Scott P. Muir
DALNET Steering Committee
Wayne University
Detroit, MI 48202

Dear Scott:

I have given careful thought to your offer to continue as chair of the DALNET Shared Patron Database Task Force. For personal reasons, I must decline the appointment.

The work with the Task Force was very rewarding in many ways, especially in that I learned so much from the interaction with the group and the advising from technical personnel at DALNET and Horizon. Anaclare is actually the natural chair for this group because of her broad and varying experiences with circulation. We all benefited from her experience in our attempts to work toward a solution to shared patron issues.

Many thanks for your assistance to me in this process.

Sincerely,

A handwritten signature in cursive script, appearing to read "Frances O. Young".
