Dear Jill:

Thank you for your letter regarding Mt. Carmel's withdrawal from the DALNET project. While I understand and respect your Institution's decision to pursue automated library functions on a stand-alone basis, please know that the DALNET project-plan does call for dial-up-user services. We shall therefore plan to contact you as we expand the network to include these services. In the meantime, please keep us informed of your automation plans and progress.

Sincerely,

James F. Williams, II
