BECOME and BELONG

We are thrilled to welcome you to Rochester Christian University!

In the spring of 2024, we became Rochester Christian University.

In today's world, some use the word "Christian" to exclude rather than to include. But not at RCU. Following the example of Jesus, we are committed to loving and valuing every human as a bearer of the image of God, standing with the oppressed and marginalized, contending for justice, and doing all in our power to create a welcoming, loving, and peaceful space for all. Here, we rise together. As one.

You belong here! Everyone is welcome at RCU, where we are driven by the values of Unity, an Open Table, and Paradoxical Fellowship. Our unified Christian identity goes beyond denominational lines as we welcome all of God's diverse children to the Table of the Lord, creating a community where "the first are last and the last are first" to promote countercultural and world-transforming gospel values.

We are excited about this new chapter in our university's history and to introduce you as the first class of Rochester Christian University! We see you as a person created in the image of God. You're not just a name on a class roster or a number on an assessment report. You are a human being who belongs here!

We want you to come to RU so that you can discover your purpose and envision how that purpose unfolds in your life. We hope you will explore how your discoveries coincide with what God is doing in the world. We'll help you take your gifts and learned skills to use them productively in your life — both now and in the future. Most importantly, we want you to use your degree to positively impact lives, communities and the world.
