numerous retail outlets of AC/Delco products while completing her internship with the General Motors Corporation. That internship turned into a full-time position with General Motors upon completion of her degree.

Michigan Christian College is ready to help you achieve your goals!

You can complete a bachelor's degree at Michigan Christian College by building upon an occupational degree from Macomb Community College. Through cooperative programs offered by the two institutions, you can add the key credential required for long-term career progress, a bachelor's degree, to the strong training you have received in a technical field.

What degrees are available?

Although Michigan Christian College offers a variety of programs at the bachelor's degree level, you can complete the Bachelor of Business Administration degree with the greatest ease. This program allows you to earn a management major from Michigan Christian College with a specialization in the technical field that you complete at Macomb Community College.

Is the transfer process easy?

Bachelor's degree programs at Michigan Christian College are student-friendly. They are designed to help you complete your program as efficiently as possible. As a graduate of Macomb Community College, you benefit from innovative policies that allow for the maximum transfer of credits, including credits from technical courses, and the flexible transfer of general education course work.

What is Michigan Christian College?

Michigan Christian College is a private, liberal arts college located in Rochester Hills, Michigan. Accredited by the North Central Association of Colleges and Secondary Schools, Michigan Christian College provides personalized academic attention within a faith-affirming campus community.

Is financial aid available?

In addition to federal financial aid, programs funded by the college and the state of Michigan are available to the students of Michigan Christian College. Many benefit from the Michigan Tuition Grant of \$2,250 per year, which is available to Michigan residents with financial need who attend a *private* college in Michigan.

How can I receive more information?

For information about Michigan Christian College, details about academic programs, or applications, contact the Michigan Christian College Office of Admissions or visit the Michigan Christian representative on the Macomb Community College campus.

Bachelor of Business Administration Management Major

General Education

(25 hours)

As a graduate of Macomb Community College, you may meet the general education requirement of Michigan Christian College with twenty-five hours of general education courses, including a minimum of one course each in written and oral communication, fine arts, literature, science, and history or another social science.

Specialization

(36-55 hours)

You receive a block of academic credit for the occupational courses you completed as a part of your associate degree program at Macomb Community College. This block of credit automatically becomes your specialization under the Bachelor of Business Administration degree at Michigan Christian College.

Business and Management

(24-46 hours)

Depending upon your degree from Macomb Community College, you complete from twenty-four to forty-six hours of business and management courses at Michigan Christian College.

Ethics and Christian Faith

(8 hours)

Two courses in ethics, *Introduction to Ethics* and *Ethics in Business*, and two courses in Biblical literature or religion provide a unique dimension to your Bachelor of Business Administration degree from Michigan Christian College.

Electives

(0-27 hours)

Hours not covered by one of the above categories are open for elective credit. The number of hours varies according to your specialization.

Total for B.B.A. - 128 Credit Hours
